# 12 Day War in a Nutshell

Since the start of Rising Lion on June 13

Iran:

- » Fired more than 550 ballistic missiles at Israel
- » Killed 29 people in Israel and wounded thousands
- » Destroyed apartment buildings and damaged more apartments, a hospital and a university
- » Fired less than a quarter of its assessed ballistic missile stockpile
- » Approximately 25 of its ballistic missiles struck direct hits in Israel, damaging:
  - » Residential buildings
  - » An oil refinery
  - » A port

- » Electrical facilities
- » One of Israel's largest hospitals
- » Facilities for developmentally-disabled children and the elderly
- » Launched more than 1,000 drones
- » Launched 14 ballistic missiles at a US military base in Qatar after the US strike on Fordow
- » All missiles were intercepted and no casualties or damage were reported

## Israel:

- » Eliminated 2/3 of Iran's ballistic missile launchers, severely hampering the regime's ability for future attacks on Israel
- » Eliminated 9 of Iran's 13 top commanders, as well as hundreds of military and regime operatives
- » Eliminated 10 key Iranian nuclear scientists involved in the regime's nuclear development program
- » Struck key Iranian nuclear sites, including Natanz, Isfahan and Arak
- » Struck multiple military and regime sites, including:
  - » Ballistic missile production and storage sites and launchers
  - » Air defense systems
  - » IRGC and intelligence bases
  - » National TV station
  - » Headquarters of Basij, a paramilitary branch of the IRGC responsible for enforcing Islamic law and reporting civilian violations to regime authorities
- » Other arms of the regime responsible for suppressing civilian unrest and protests

- » Launched more than 900 drones
- » Achieved total air superiority without losing a single plane
- » A Mossad facility established in the heart of Iran manufactured and launched UAVs against the regime
- » Intercepted an estimated 90% of the Iranian ballistic missiles

## United States

- » Launched Operation Midnight Hammer overnight June 21
- » Two B-2 stealth bombers dropped 14 Massive Ordnance Penetrator (MOP) “bunker buster” bombs on underground key nuclear facility at Fordow
- » Nuclear submarines fired 30 Tomahawk missiles at Natanz and Ifsahan nuclear facilities to finish the damage that Israel began.

תקווה ושלום

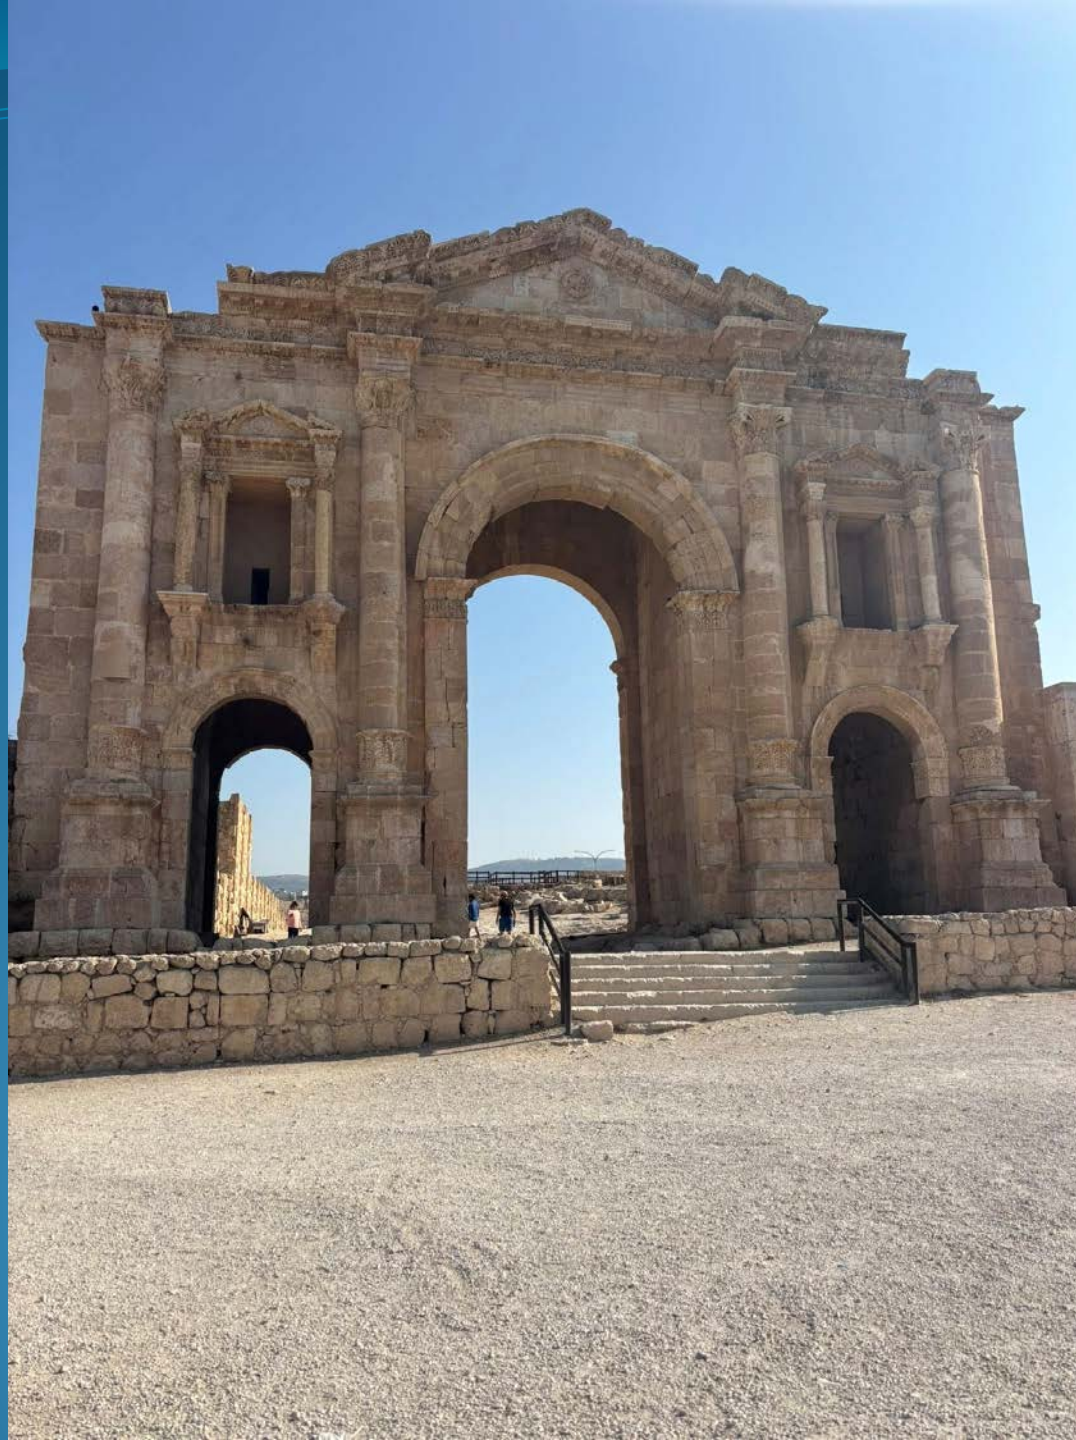

And they shall beat their swords into plowshares,  
And their spears into pruning hooks;  
Nation shall not lift up sword against nation,  
Neither shall they learn war anymore.

זמנא דהויא, Golden Menorah

The menorah is the symbol of the Jewish people and the center of the Temple in Jerusalem. It was made of gold and had seven branches. The menorah was destroyed by the Romans in 70 CE. The current menorah is a replica of the original one.
