

Israel!

But First Egypt

where he may have been held captive and condemned. We conclude the day with a visit to Yad Vashem, the Holocaust Museum, for a needed reminder of what the Jews have suffered as a people. This evening we enjoy a special lecture by a local believer prior to dinner, giving us a perspective of Messianic life in Israel.

Day 20 • Home

A very early morning departure for the Tel Aviv Airport for our flight homeward will allow for arrival home by early afternoon.

Important Note: Although the itinerary above obviously emphasizes the spiritual aspect of this marvelous country, our guides are also experts in and passionate about the miracle of the return of the Jews and the restoration of the state of Israel. This fact, along with many modern day topics (military, politics, education, and other cultural aspects), will be woven into the commentary in order to give you well rounded information.

The Brazen Serpent Monument

The metal sculpture in the shape of a serpentine cross that stands on the terrace of Mount Nebo was created by the Italian artist Gian Paolo Fantoni. It recalls the bronze serpent on a pole which God told Moses to erect to protect his people from the poisonous snakes that God himself had sent as punishment. It was enough to look at the bronze serpent erected by the prophet in order to be healed and saved. The inspiring image merges the healing bronze serpent of Moses with the crucified Jesus who saves the entire world.

MOUNT NEBO

The Olive Tree of Pope John Paul II

On the 20th of March 2000, Pope John Paul II landed in Amman to begin his Jubilee Pilgrimage to the Holy Land. From Mount Nebo, he looked upon the land which was promised to the Prophet Moses. On this occasion, he planted an olive tree as a symbol of peace in honor of the people who now live in these lands.
