

Who We Are

Messianic Delaware rose out of a desire to know the truth of the Scriptures from the perspectives of the authors who wrote them. We are devoted to getting back to the Hebraic-Christian Roots of our faith, and doing Biblical things in Biblical ways. We strive to understand God's (Yahovah's) Word within its historical and cultural framework, and to apply what He teaches and commands us through the Torah, and the Spirit and love of Messiah Yeshua (Jesus).

Our Mission

Messianic Delaware is devoted to going beyond the traditions and doctrines of men and getting back to the Hebraic-Christian Roots of our faith. We do this by looking at the scriptures from the original Hebrew perspective. We define our walk in the Messiah through the study of His Word (in its original context). We will express our love of Yeshua through establishing strong, healthy individuals, families, and congregations.

Our Vision

Messianic Delaware intends to be a light to lower Delaware by bringing the area back to their Hebraic-Christian Roots through the Power of His Torah and Spirit of Yeshua. We will be a bridge for the lost Sheep of the House of Israel to come back to the roots of their faith by teaching them their identity, their instructions, and their purpose with a foundation established in love.
