Miles R. Jones, PhD

Director, B'nai Emunah Institute for Accelerated Learning, Inc.

I need to tell you about an incredible series of events which will soon come to pass! Right now, I have a lot on my plate.

I am creating an online TV series called The Main Event about the latest discoveries of The Hebrew Gospels. I am also

Finishing Volume Two of Sons of Zion versus Sons of Greece, which contains even more revelation than Volume One.

That is because I recently went to Europe to follow some leads and discovered FIVE manuscripts, heretofore unknown,

of The Hebrew Gospels from Cochin, India. I have also authenticated these manuscripts as coming from a first century

source! These manuscripts are not only of the Gospels but contain the entire New Testament in Hebrew. I now have

the largest collection in the world of Hebrew manuscripts of the New Testament. Two complete manuscripts of the

entire New Testament, or Brit Hadashah since they are all in Hebrew. For some Gospels and Epistles we have three or

even four ancient Hebrew manuscripts. We are now capable of doing a compilation of the most reliable version of the

ancient Hebrew Gospels and Brit Hadashah! It is a huge task! The B'nai Emunah Institute has dedicated itself to do it.

You can imagine how I felt when I was suddenly called to write another book – right now! - centered not on these ancient

manuscripts but on the present events of rioting in the streets! The country seems to be disintegrating all around us!

Are you not holding your breath - praying fervently that it will all settle down and go away so we can get back to normal?

I know that I was - but I have been awakened! By divine intervention, I had already written about the history of these

world-shaking events that now consume us all. So, I was able to write the book, *The Coming Crisis*, in weeks rather than the years it would have taken me to start the research from scratch. The information that I was divinely called to include is in the first chapter *The Prophetic Voice*. In the next few months - you must ready yourself. There will be an armed insurrection! It will erupt following the American election if not on the election day itself Nov. 3, 2020. Even for those of my readers who do not live in the United States, this will have grave international repercussions!

It will not be the end of the world. We will still have to educate our children of today and tomorrow. To that end we must understand how we got into this civil war in the first place, and how we can reclaim our country and its institutions, primary among them the educational system. Revolution always starts with re-educating the next generation to throw out the old system and usher in the new system. That new system will be totalitarian!

Shabbat Friday Sept. 11, 2020 at 6 pm CST, and Saturday Sept. 12, 2020 at 6 pm, I will do a live broadcast on YouTube. You may want to subscribe to our YouTube channel – *Writing of God*. In that way you will receive email notice of this and other broadcasts. I will speak of *The Prophetic Voice* in my new book *The Coming Crisis*, also how we got here and how we can reclaim our schools and our country. Please share this information with all those you feel should have it
