The Seventy Shevuim (490 Years/490 Days) of Daniel

This chart utilizes C.E. (Common Era) and B.C.E. (Before Common Era) which replace A.D. (Anno Domini) and B.C. (Before Christ). Both of the latter reflect the "Common ERROR" in historical chronology.

SEVENTY SHEVUIM (SEVENS) are determined upon thy people and upon thy holy city to finish the transgression, and to make an end of sins, and to make reconciliation for iniquity, and to bring in everlasting righteousness, and to seal up the vision, and authenticate The Prophet, and to anoint the most Holy. Know therefore and understand, that from the going forth of the commandment to restore and to build Jerusalem unto the Messiah the Prince shall be seven shevuim, and threescore and two shevuim: (the plaza shall be built again, and the wall, even in troublous times). And after threescore and two shevuim shall Messiah be cut off, (but

not for himself): and the people of the prince that shall come shall destroy the city and the sanctuary; and the end thereof shall be with a flood, and unto the end of the war desolations are determined. And He (the Messiah) shall confirm the covenant with many for one shevua: and in the midst of the shevua he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate. Daniel 9:24 - 27

The Confirmation of the Covenant and the Messianic Kingdom

If the **Covenant** is **confirmed** on Yom Kippur 2017, this would be the prophetic pattern for the fulfillment of the fall Feasts of the LORD.

The pattern holds true for any year in which the **Covenant is confirmed**.

Please study the prophetic pattern in the 13 hour DVD series **Prophecies in the Spring and Fall Feasts of the LORD**.
