## Part 2

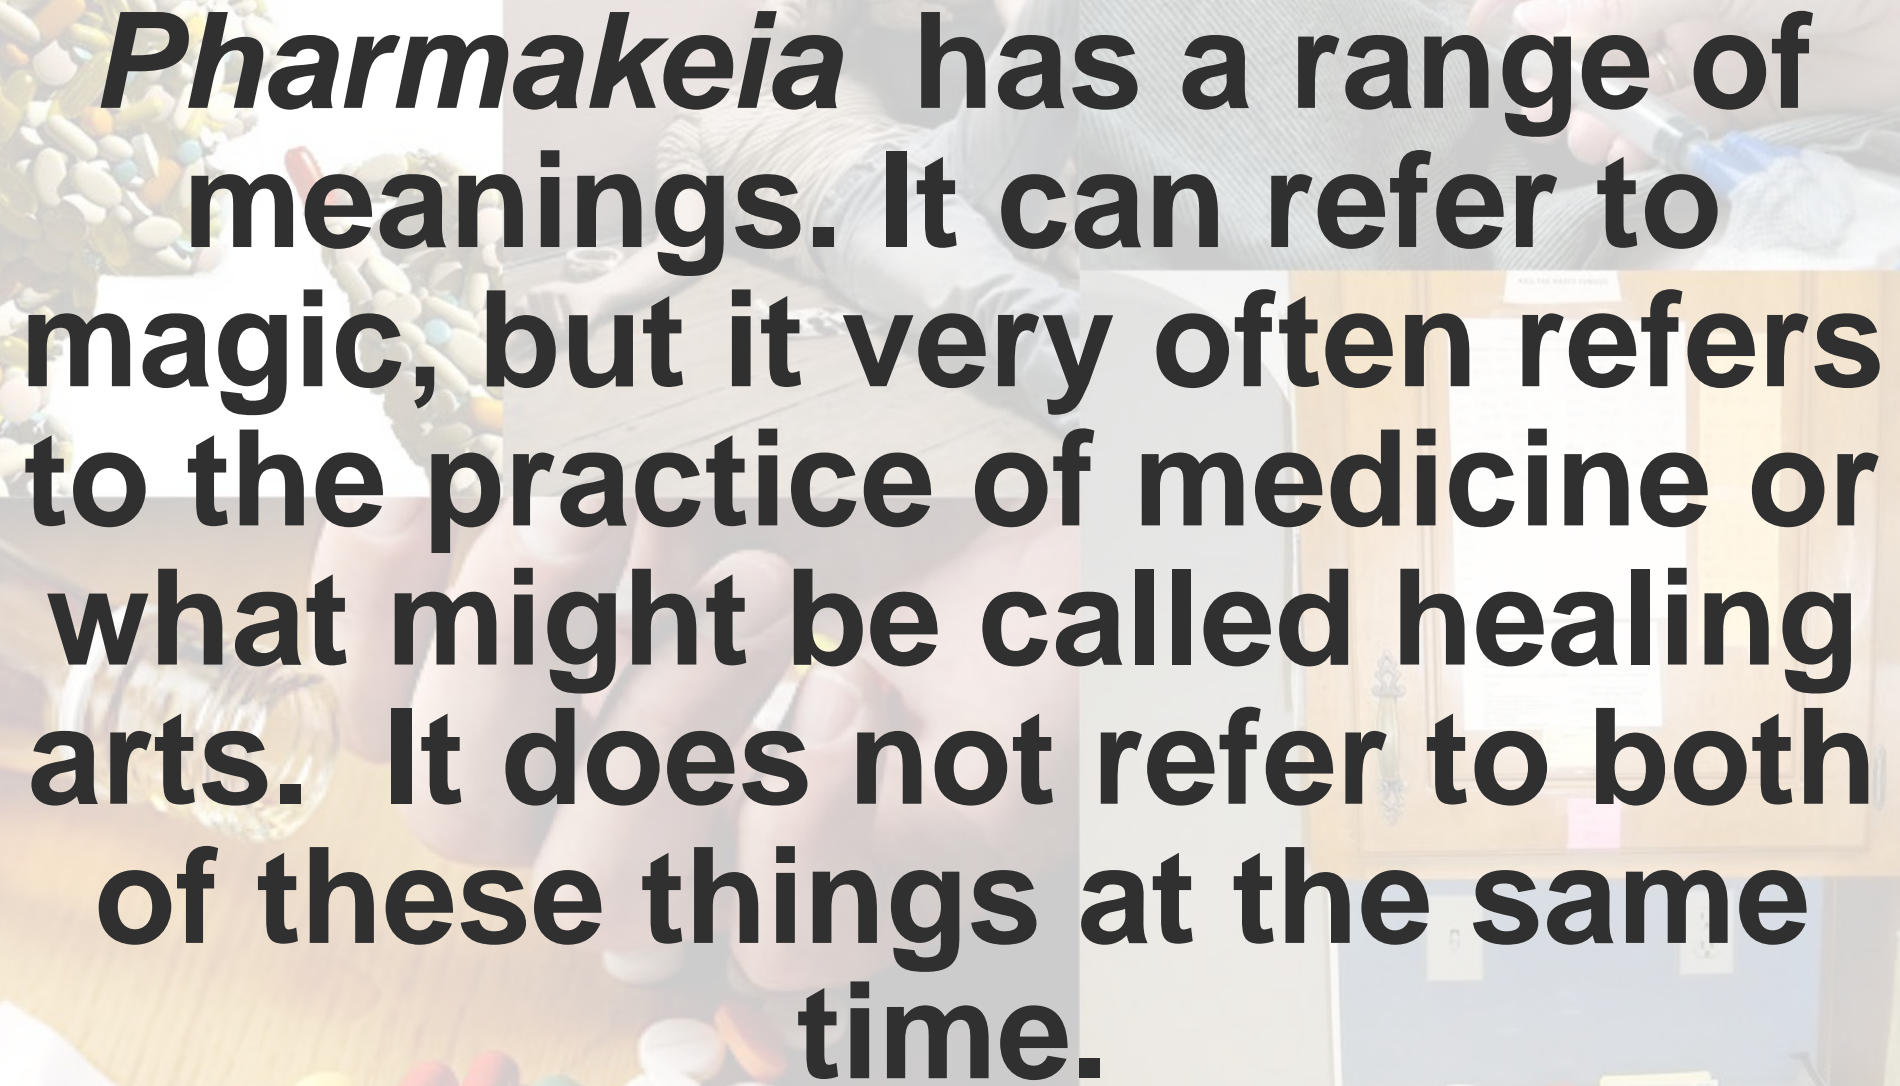

**My closing  
statement from  
Part 1 was:  
“Hang on tight,  
the ride is going to  
get a little wild.”**

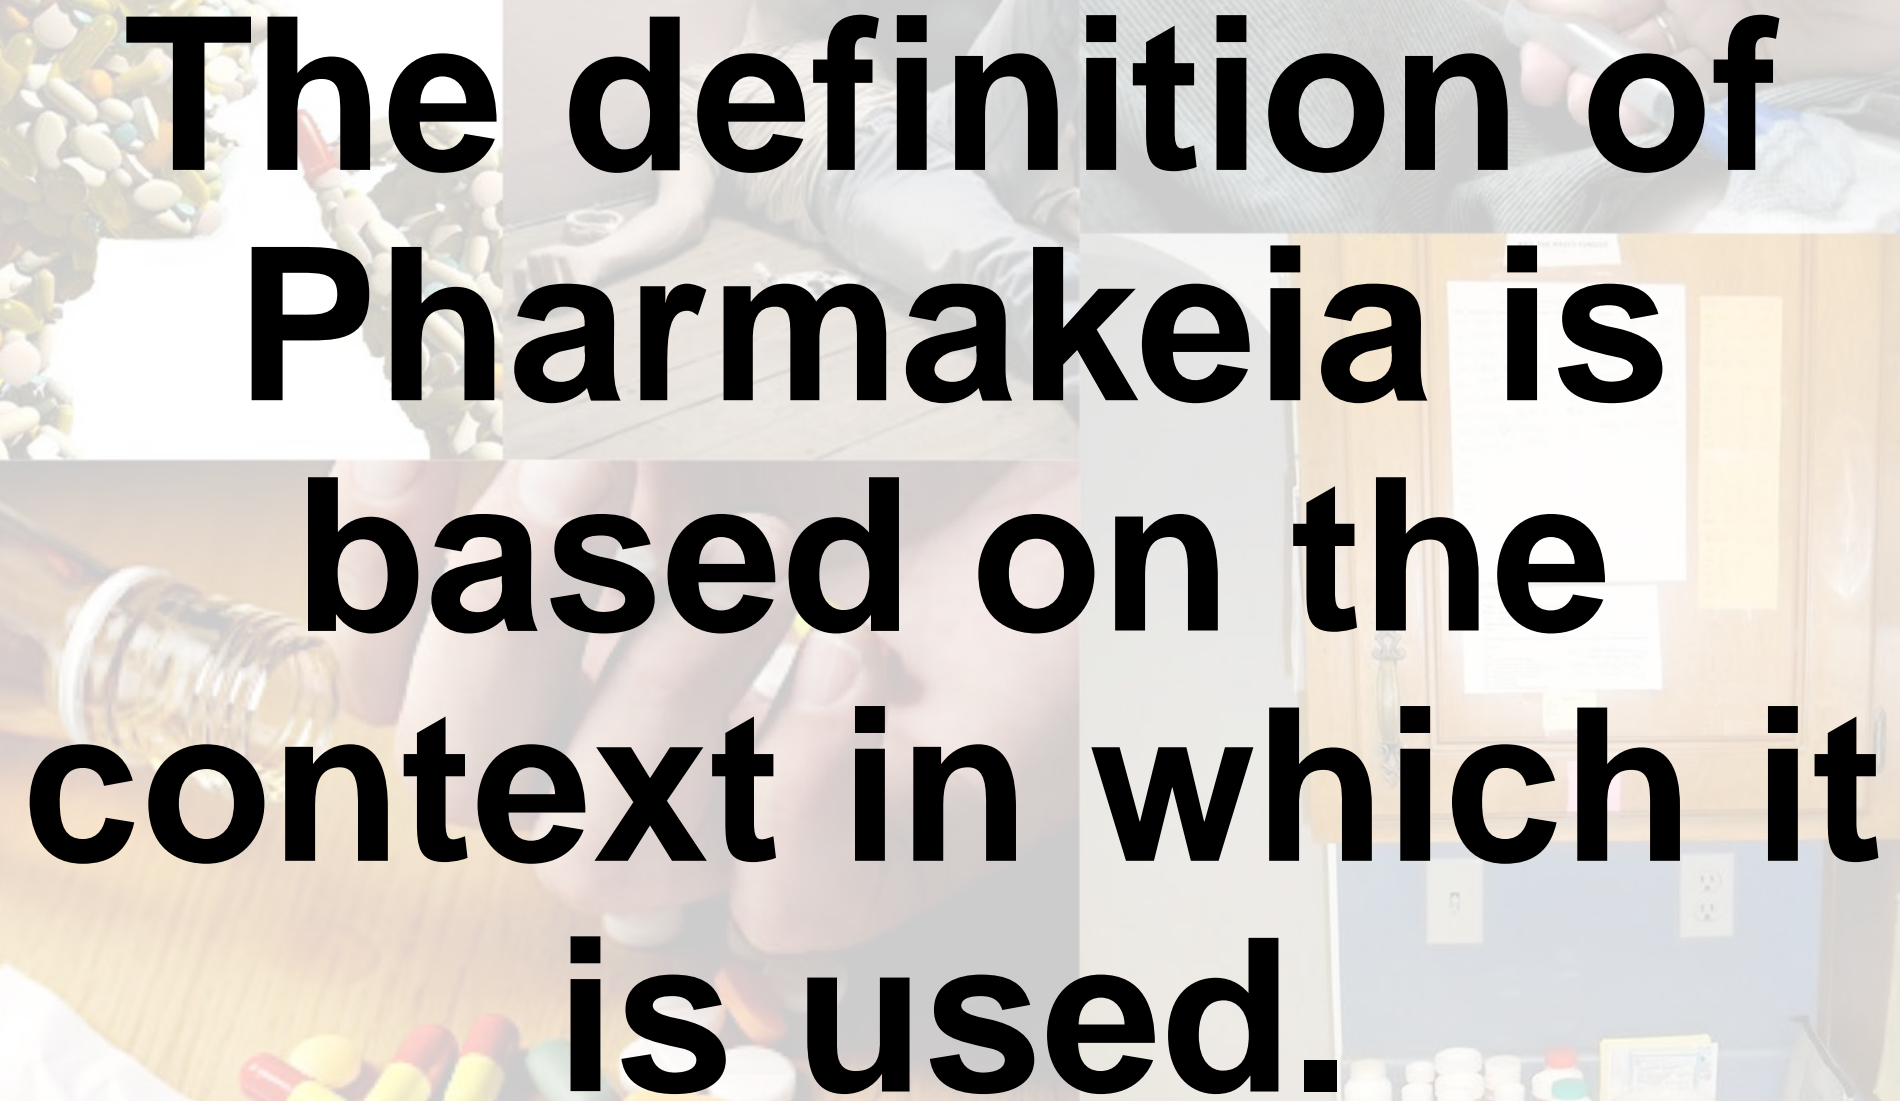

A collage of four images related to healthcare. Top left: A large pile of various colored pills. Top center: A person lying down with their head tilted back, possibly receiving treatment. Top right: A close-up of a hand holding a syringe. Bottom: A pharmacy counter with various bottles, a clock, and a person's hand. 

# **A quick review of Part 1 of this teaching:**

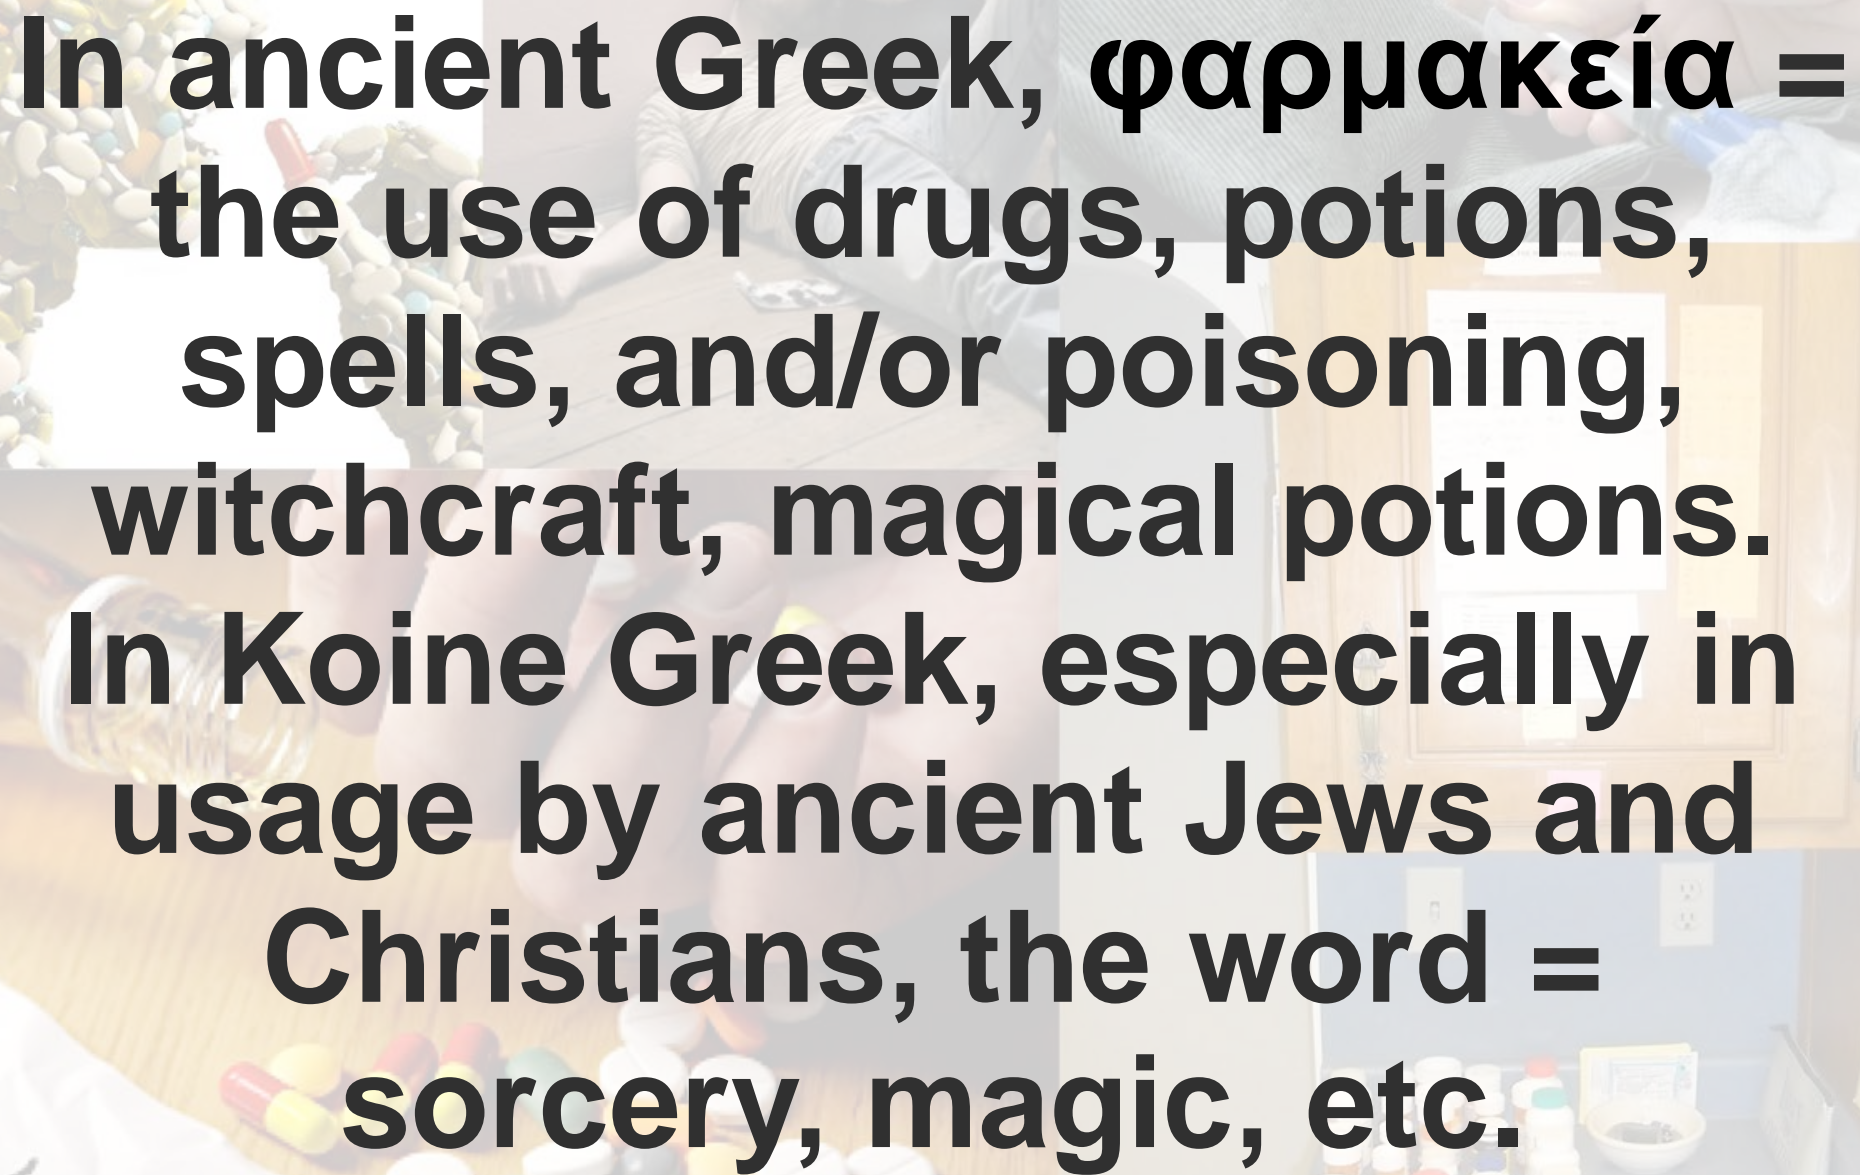

The background is a collage of four images related to medicine. Top left: A large pile of various colored pills. Top right: A person lying in a hospital bed with their arm raised. Middle right: A close-up of a hand holding a syringe. Bottom: A pharmacy counter with several small medicine bottles and a bowl.

***Pharmakeia* has a range of meanings. It can refer to magic, but it very often refers to the practice of medicine or what might be called healing arts. It does not refer to both of these things at the same time.**

**The definition of  
Pharmakeia is  
based on the  
context in which it  
is used.**

**In ancient Greek, φαρμακεία =  
the use of drugs, potions,  
spells, and/or poisoning,  
witchcraft, magical potions.  
In Koine Greek, especially in  
usage by ancient Jews and  
Christians, the word =  
sorcery, magic, etc.**

**In the New Testament the word  
pharmakeia occurs three times**

***(Galations 5:19-21)***

***(Revelation 9:21)***

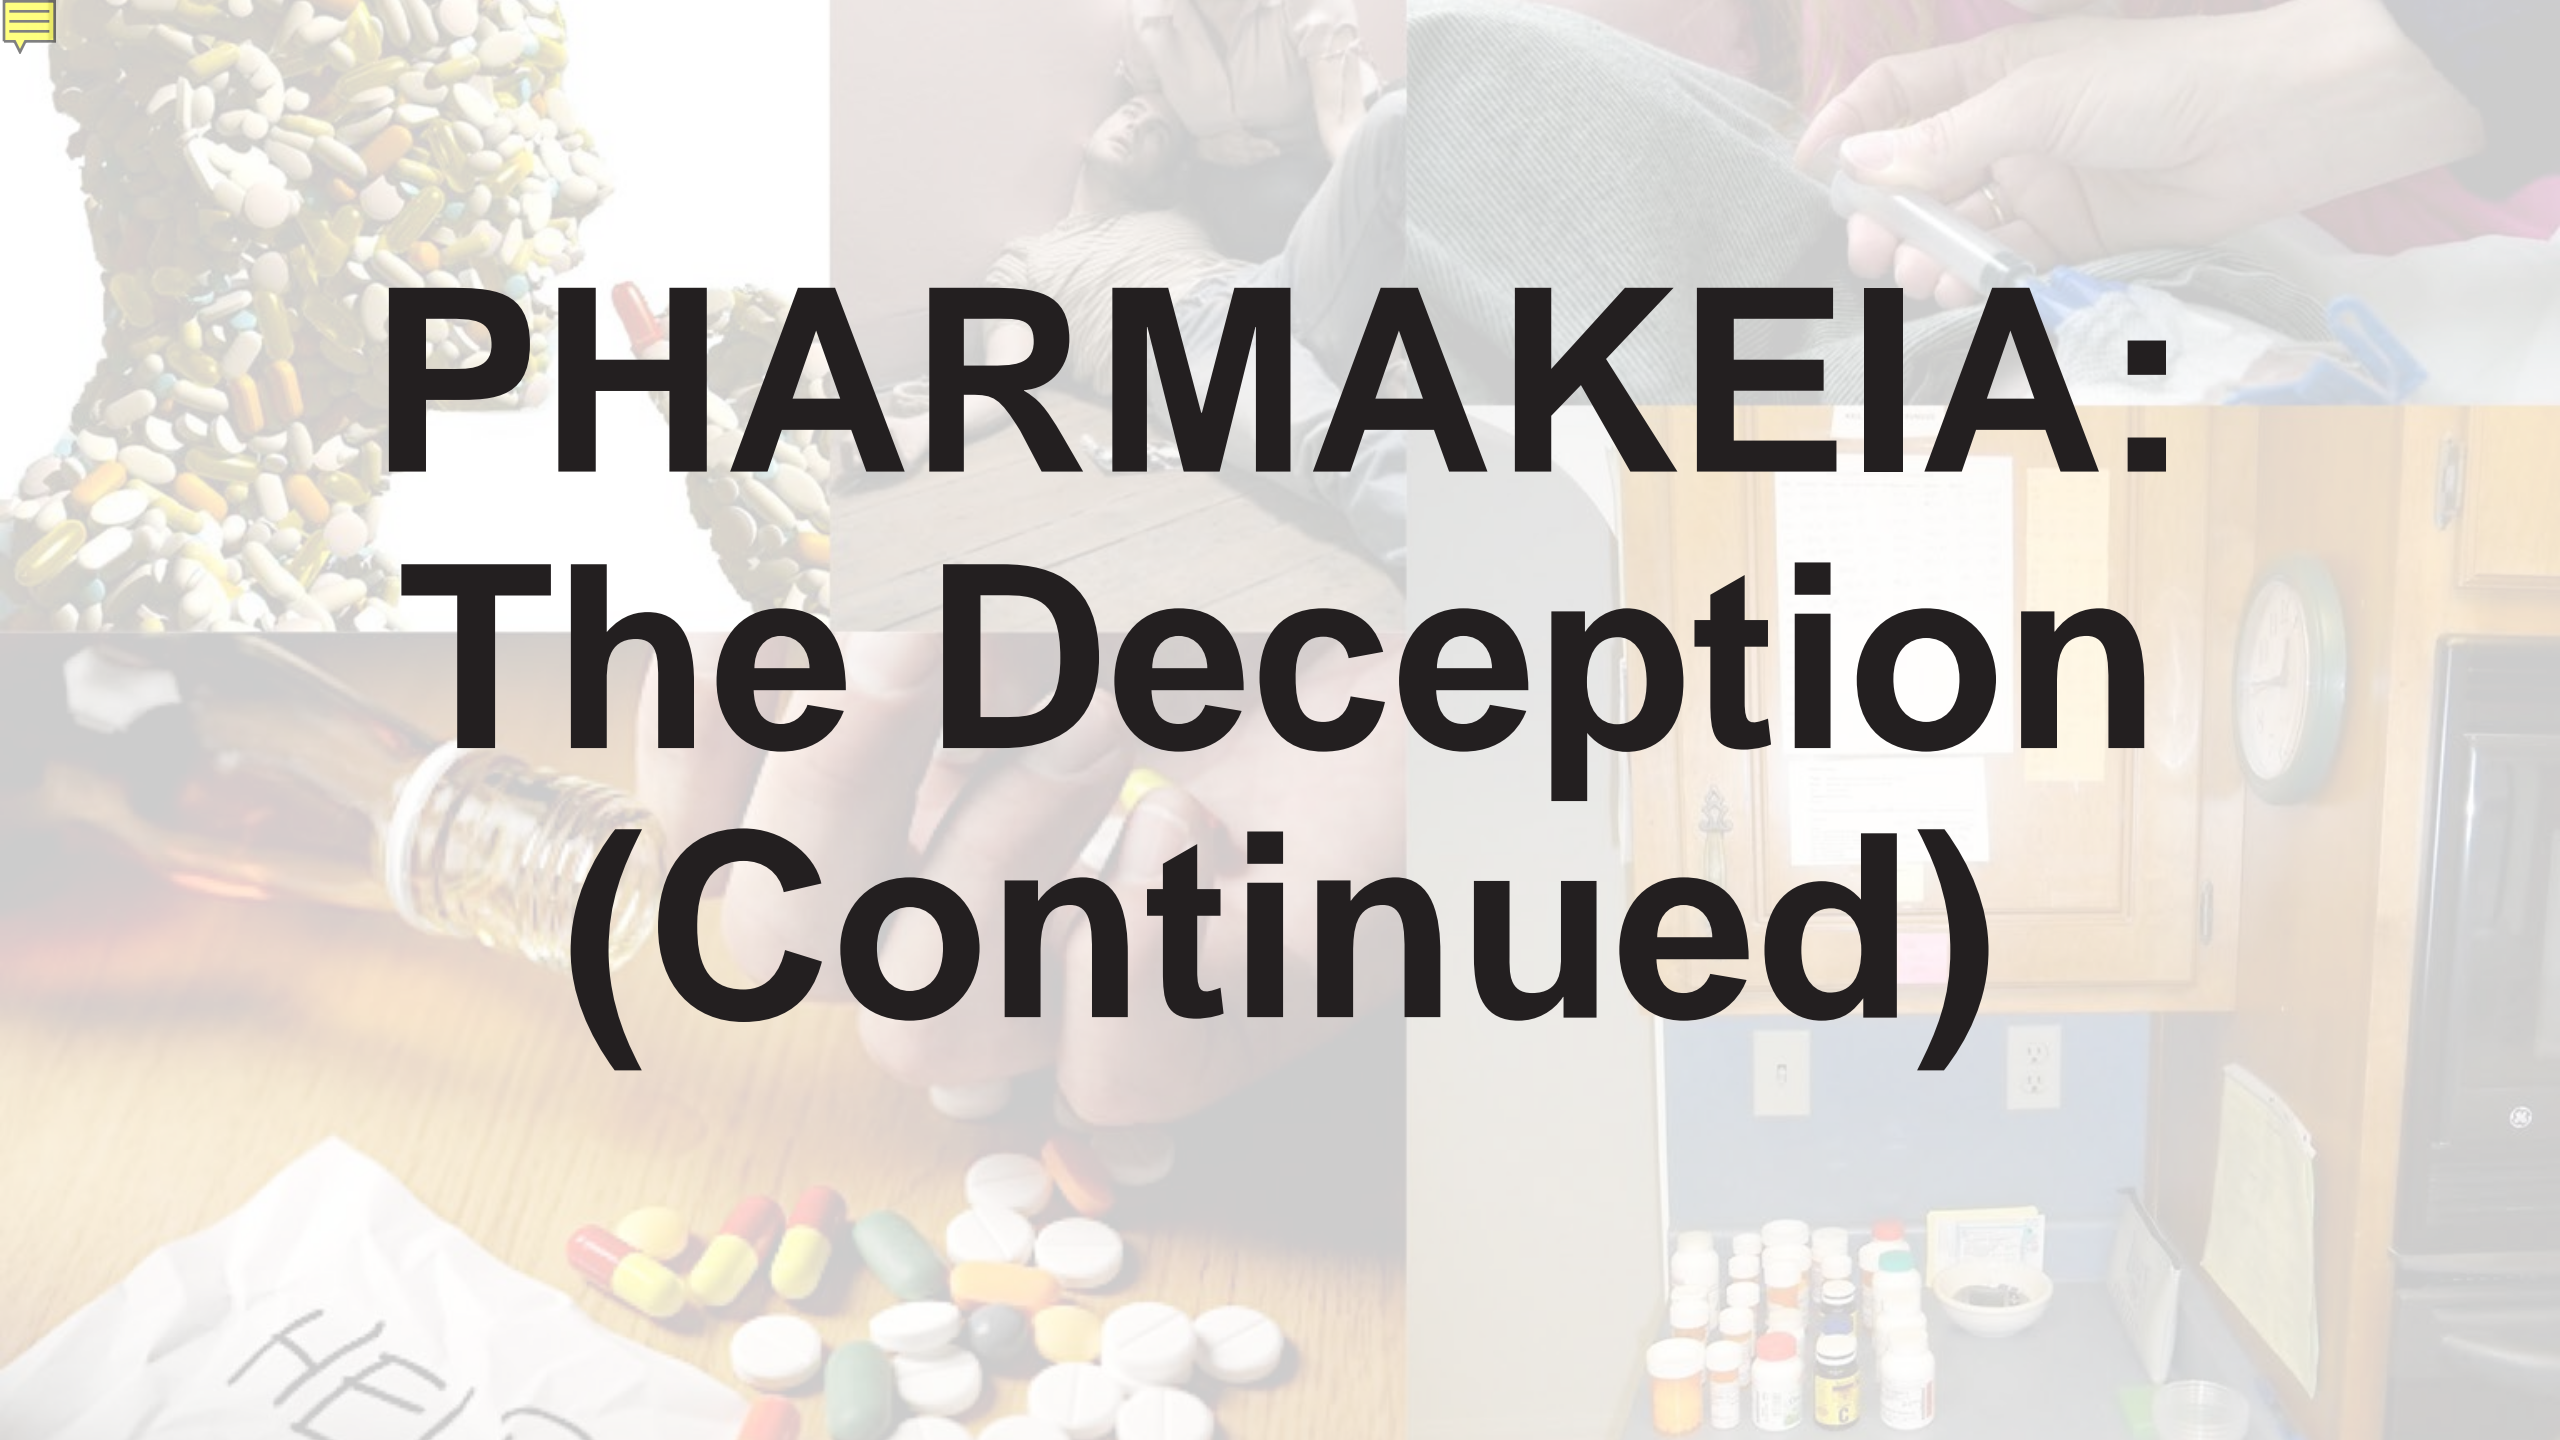

***(Revelation 18:23)***

***“For your merchants were the great  
ones of the earth, for by your  
sorceries (pharmakeia) all the  
nations were deceived.”***

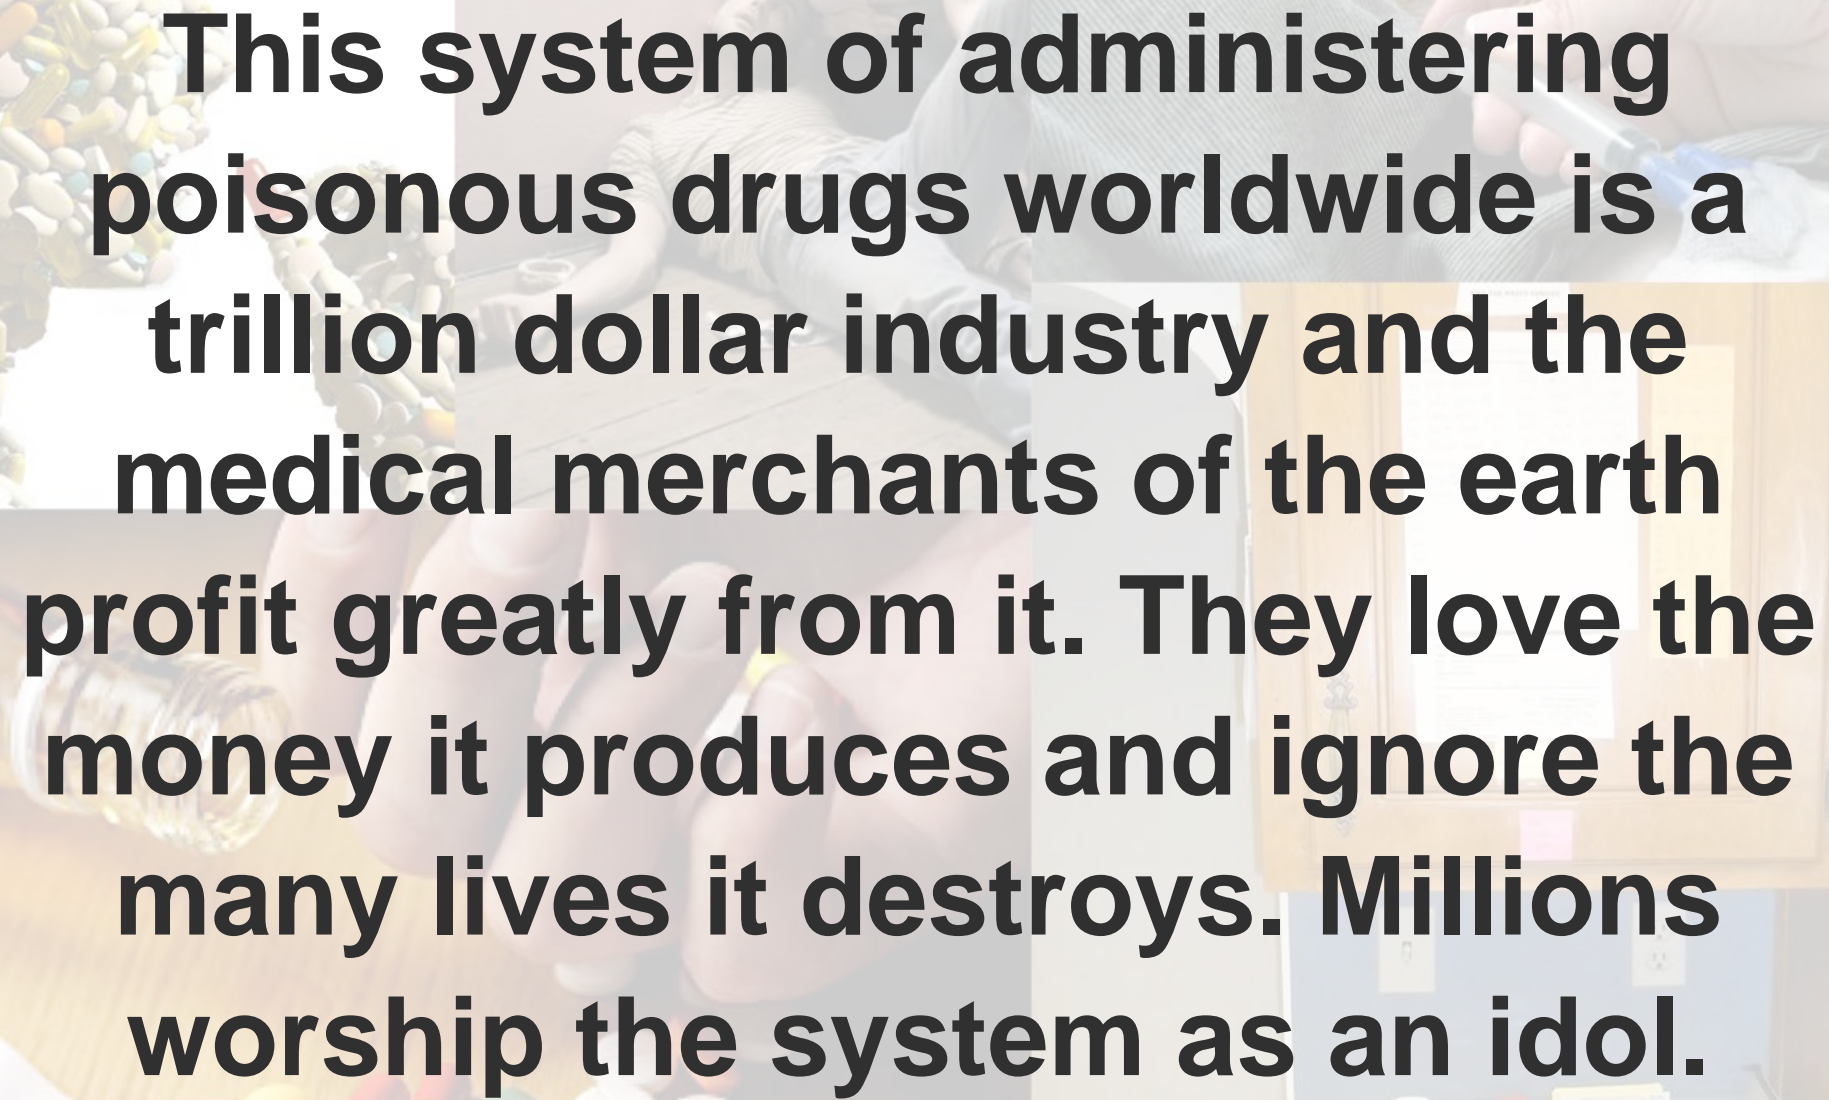

# **PHARMAKEIA: The Deception (Continued)**

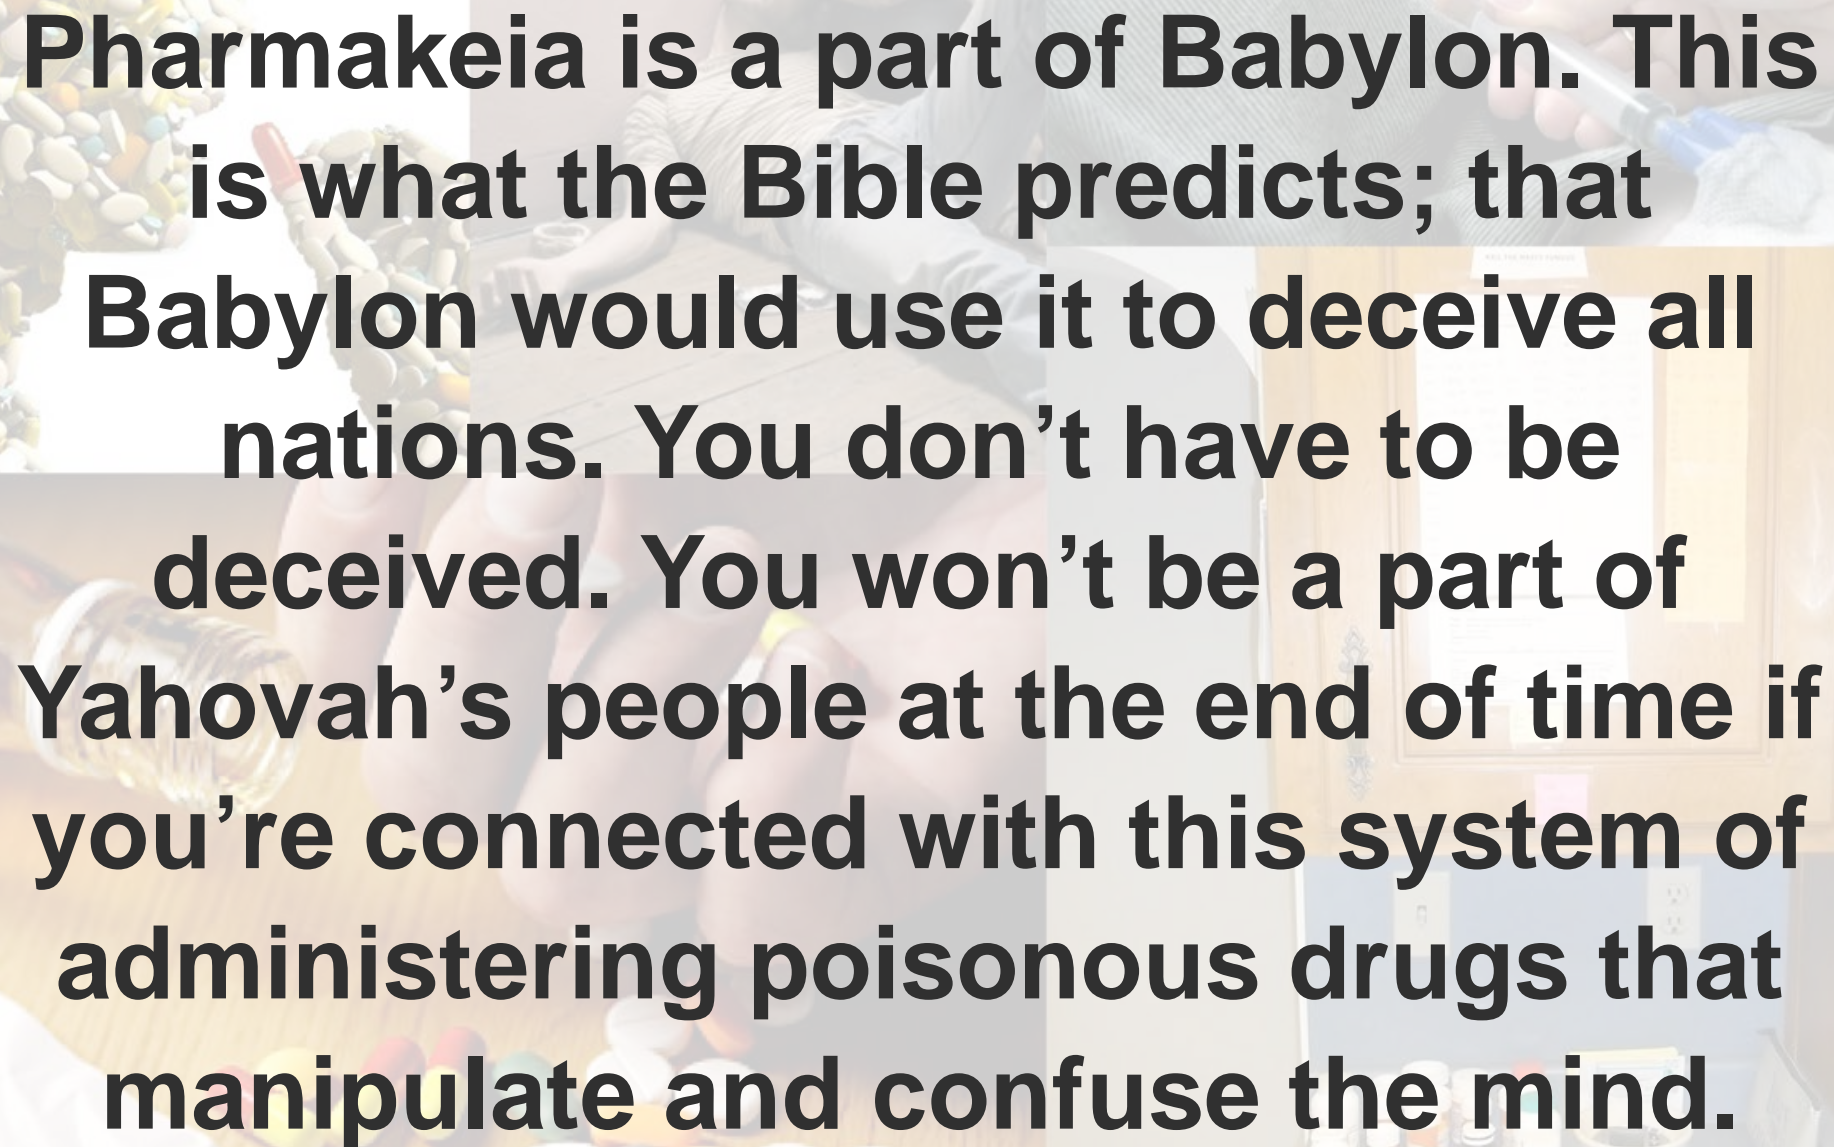

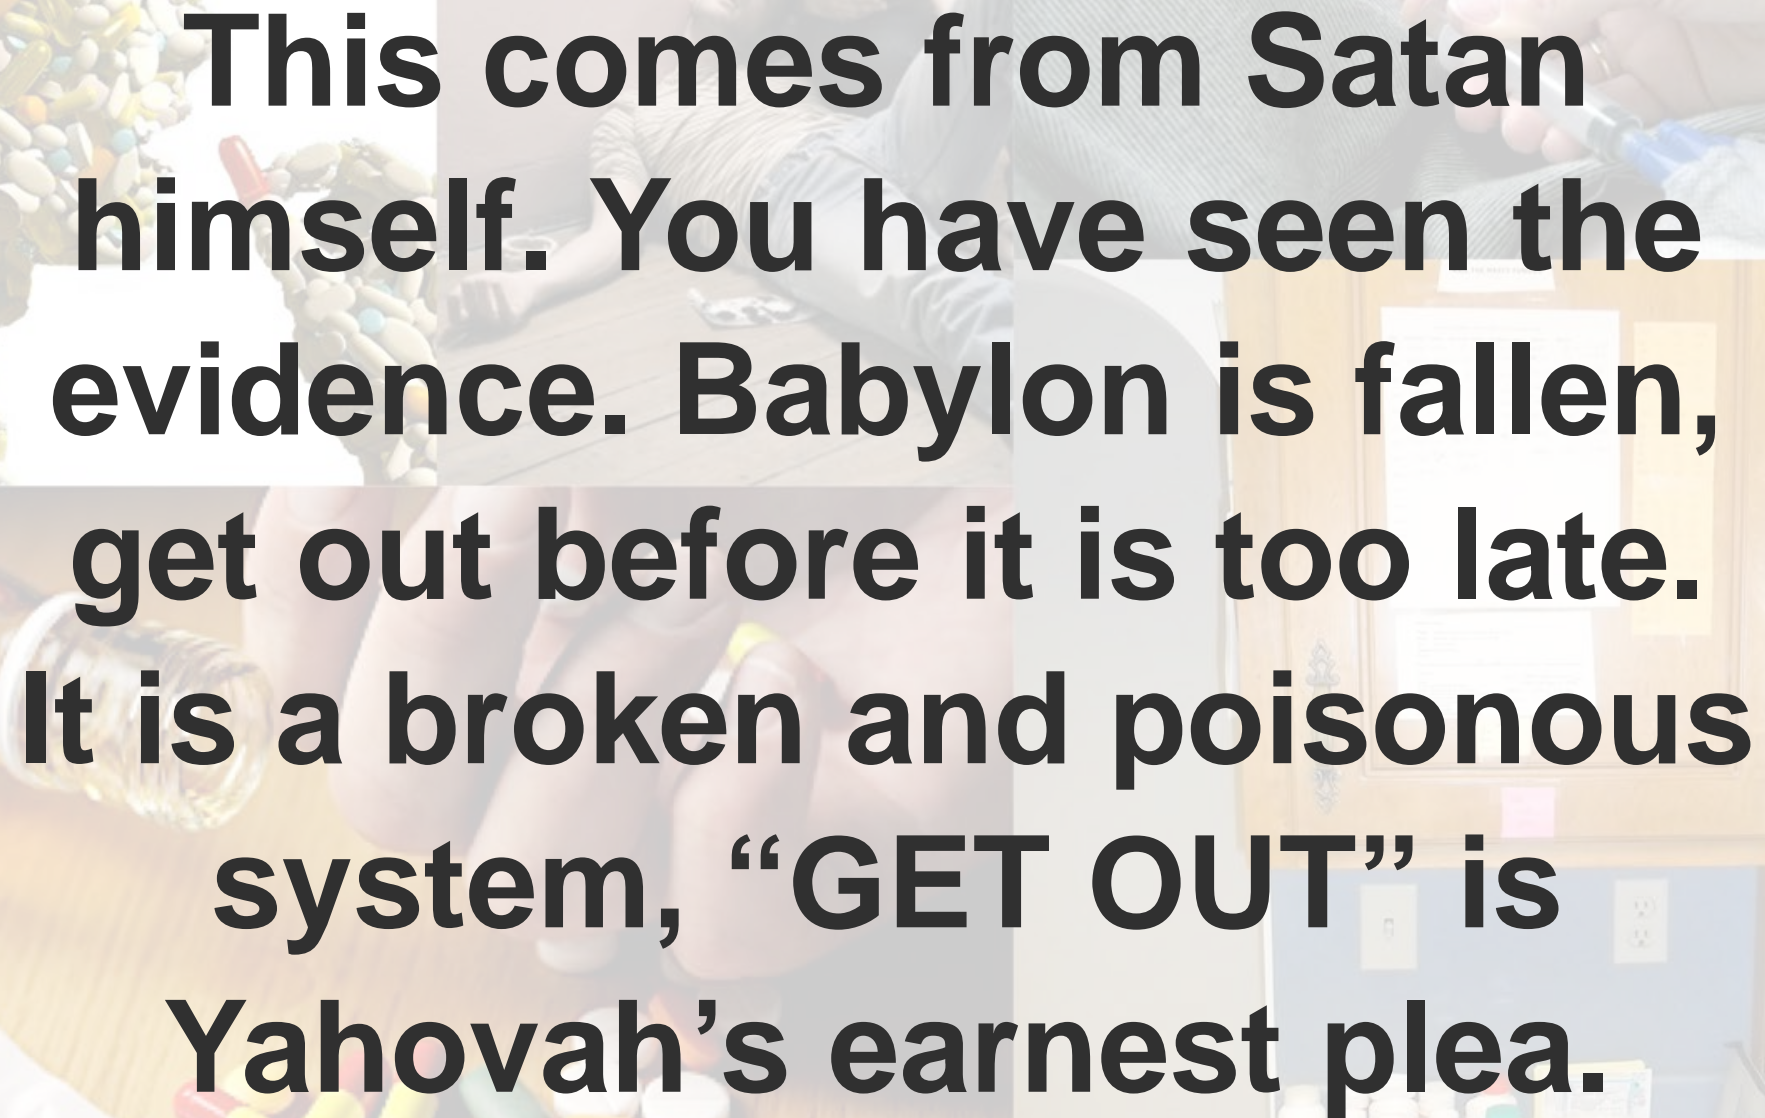

**This system of administering  
poisonous drugs worldwide is a  
trillion dollar industry and the  
medical merchants of the earth  
profit greatly from it. They love the  
money it produces and ignore the  
many lives it destroys. Millions  
worship the system as an idol.**

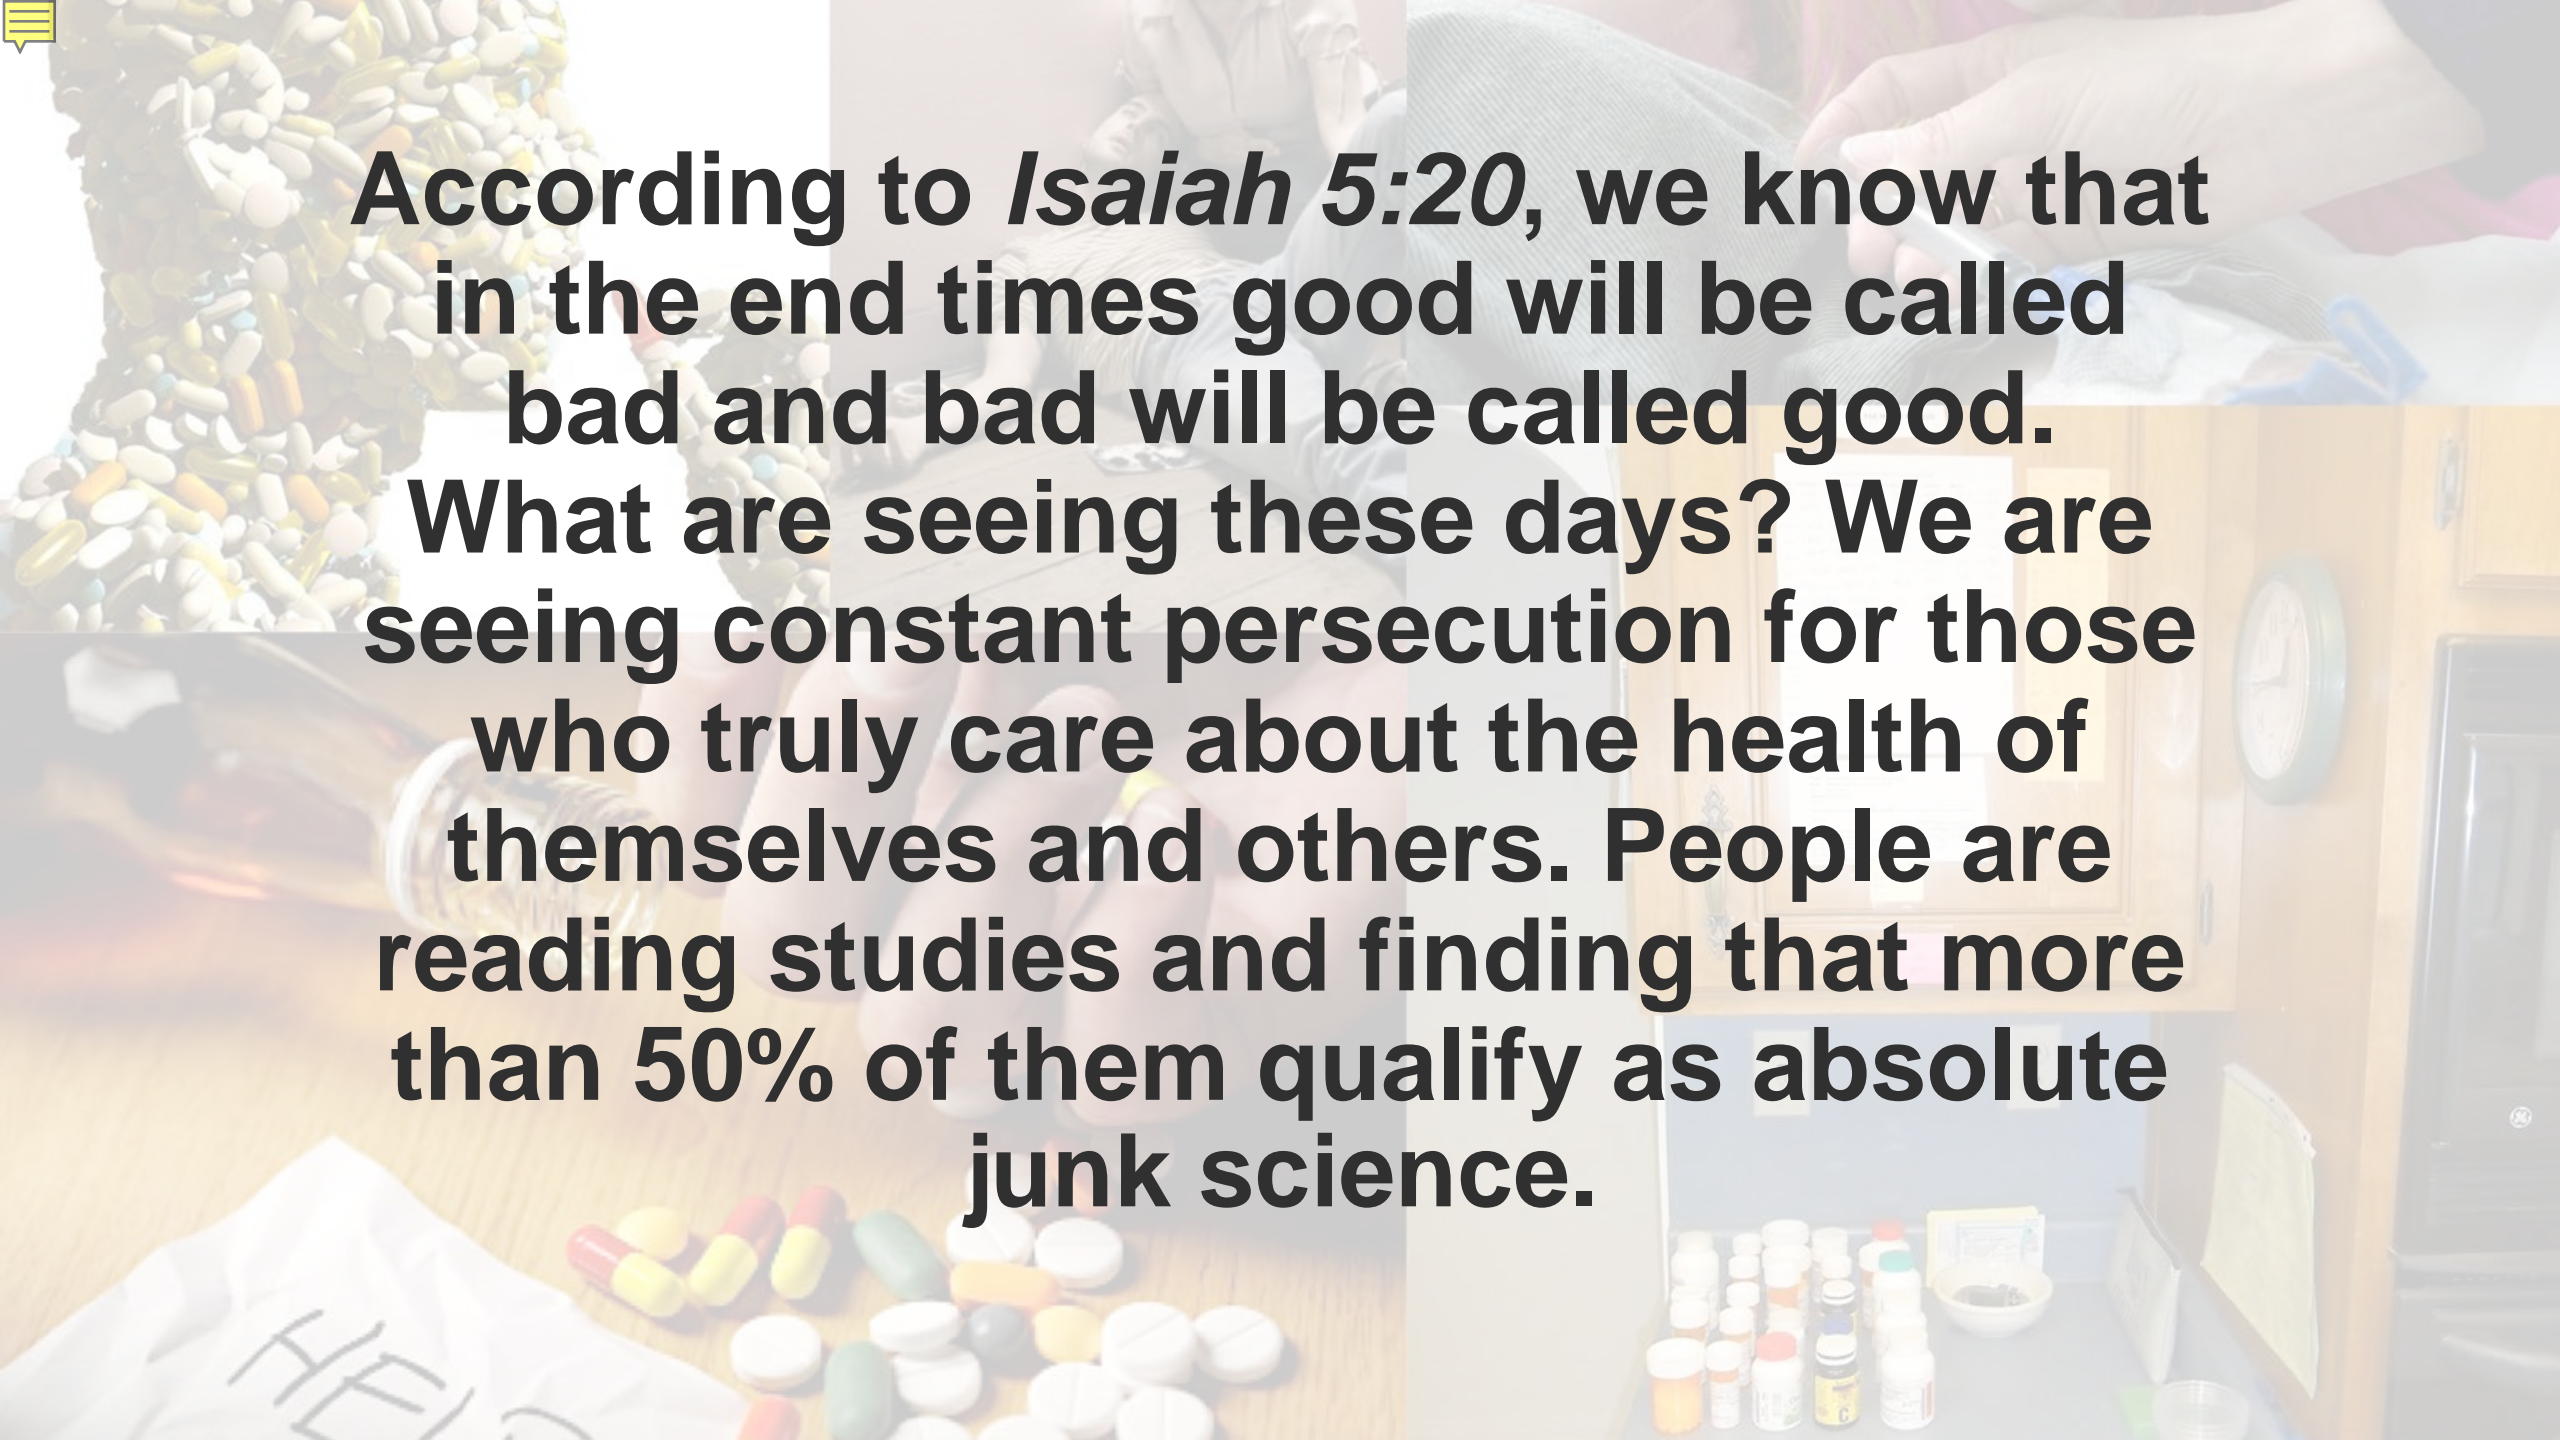

**Pharmakeia is a part of Babylon. This is what the Bible predicts; that Babylon would use it to deceive all nations. You don't have to be deceived. You won't be a part of Yahovah's people at the end of time if you're connected with this system of administering poisonous drugs that manipulate and confuse the mind.**

**This comes from Satan himself. You have seen the evidence. Babylon is fallen, get out before it is too late. It is a broken and poisonous system, “GET OUT” is Yahovah’s earnest plea.**

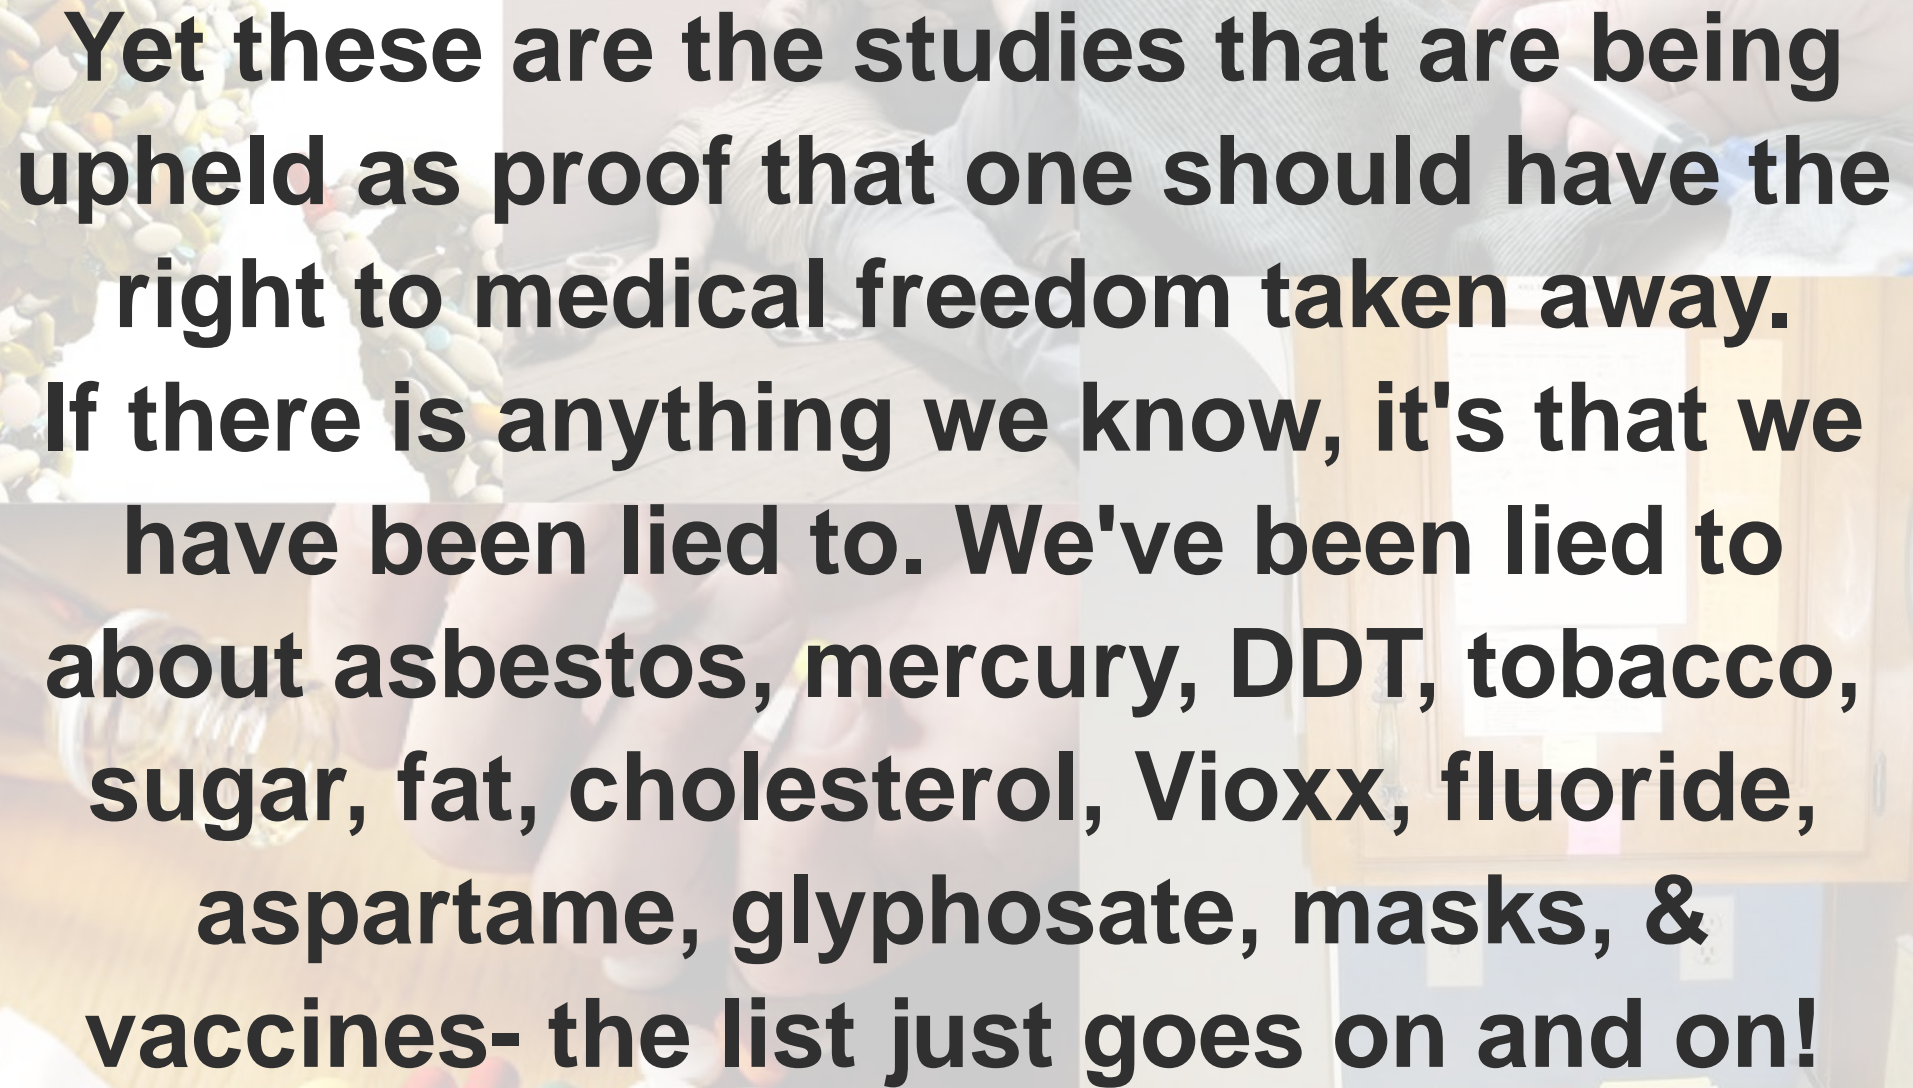

**According to *Isaiah 5:20*, we know that in the end times good will be called bad and bad will be called good.**

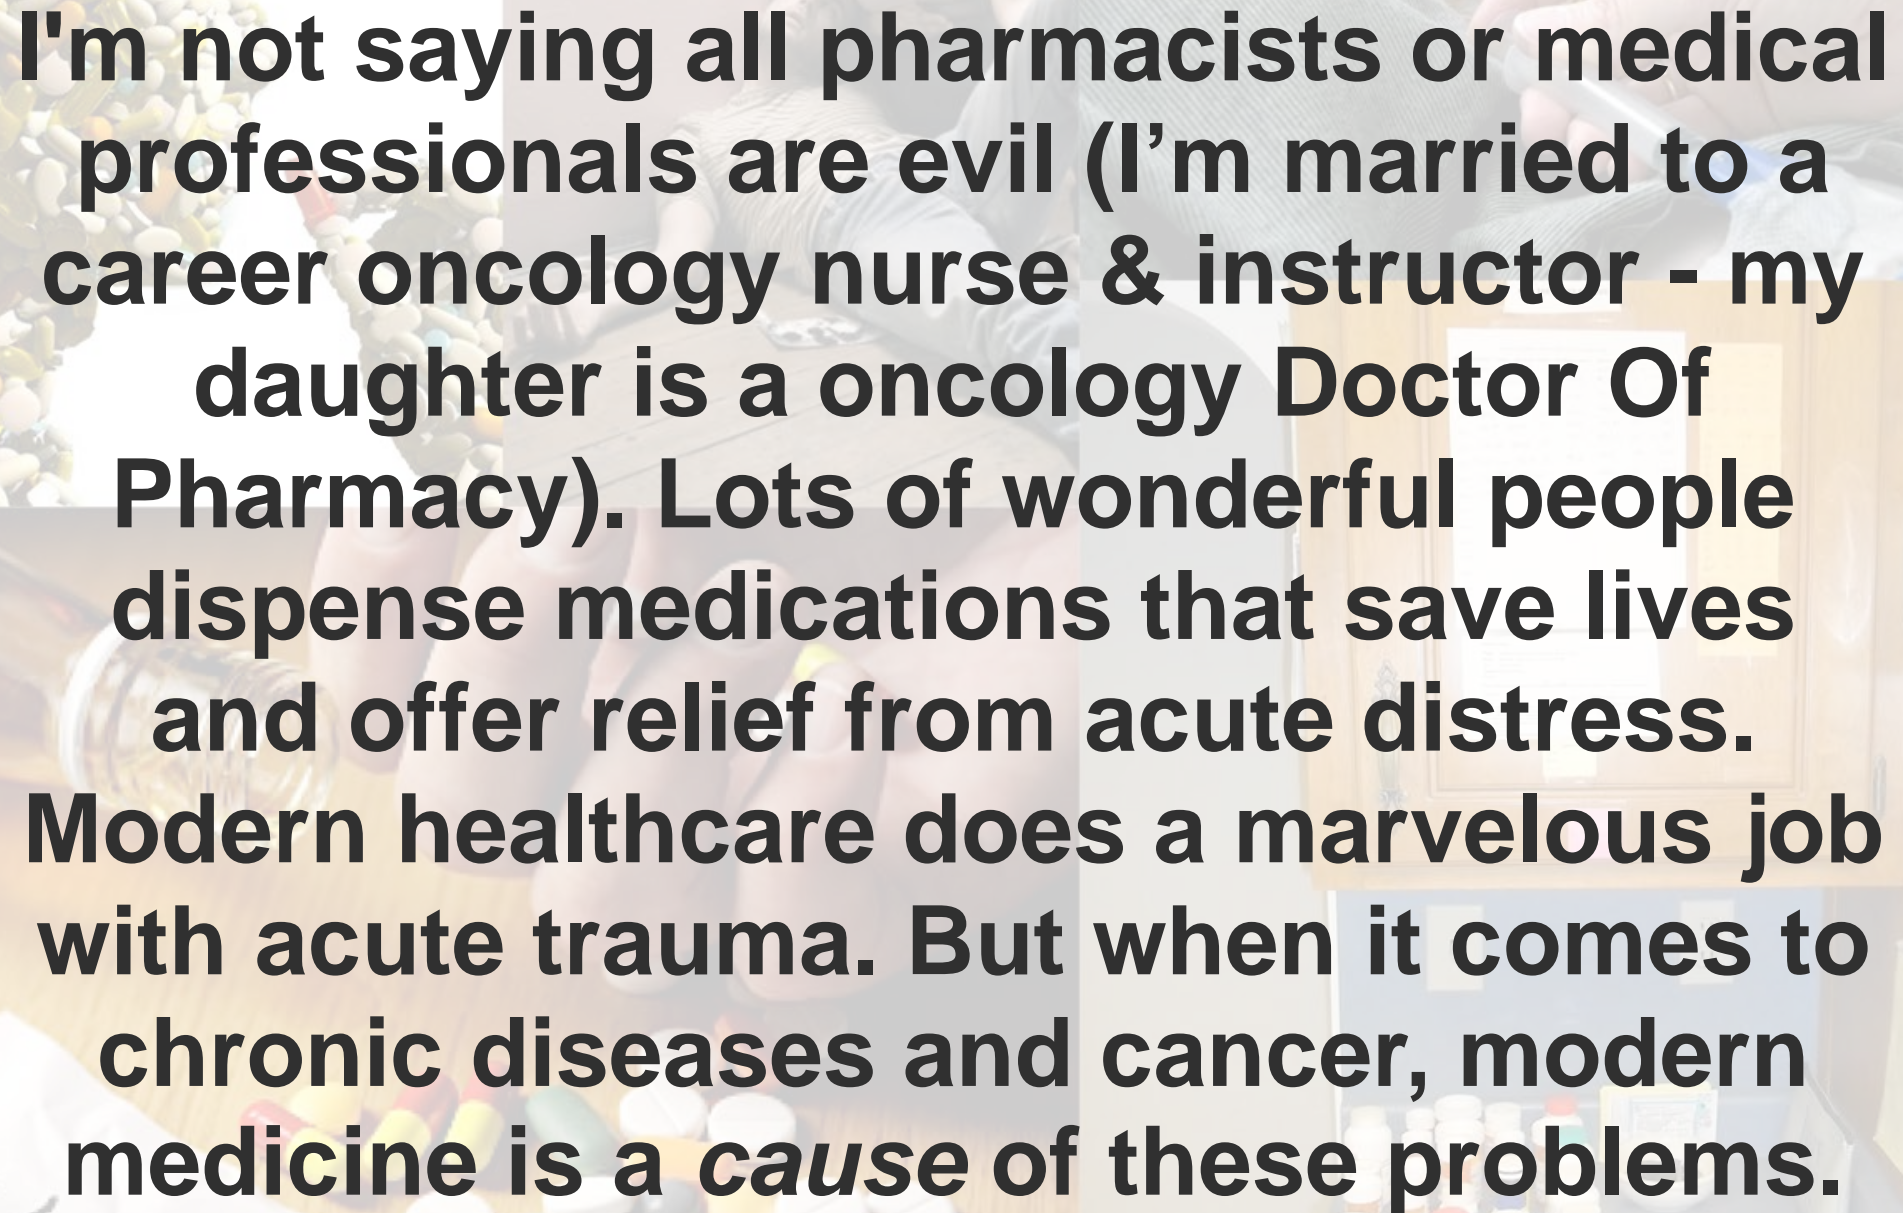

**What are seeing these days? We are seeing constant persecution for those who truly care about the health of themselves and others. People are reading studies and finding that more than 50% of them qualify as absolute junk science.**

**Yet these are the studies that are being upheld as proof that one should have the right to medical freedom taken away. If there is anything we know, it's that we have been lied to. We've been lied to about asbestos, mercury, DDT, tobacco, sugar, fat, cholesterol, Vioxx, fluoride, aspartame, glyphosate, masks, & vaccines- the list just goes on and on!**

**I'm not saying all pharmacists or medical professionals are evil (I'm married to a career oncology nurse & instructor - my daughter is a oncology Doctor Of Pharmacy). Lots of wonderful people dispense medications that save lives and offer relief from acute distress. Modern healthcare does a marvelous job with acute trauma. But when it comes to chronic diseases and cancer, modern medicine is a *cause* of these problems.**

The background is a collage of four images: top-left shows a large pile of various colored pills; top-right shows a person lying down with their hand on their forehead; middle-right shows a hand holding a syringe; bottom shows a hand holding a pill bottle with pills spilling out onto a wooden surface. A white paper with the word 'HELP' is visible in the bottom-left corner.

# **Follow the (Pharmakeia) Money**

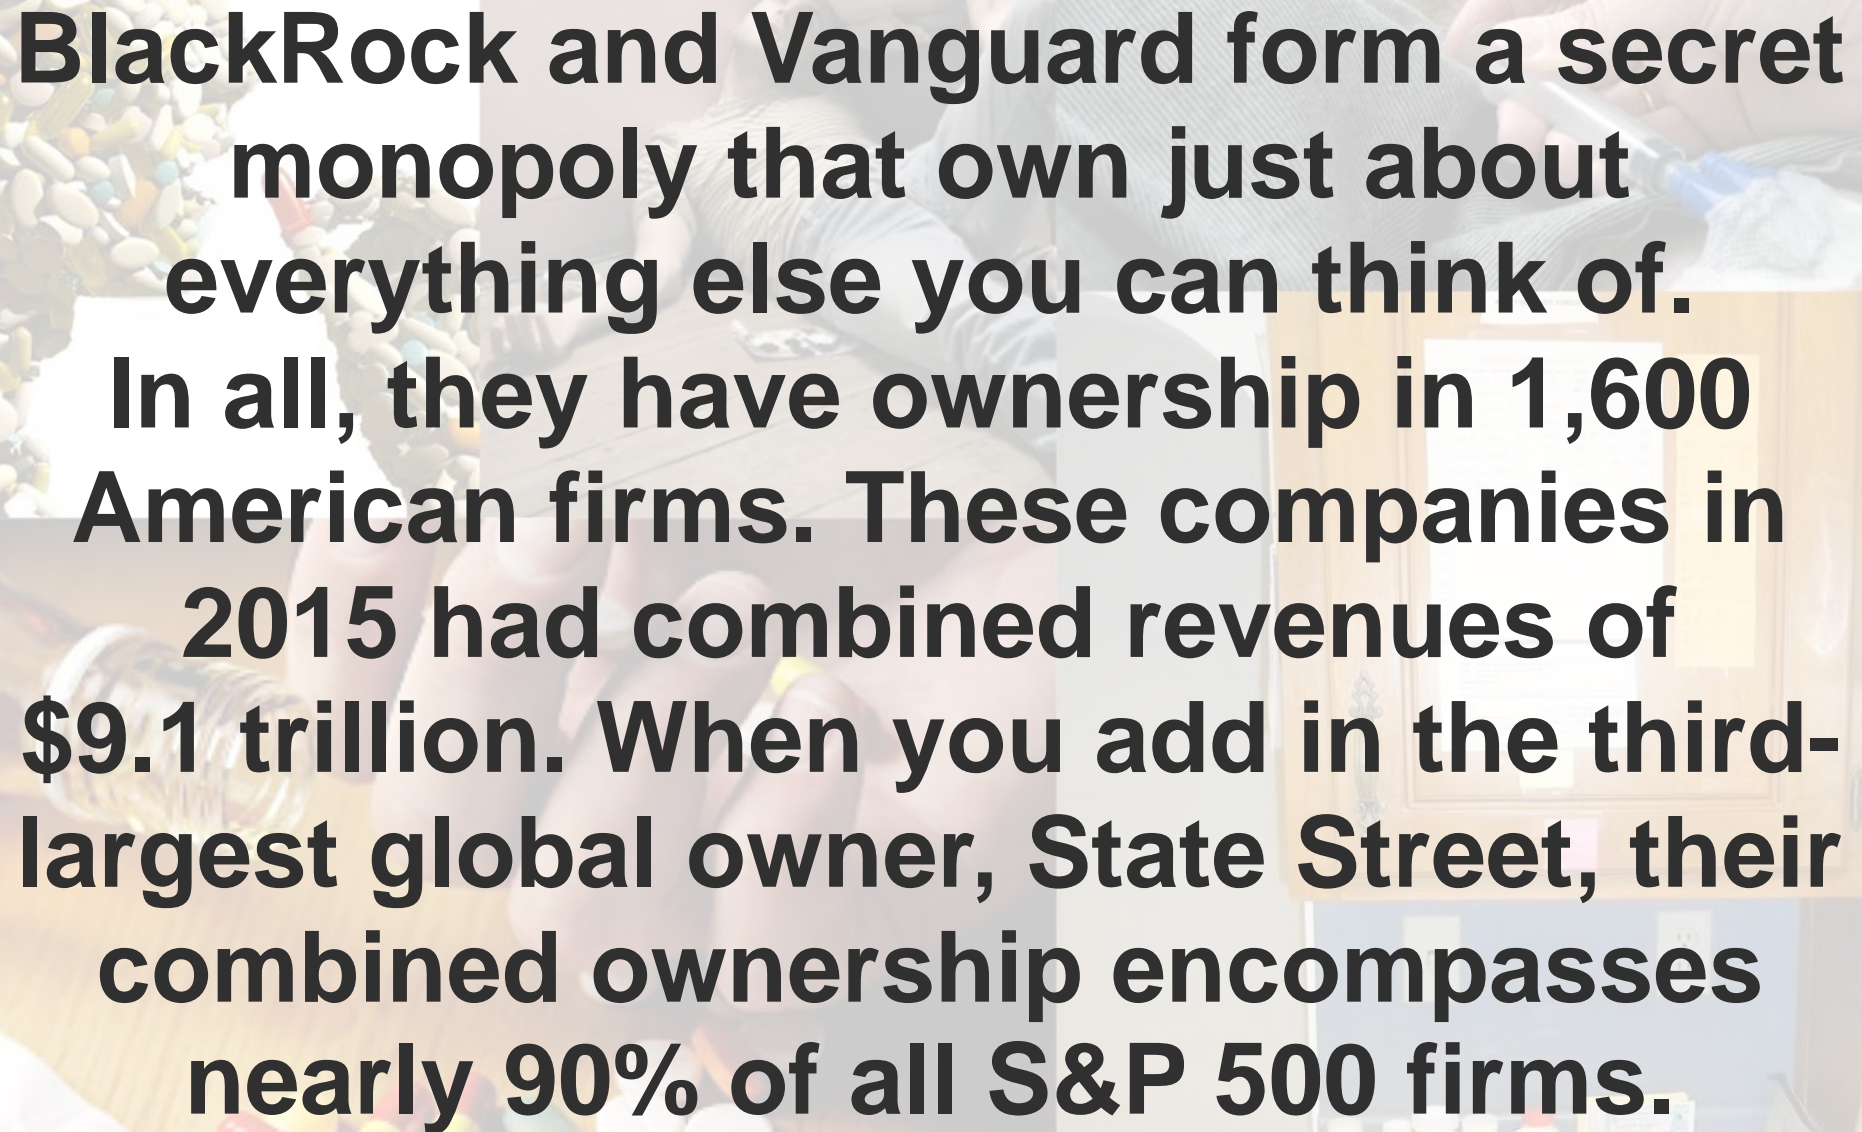

**Big Pharma and mainstream media are largely owned by two asset management firms: BlackRock and Vanguard.**

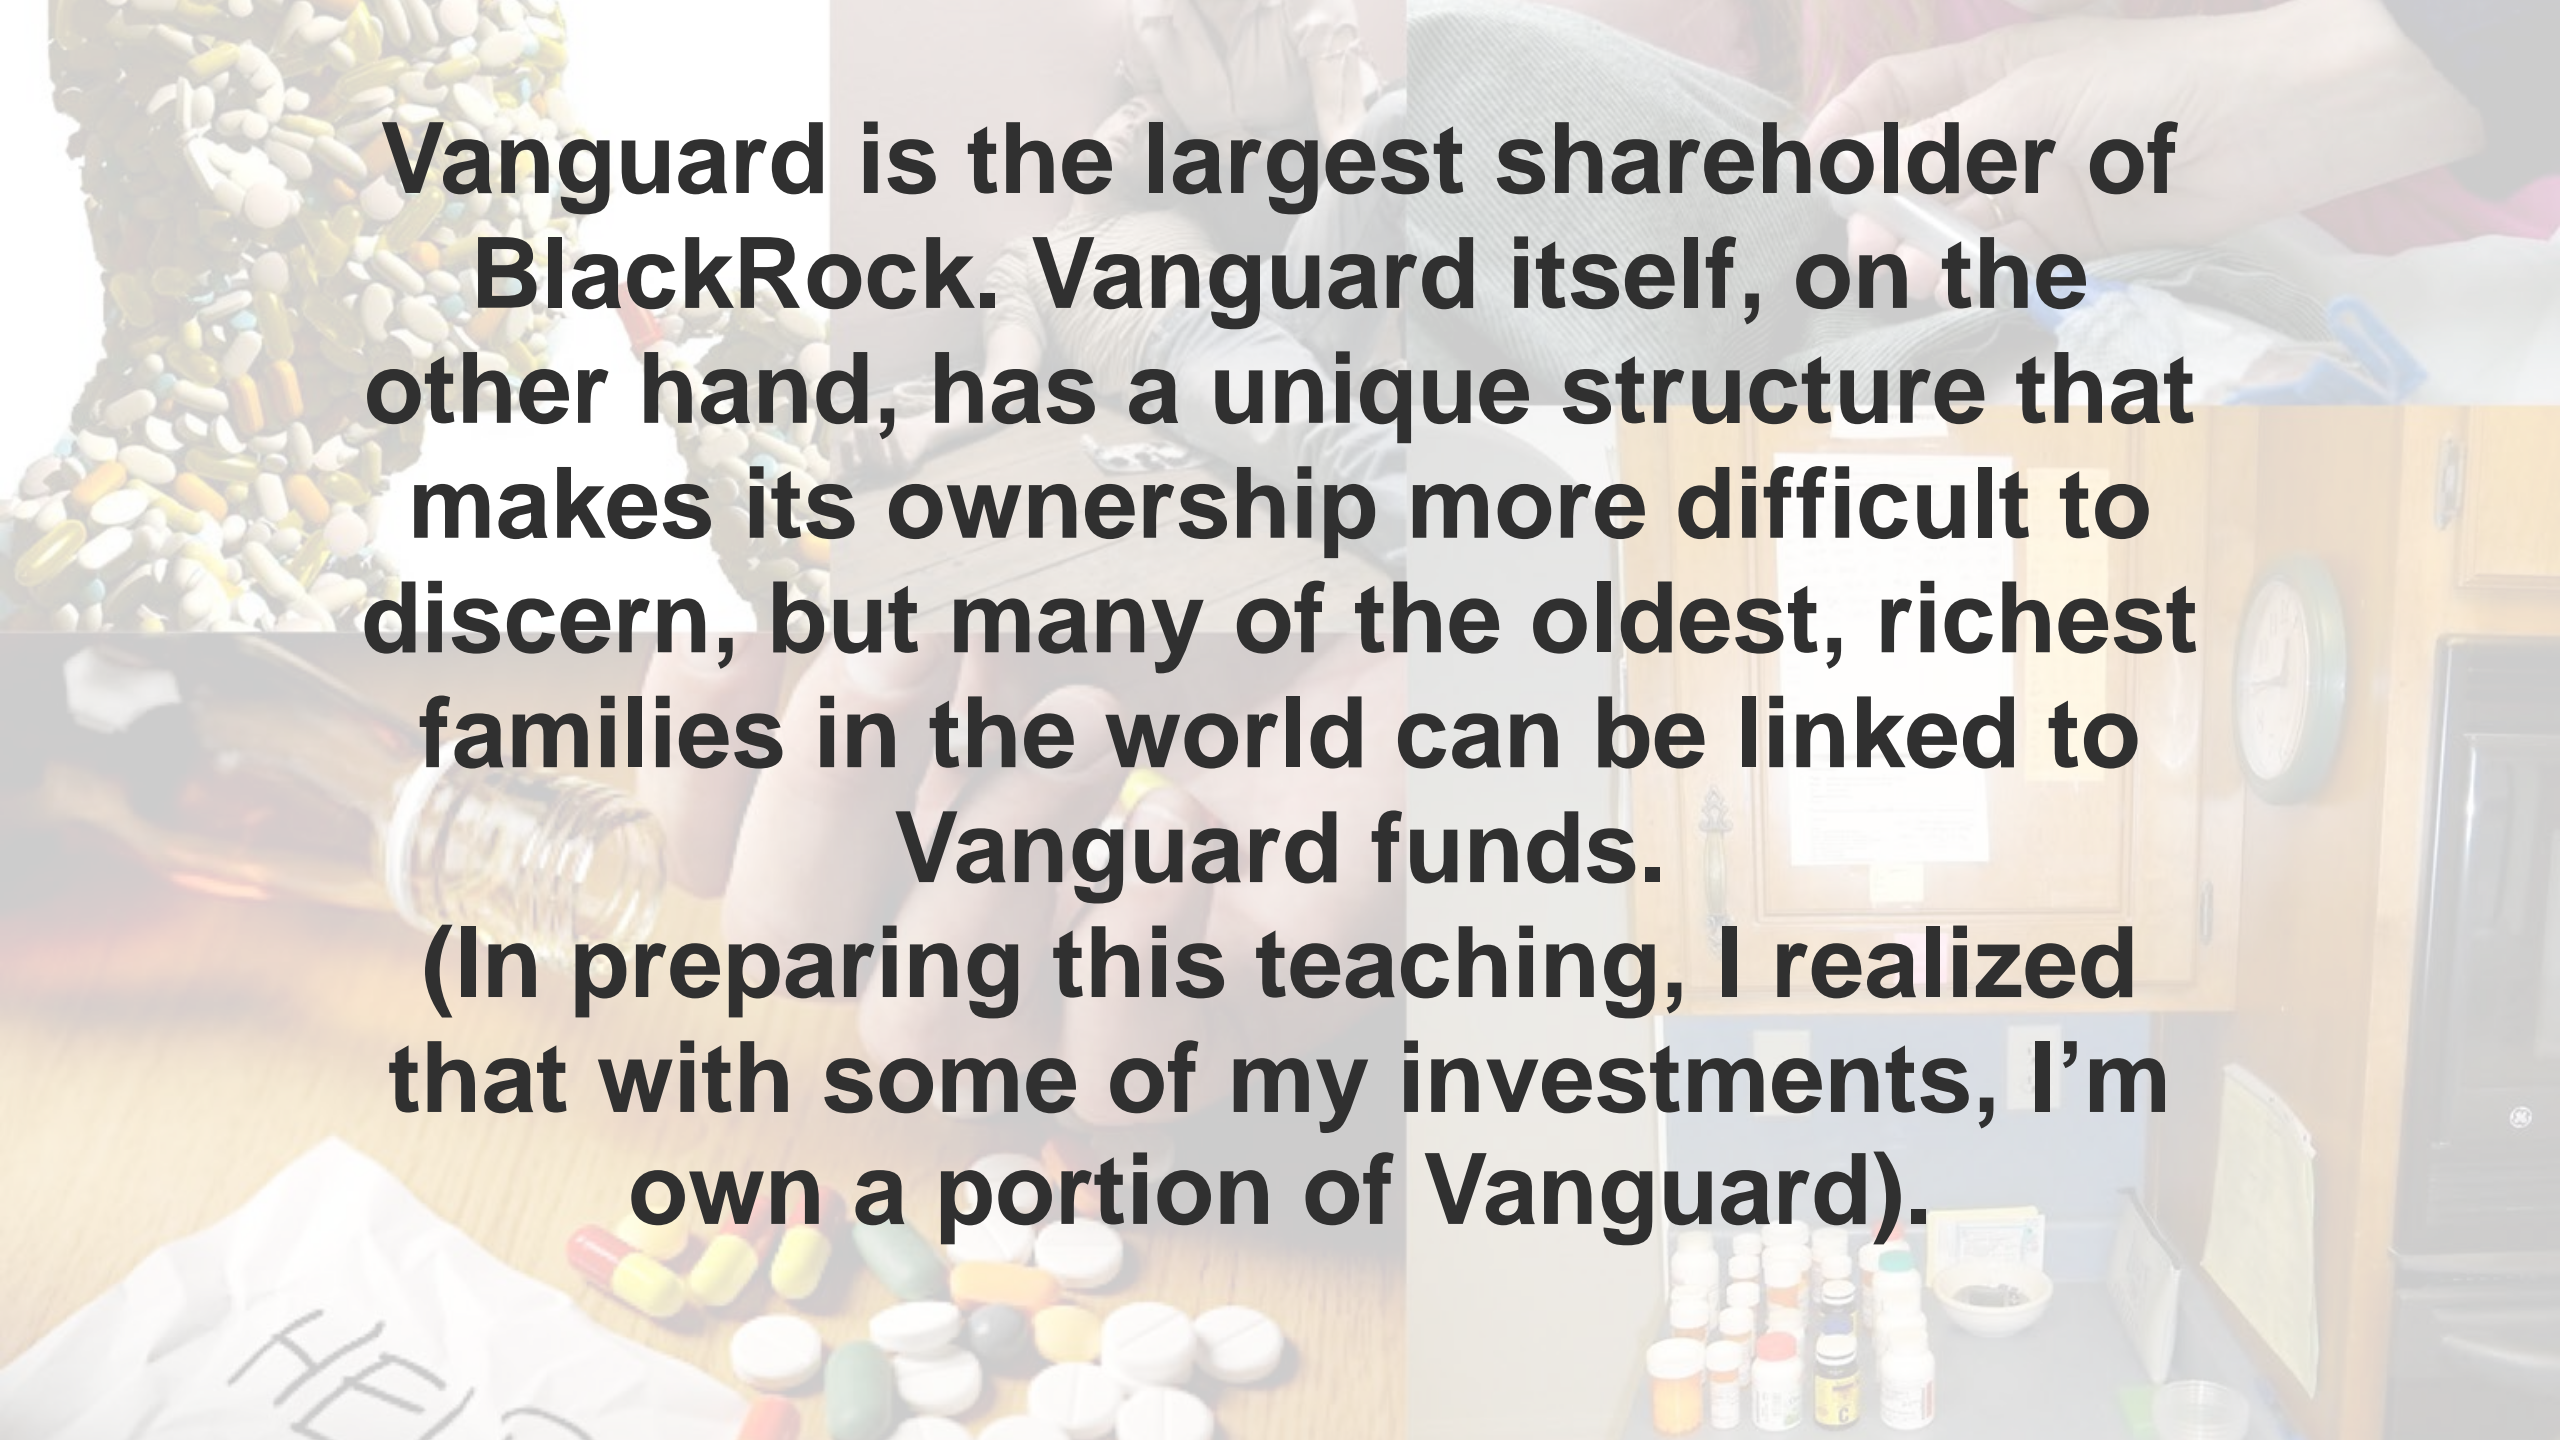

**Vanguard and BlackRock are the top two owners of Time Warner, Comcast, Disney and News Corp (four of the six media companies that control more than 90% of the U.S. media landscape). They also own portions of The New York Times, Microsoft, Apple, Amazon, Facebook and Alphabet (Google) Inc.**

**BlackRock and Vanguard form a secret monopoly that own just about everything else you can think of. In all, they have ownership in 1,600 American firms. These companies in 2015 had combined revenues of \$9.1 trillion. When you add in the third-largest global owner, State Street, their combined ownership encompasses nearly 90% of all S&P 500 firms.**

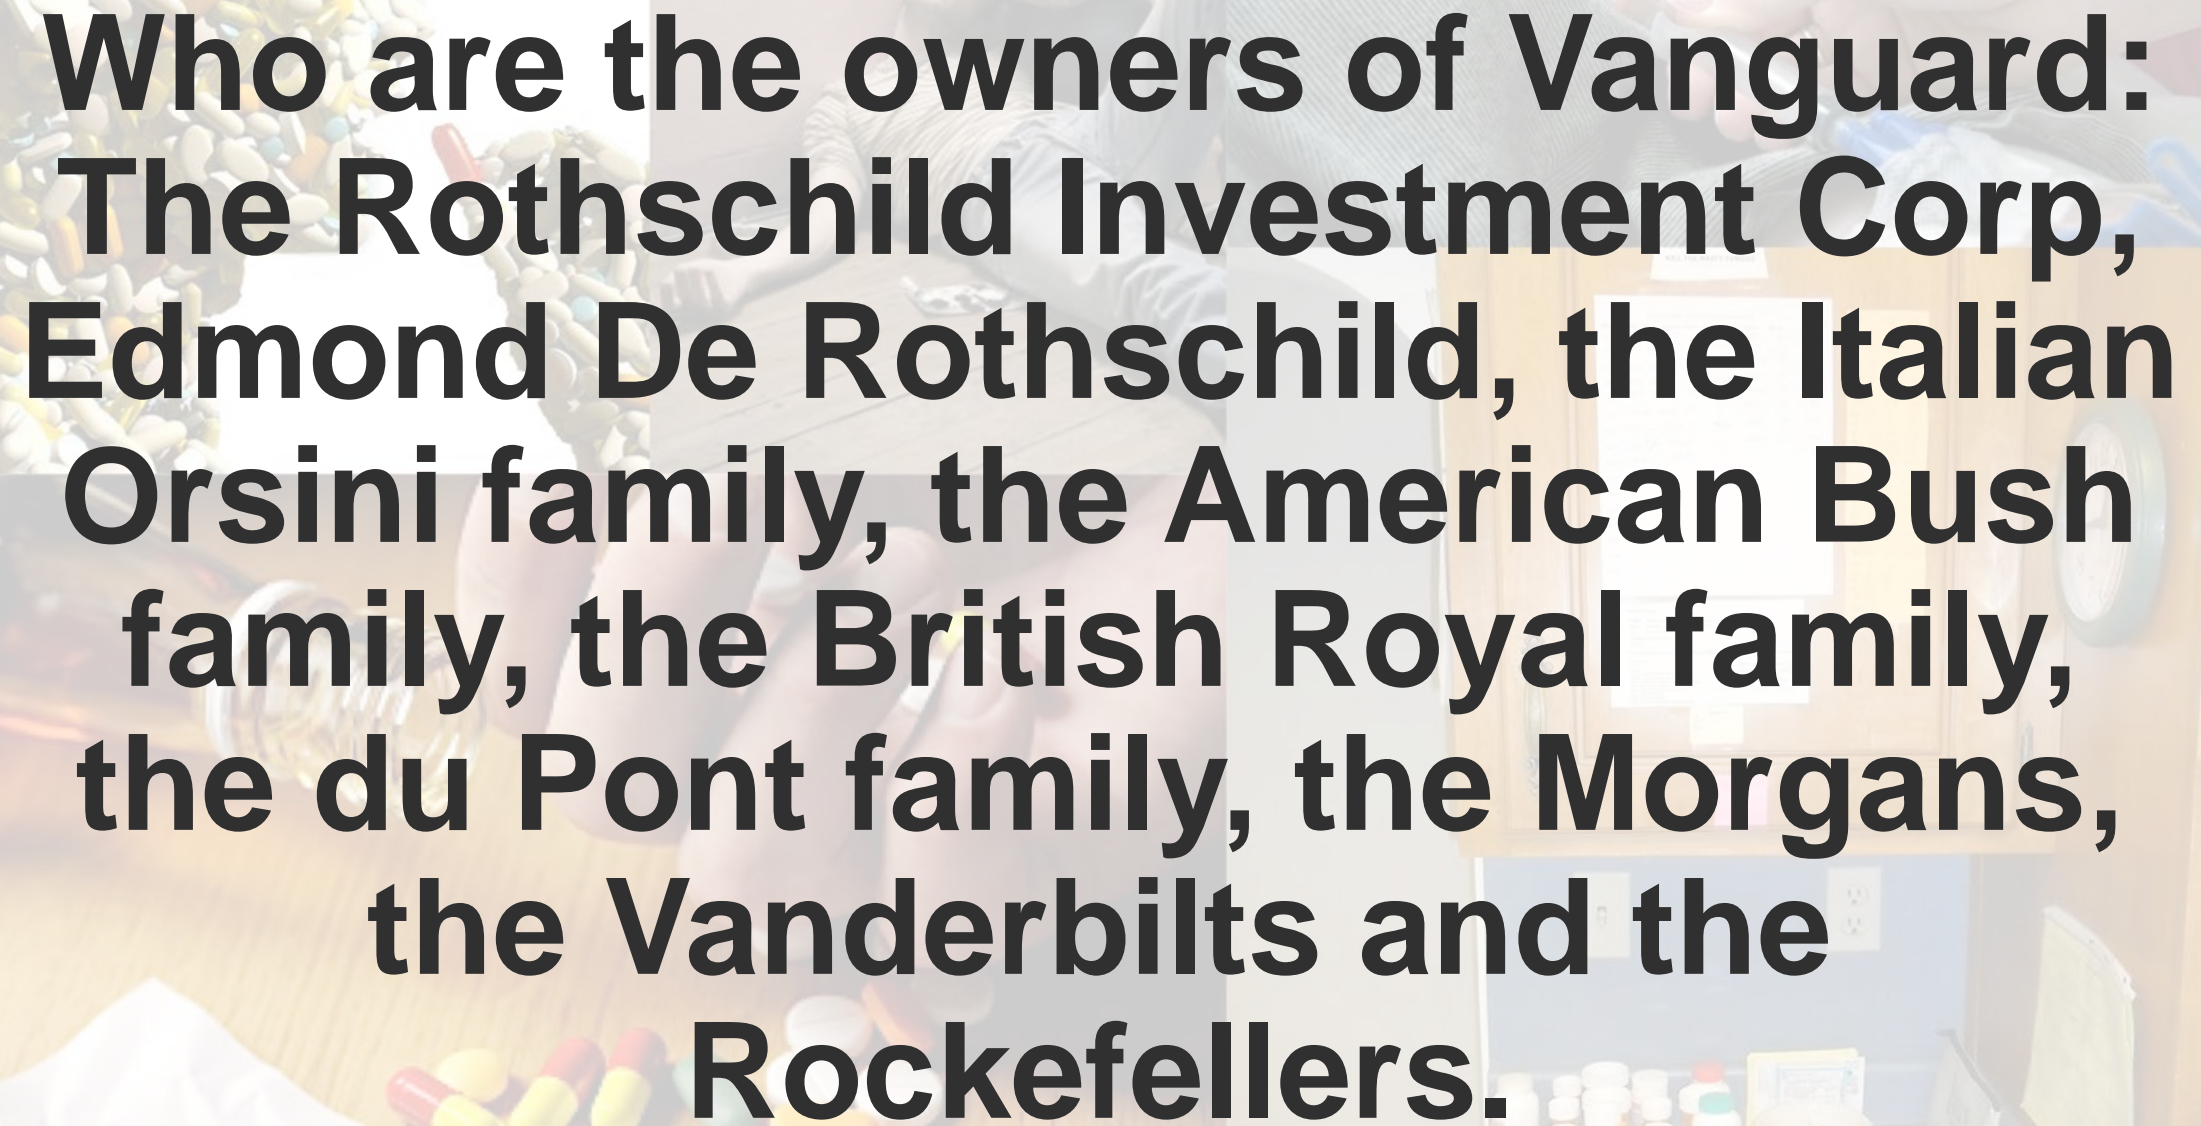

**Vanguard is the largest shareholder of BlackRock. Vanguard itself, on the other hand, has a unique structure that makes its ownership more difficult to discern, but many of the oldest, richest families in the world can be linked to Vanguard funds.**

**(In preparing this teaching, I realized that with some of my investments, I'm own a portion of Vanguard).**

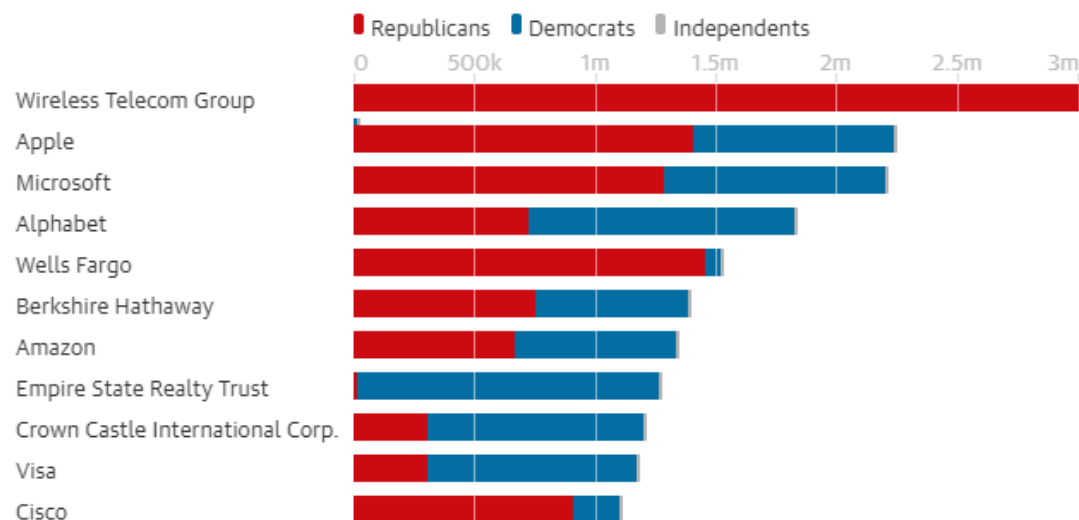

**Who are the owners of Vanguard:  
The Rothschild Investment Corp,  
Edmond De Rothschild, the Italian  
Orsini family, the American Bush  
family, the British Royal family,  
the du Pont family, the Morgans,  
the Vanderbilts and the  
Rockefellers.**

# This is why your doctor gets aggressive.

@FREEDOM-M

Blue Cross Blue Shield pays your doctor a \$40,000 bonus for fully vaccinating 100 patients under the age of 2. If your doctor manages to fully vaccinate 200 patients, that bonus jumps to \$80,000.

But here's the catch: Under Blue Cross Blue Shield's rules, pediatricians **lose the whole bonus** unless at least 63% of patients are fully vaccinated, and that includes the flu vaccine. So it's not just \$400 on your child's head—it could be the whole bonus. To your doctor, your decision to vaccinate your child might be worth \$40,000, or much more, depending on the size of his or her practice.

**AWAKEN**  
TO OUR AWFUL SITUATION

**This week it was revealed that while Americans were facing life-and-death (Covid) threats, the federal government was paying news outlets \$1 billion to promote the experimental shots. "These outlets were collectively responsible for publishing countless articles and video segments regarding the vaccine that were nearly uniformly positive about the vaccine in terms of both its efficacy and safety. People have been injured and died as a result of the most extensive propaganda campaign in U.S. history and it was paid for with our taxpayer dollars."**

# Pharmakeia And Conspiracy Theories?

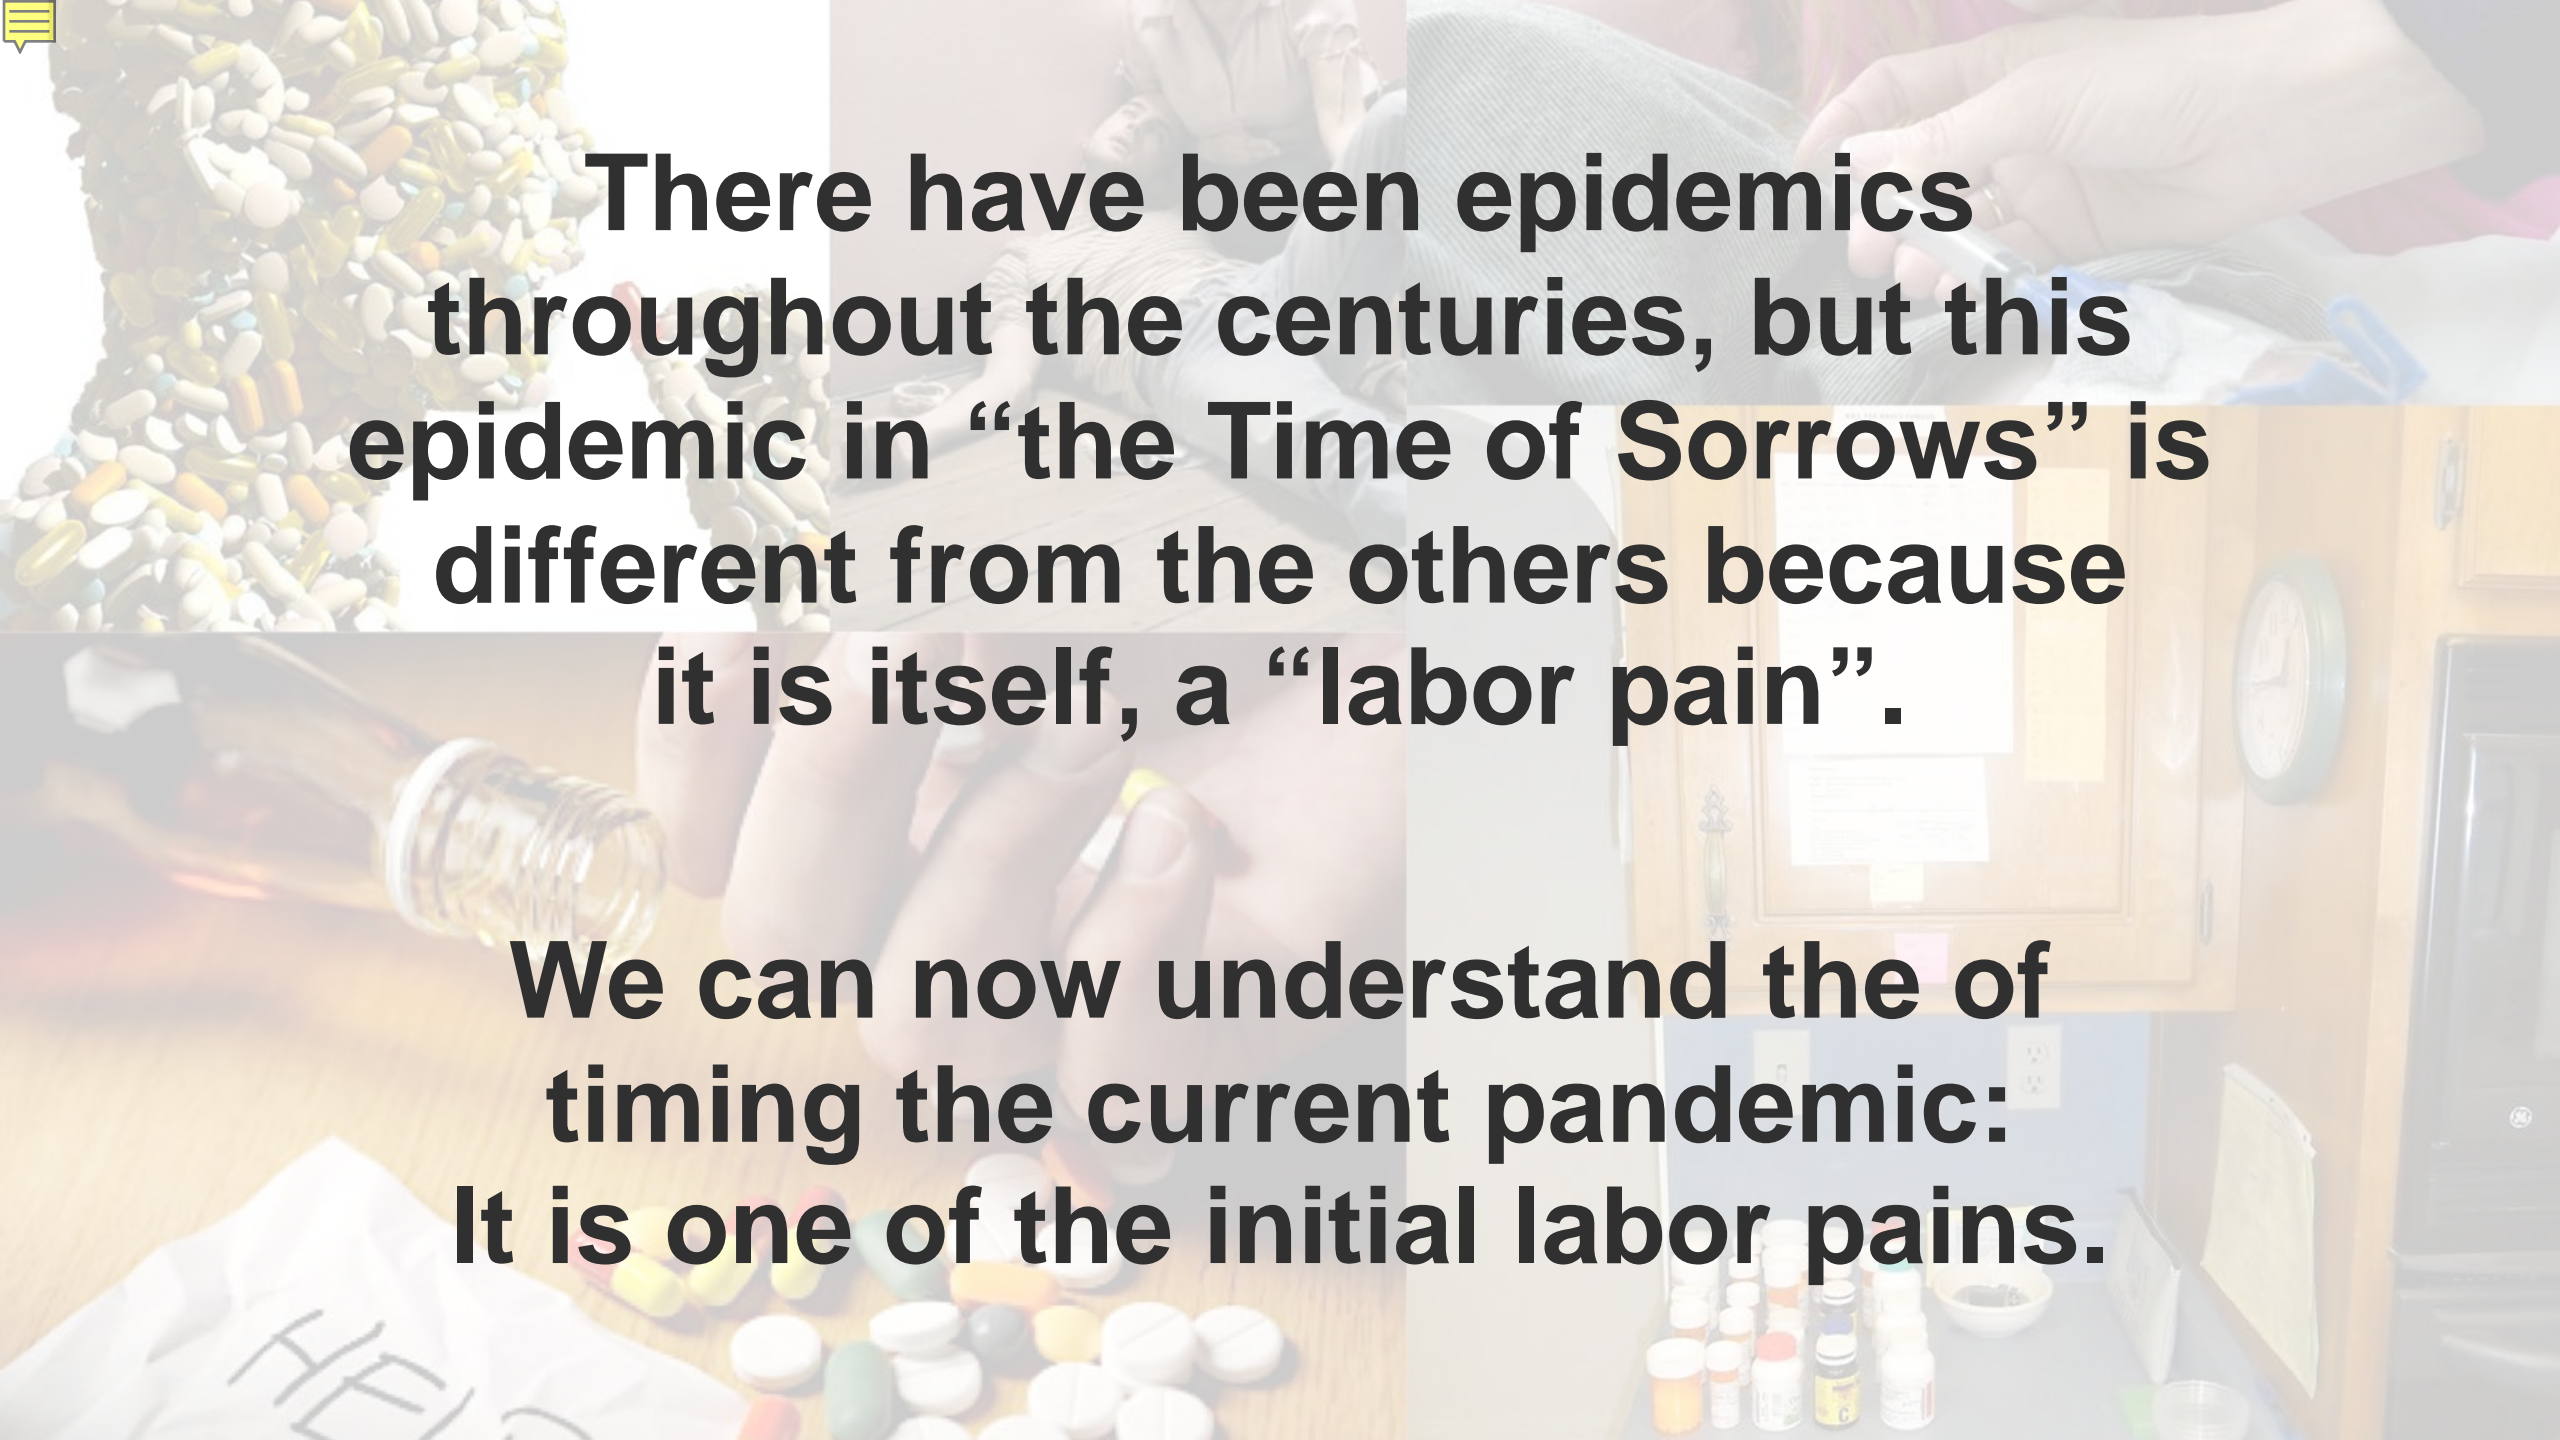

## THE BEGINNING OF SORROWS

*Matthew 24:6-8*

Yeshua makes the following statement:

***“<sup>6</sup> You’re going to hear about wars, actual wars and rumoured ones; make sure you don’t get alarmed. This has got to happen, but it doesn’t mean the end is coming yet. <sup>7</sup>For nation will rise against nation, and kingdom against kingdom. And there will be famines, pestilences, and earthquakes in various places. <sup>8</sup>All these are the beginning of sorrows.”***

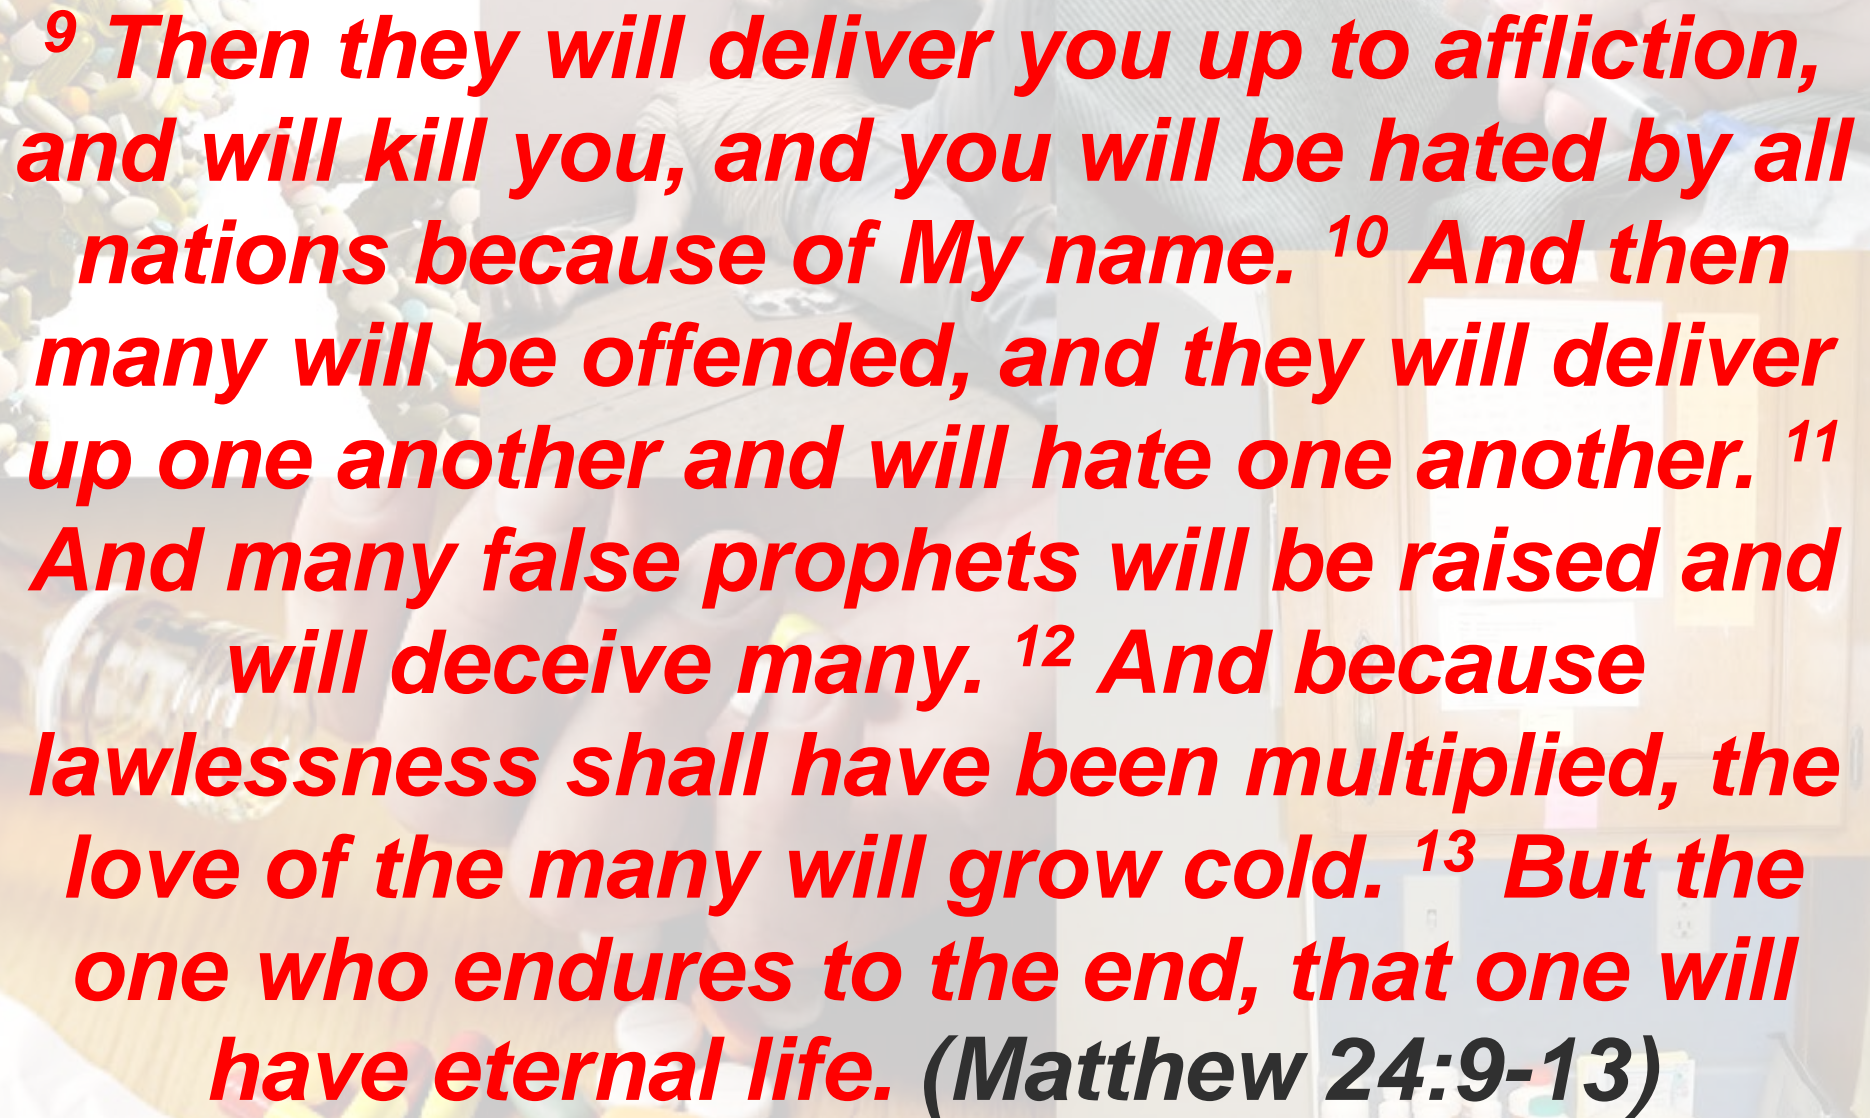

**There have been epidemics throughout the centuries, but this epidemic in “the Time of Sorrows” is different from the others because it is itself, a “labor pain”.**

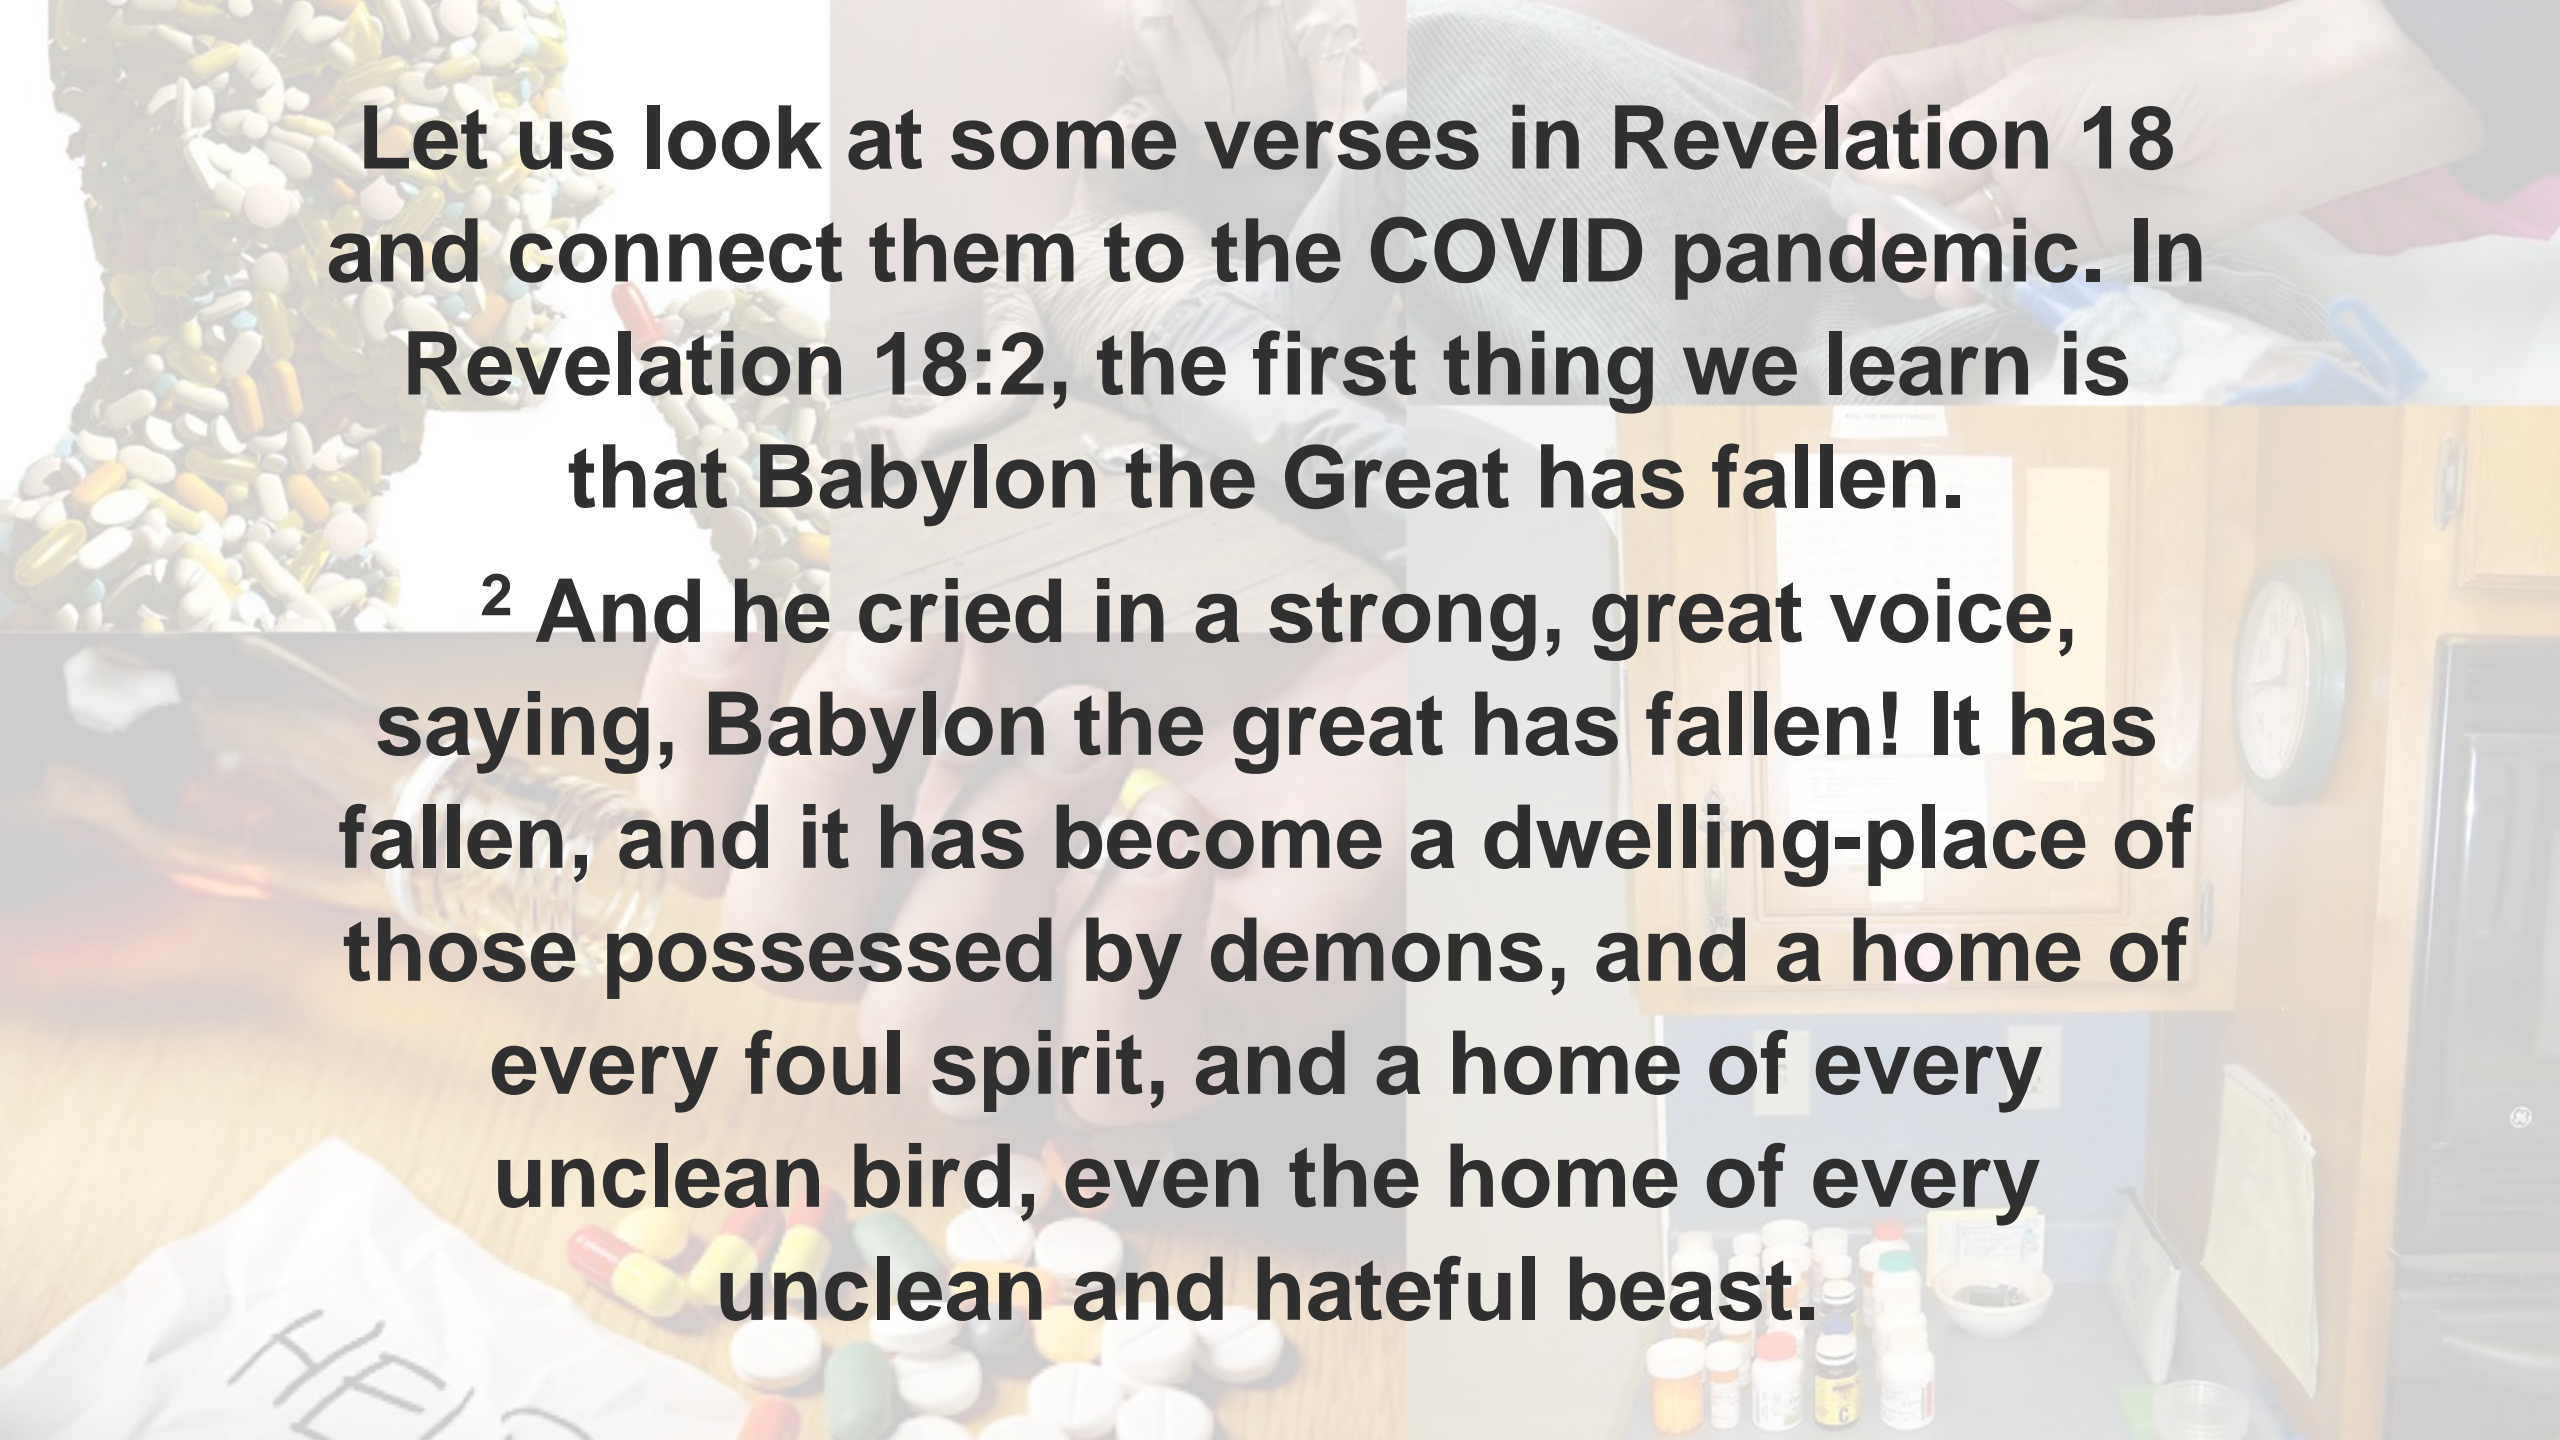

**We can now understand the of timing the current pandemic: It is one of the initial labor pains.**

***<sup>9</sup> Then they will deliver you up to affliction, and will kill you, and you will be hated by all nations because of My name. <sup>10</sup> And then many will be offended, and they will deliver up one another and will hate one another. <sup>11</sup> And many false prophets will be raised and will deceive many. <sup>12</sup> And because lawlessness shall have been multiplied, the love of the many will grow cold. <sup>13</sup> But the one who endures to the end, that one will have eternal life. (Matthew 24:9-13)***

**Let us look at some verses in Revelation 18 and connect them to the COVID pandemic. In Revelation 18:2, the first thing we learn is that Babylon the Great has fallen.**

**<sup>2</sup> And he cried in a strong, great voice, saying, Babylon the great has fallen! It has fallen, and it has become a dwelling-place of those possessed by demons, and a home of every foul spirit, and a home of every unclean bird, even the home of every unclean and hateful beast.**

**Then we read that their merchants were the  
great ones of the earth:**

**“for by your sorceries (pharmakeia) were all  
nations deceived! (*Revelation 18:23*)**

**Could this be a “hidden” hint pointing to  
Big Pharma?**

**Who is behind the push for the vaccines?**

**Who stands to make a fortune selling the  
vaccines to the entire global population?**

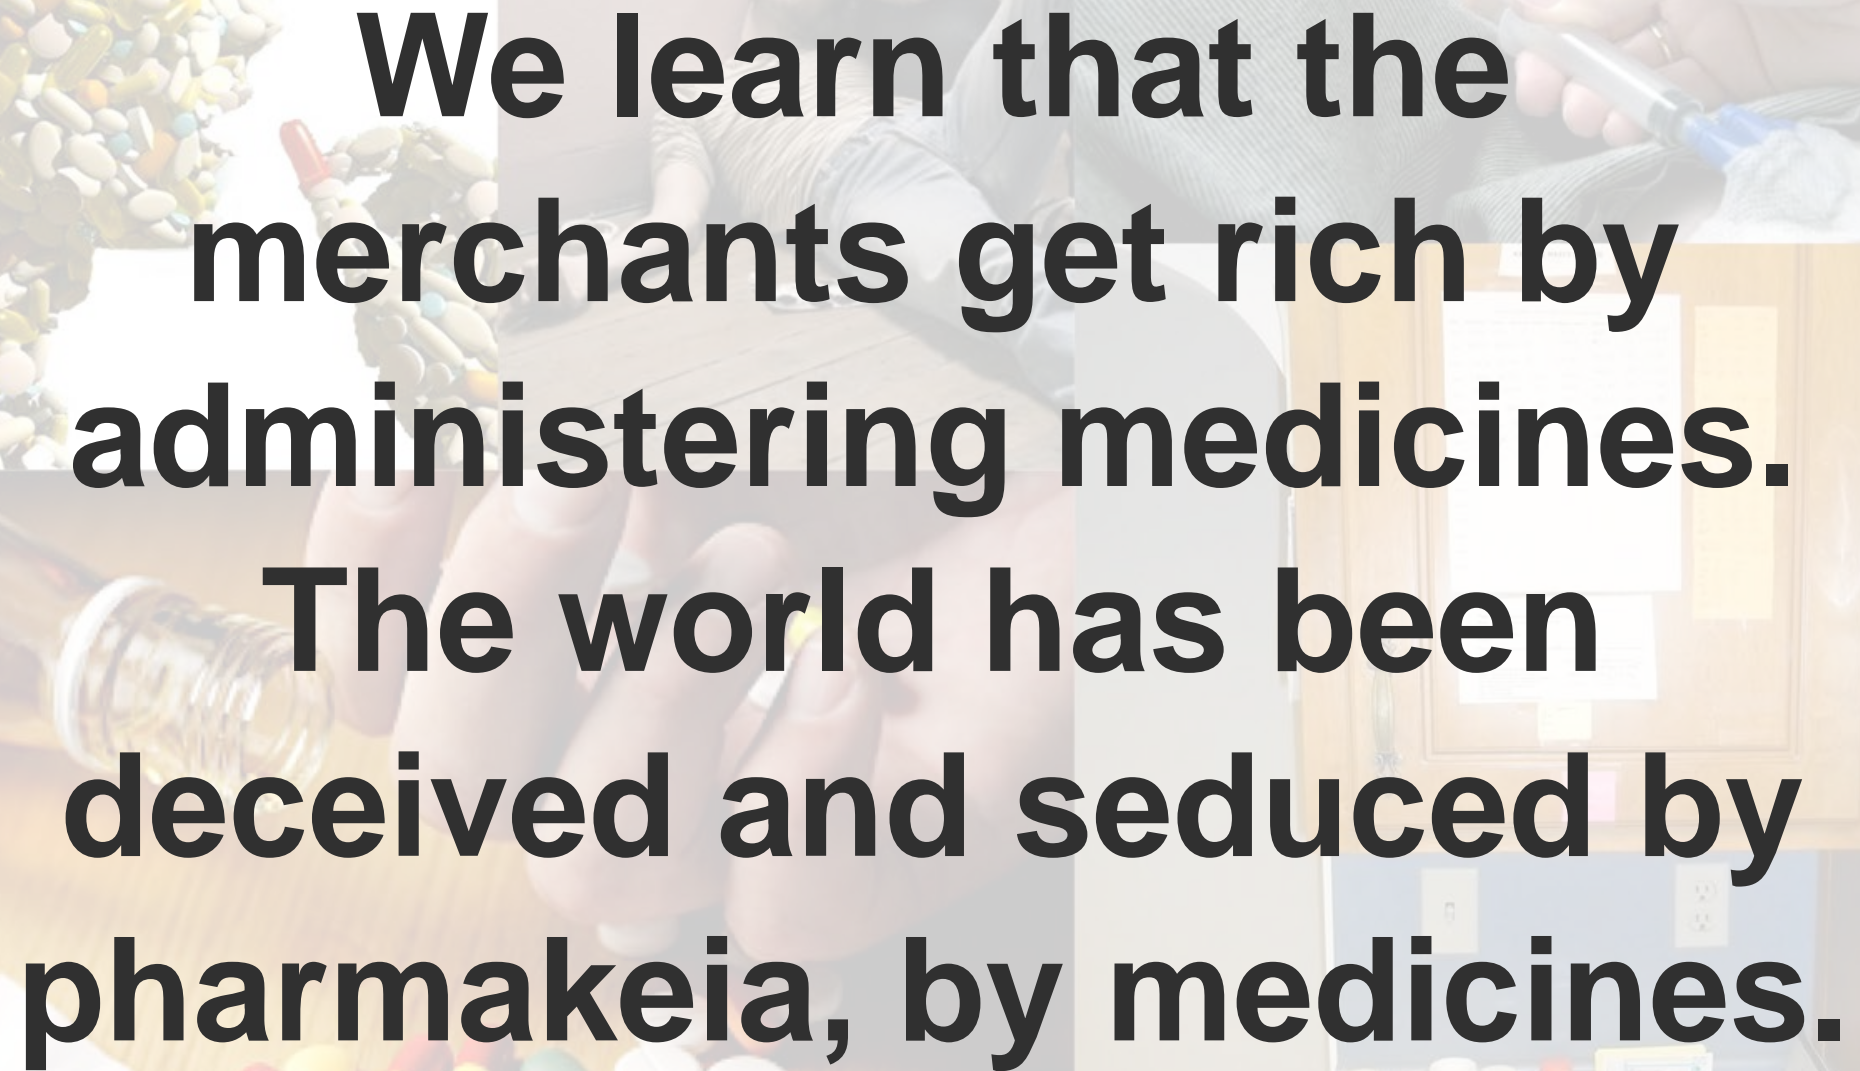

***(Revelation 21:8)***

**“But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers (pharmakeus), and idolaters, and all liars, shall have their part in the lake which burns with fire and brimstone: which is the second death.”**

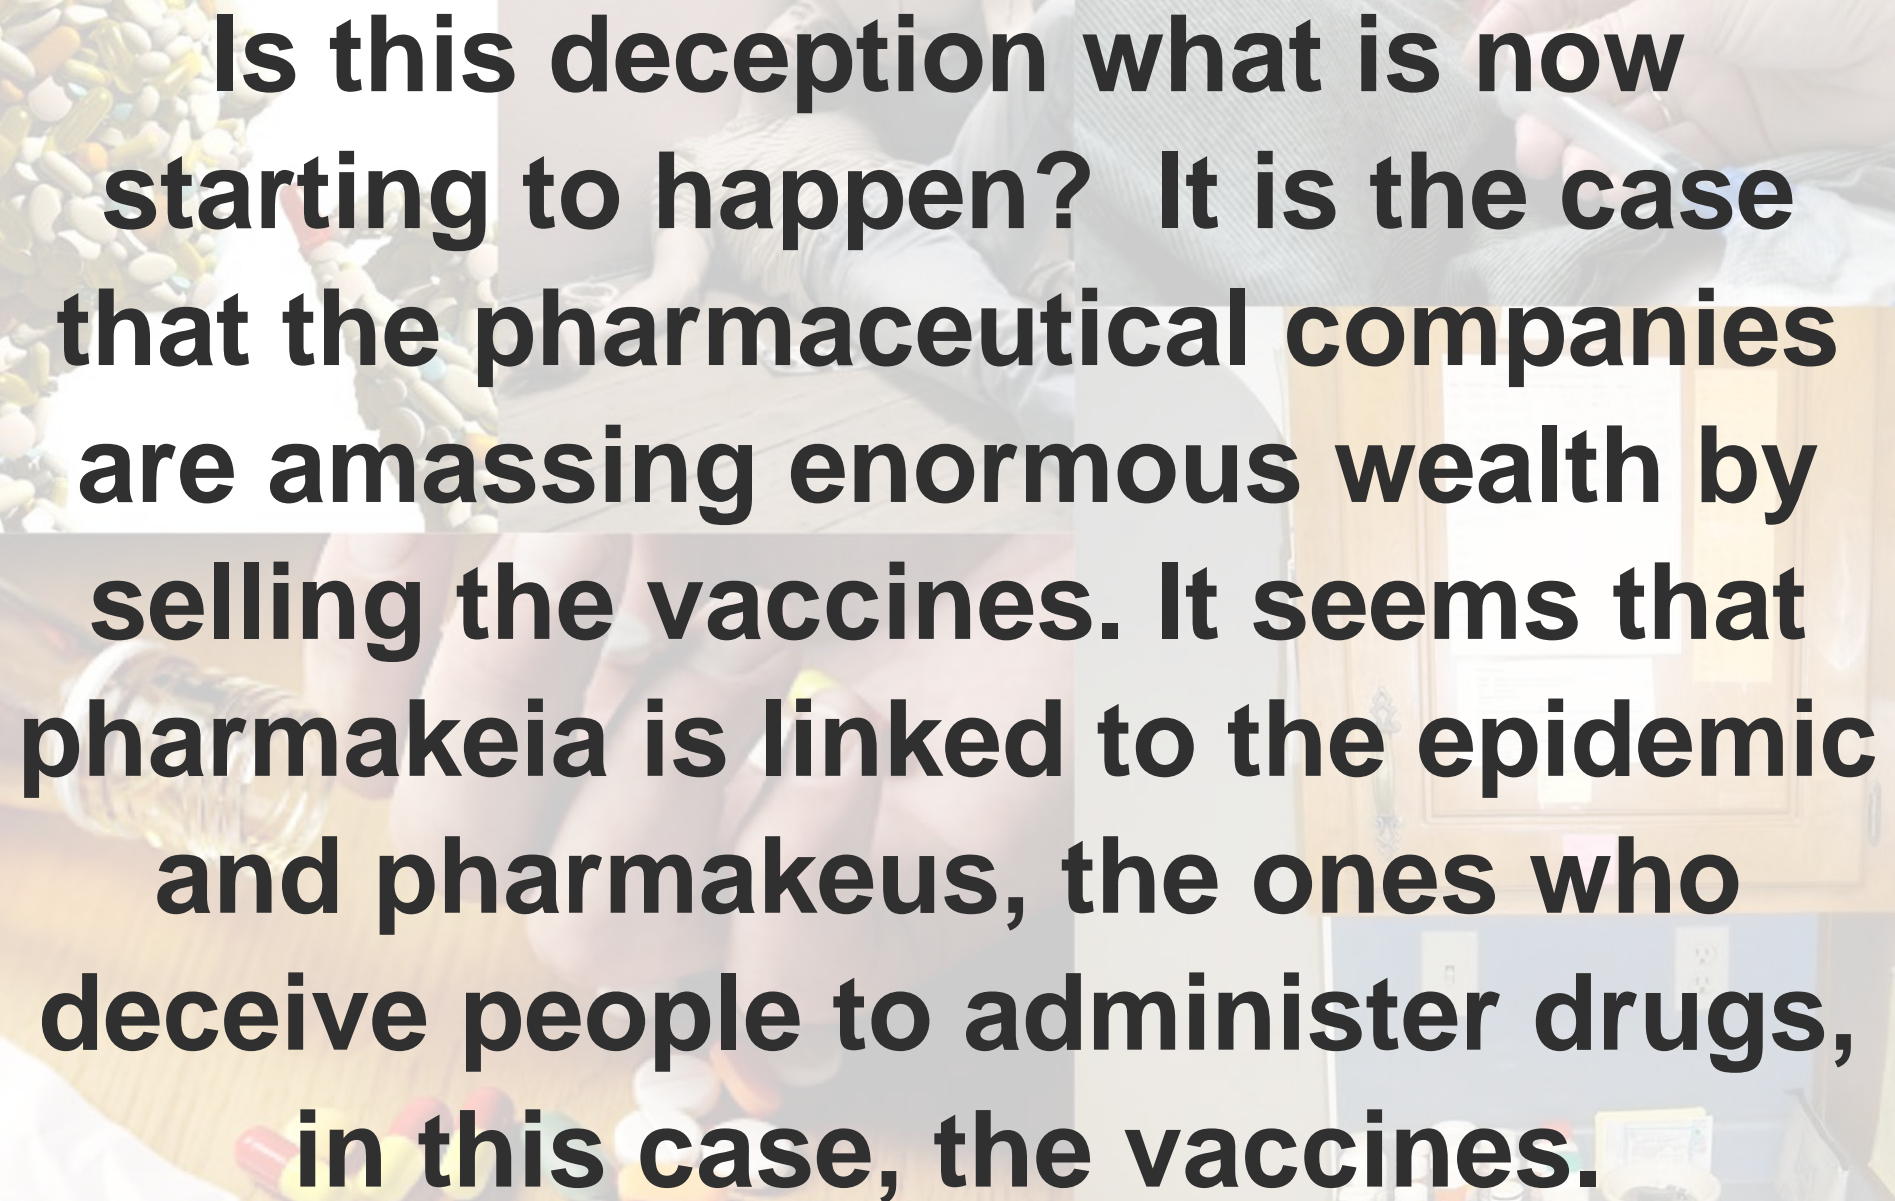

**Yahovah punishes these people, including the pharmakeus, one who prepares or uses magical remedies, with the second death in the lake of fire.**

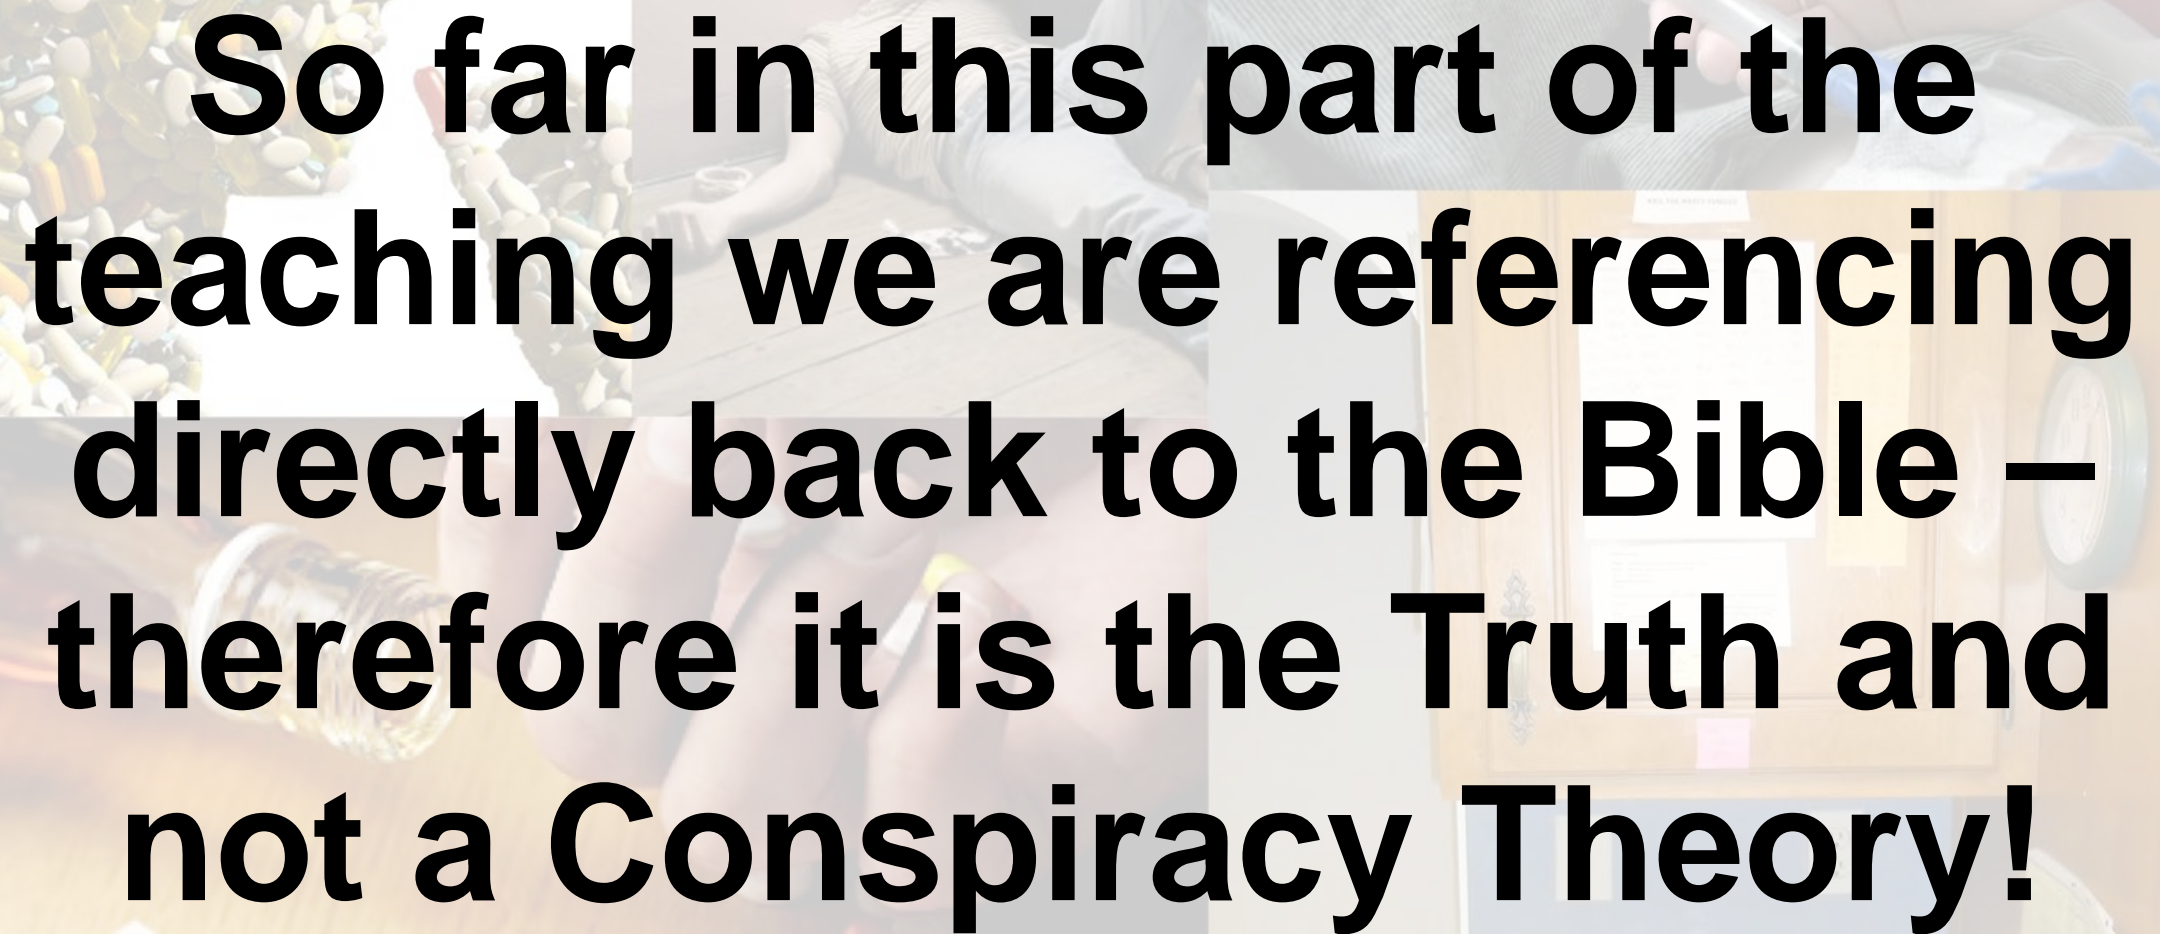

**We learn that the  
merchants get rich by  
administering medicines.  
The world has been  
deceived and seduced by  
pharmakeia, by medicines.**

**Is this deception what is now starting to happen? It is the case that the pharmaceutical companies are amassing enormous wealth by selling the vaccines. It seems that pharmakeia is linked to the epidemic and pharmakeus, the ones who deceive people to administer drugs, in this case, the vaccines.**

**So far in this part of the  
teaching we are referencing  
directly back to the Bible –  
therefore it is the Truth and  
not a Conspiracy Theory!**

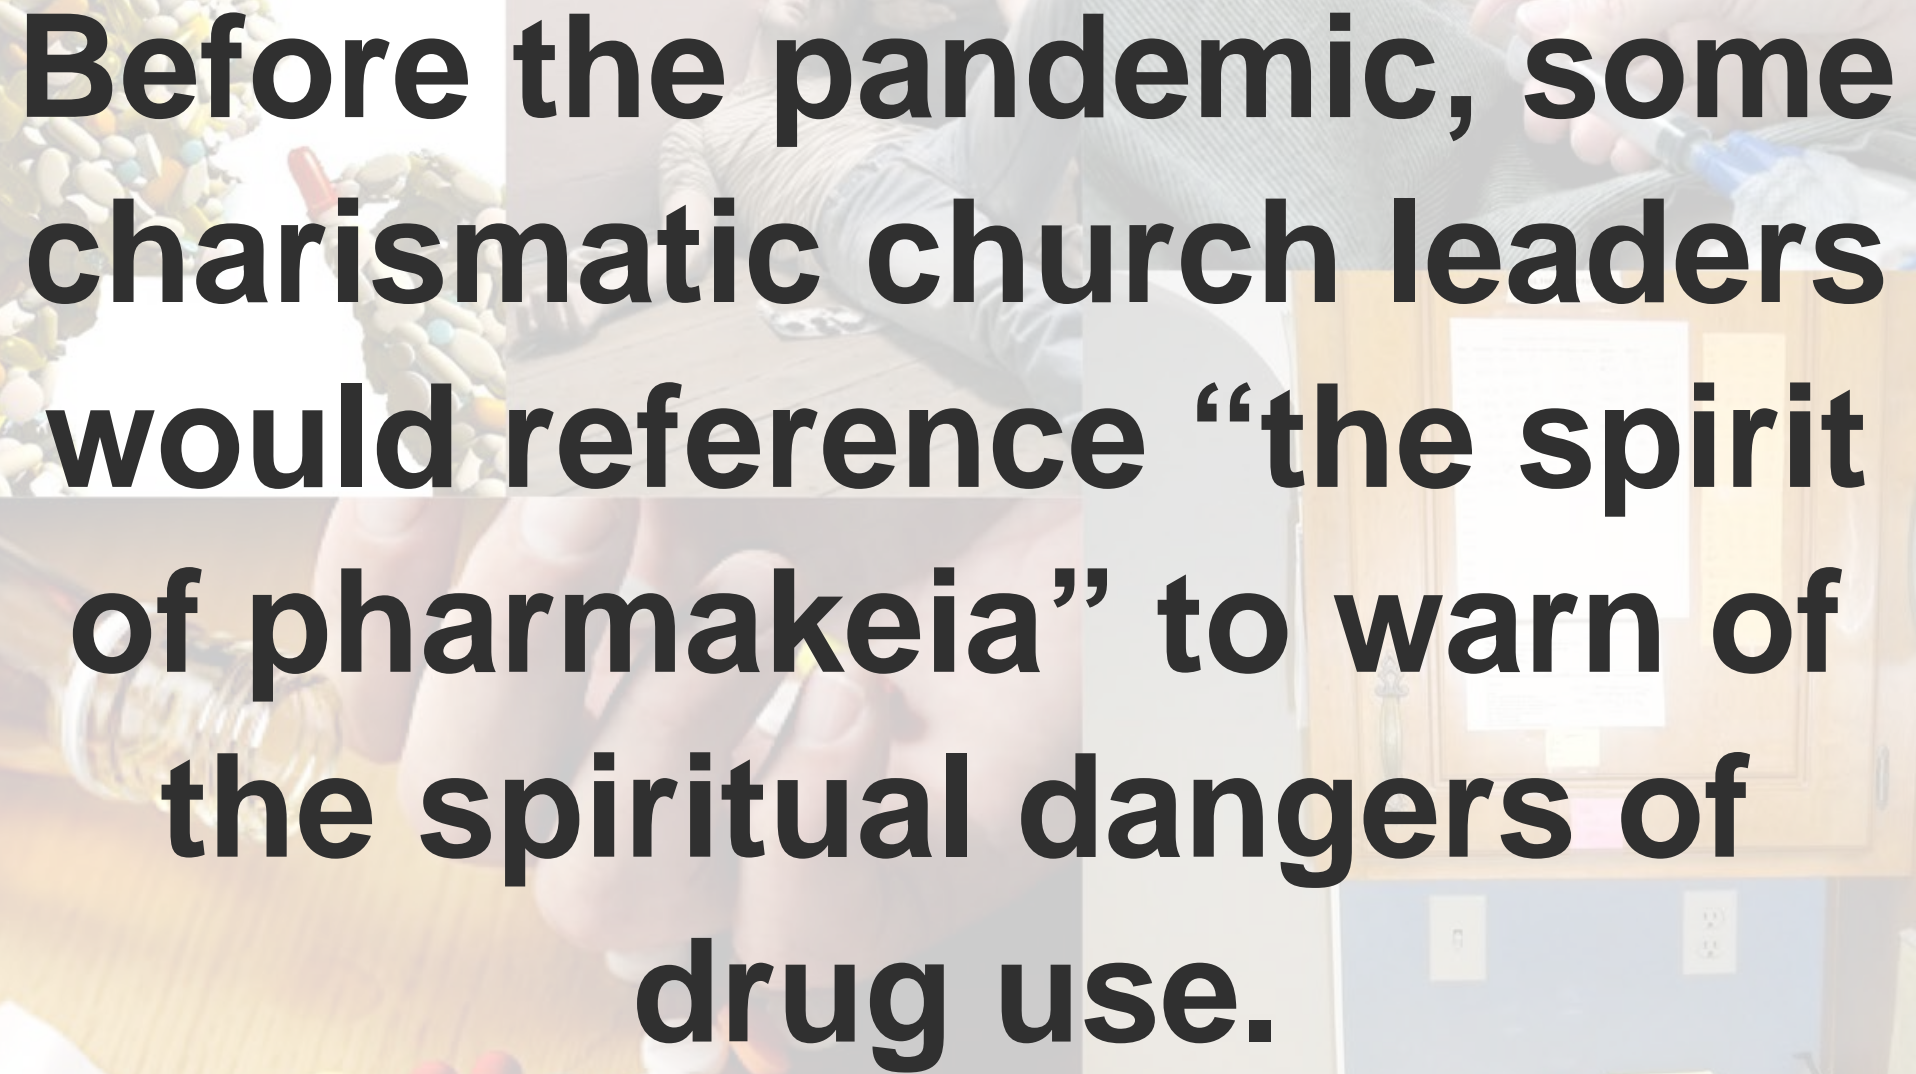

**Pharmakeia tends to come up  
among certain Christians with  
a focus on  
end times prophecy.**

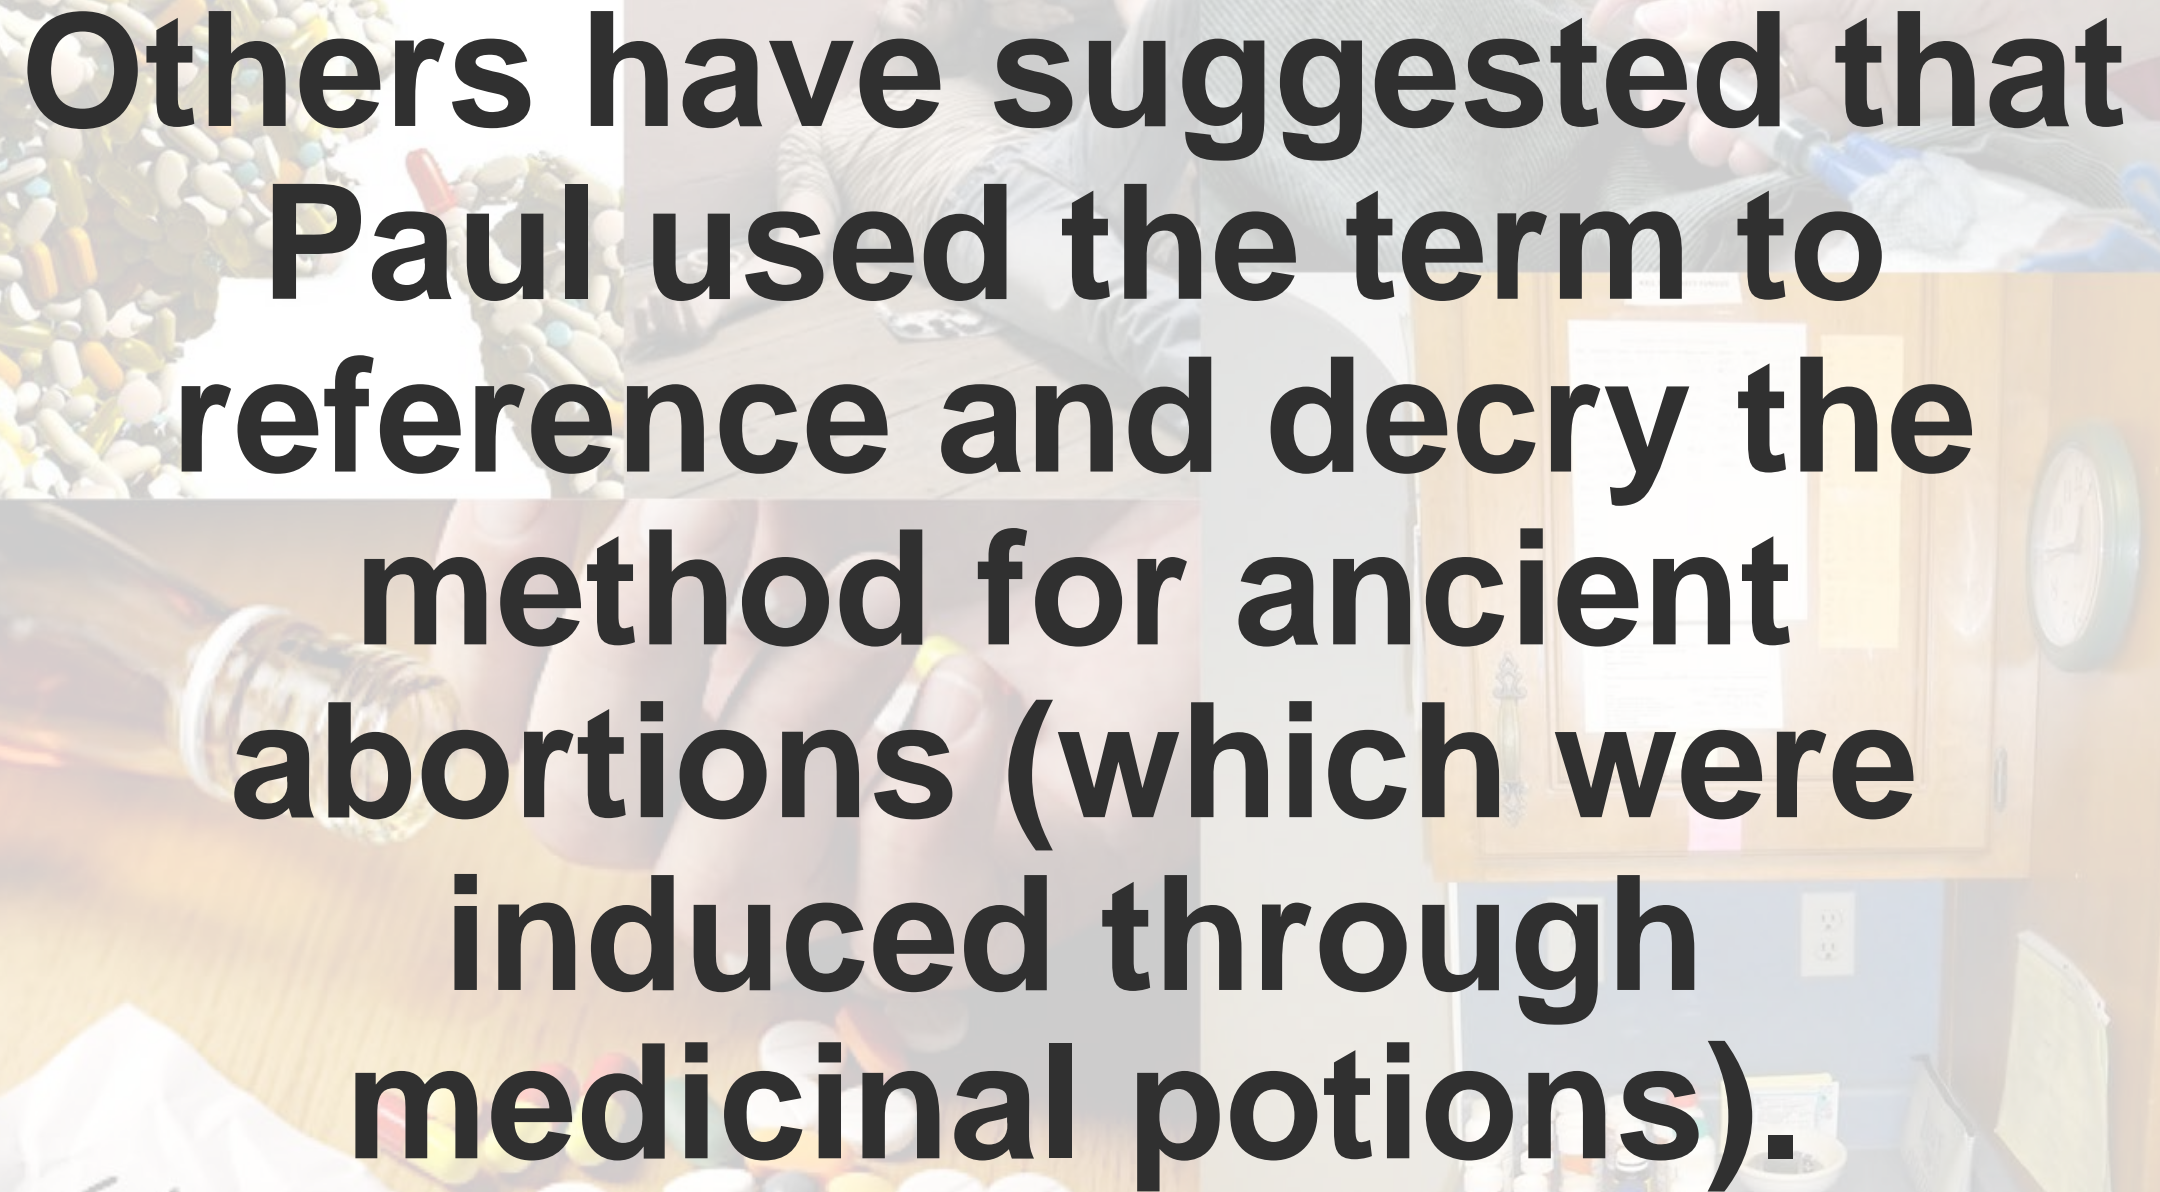

**They claim that the Covid  
vaccine represents the Mark  
Of The Beast in Revelation.**

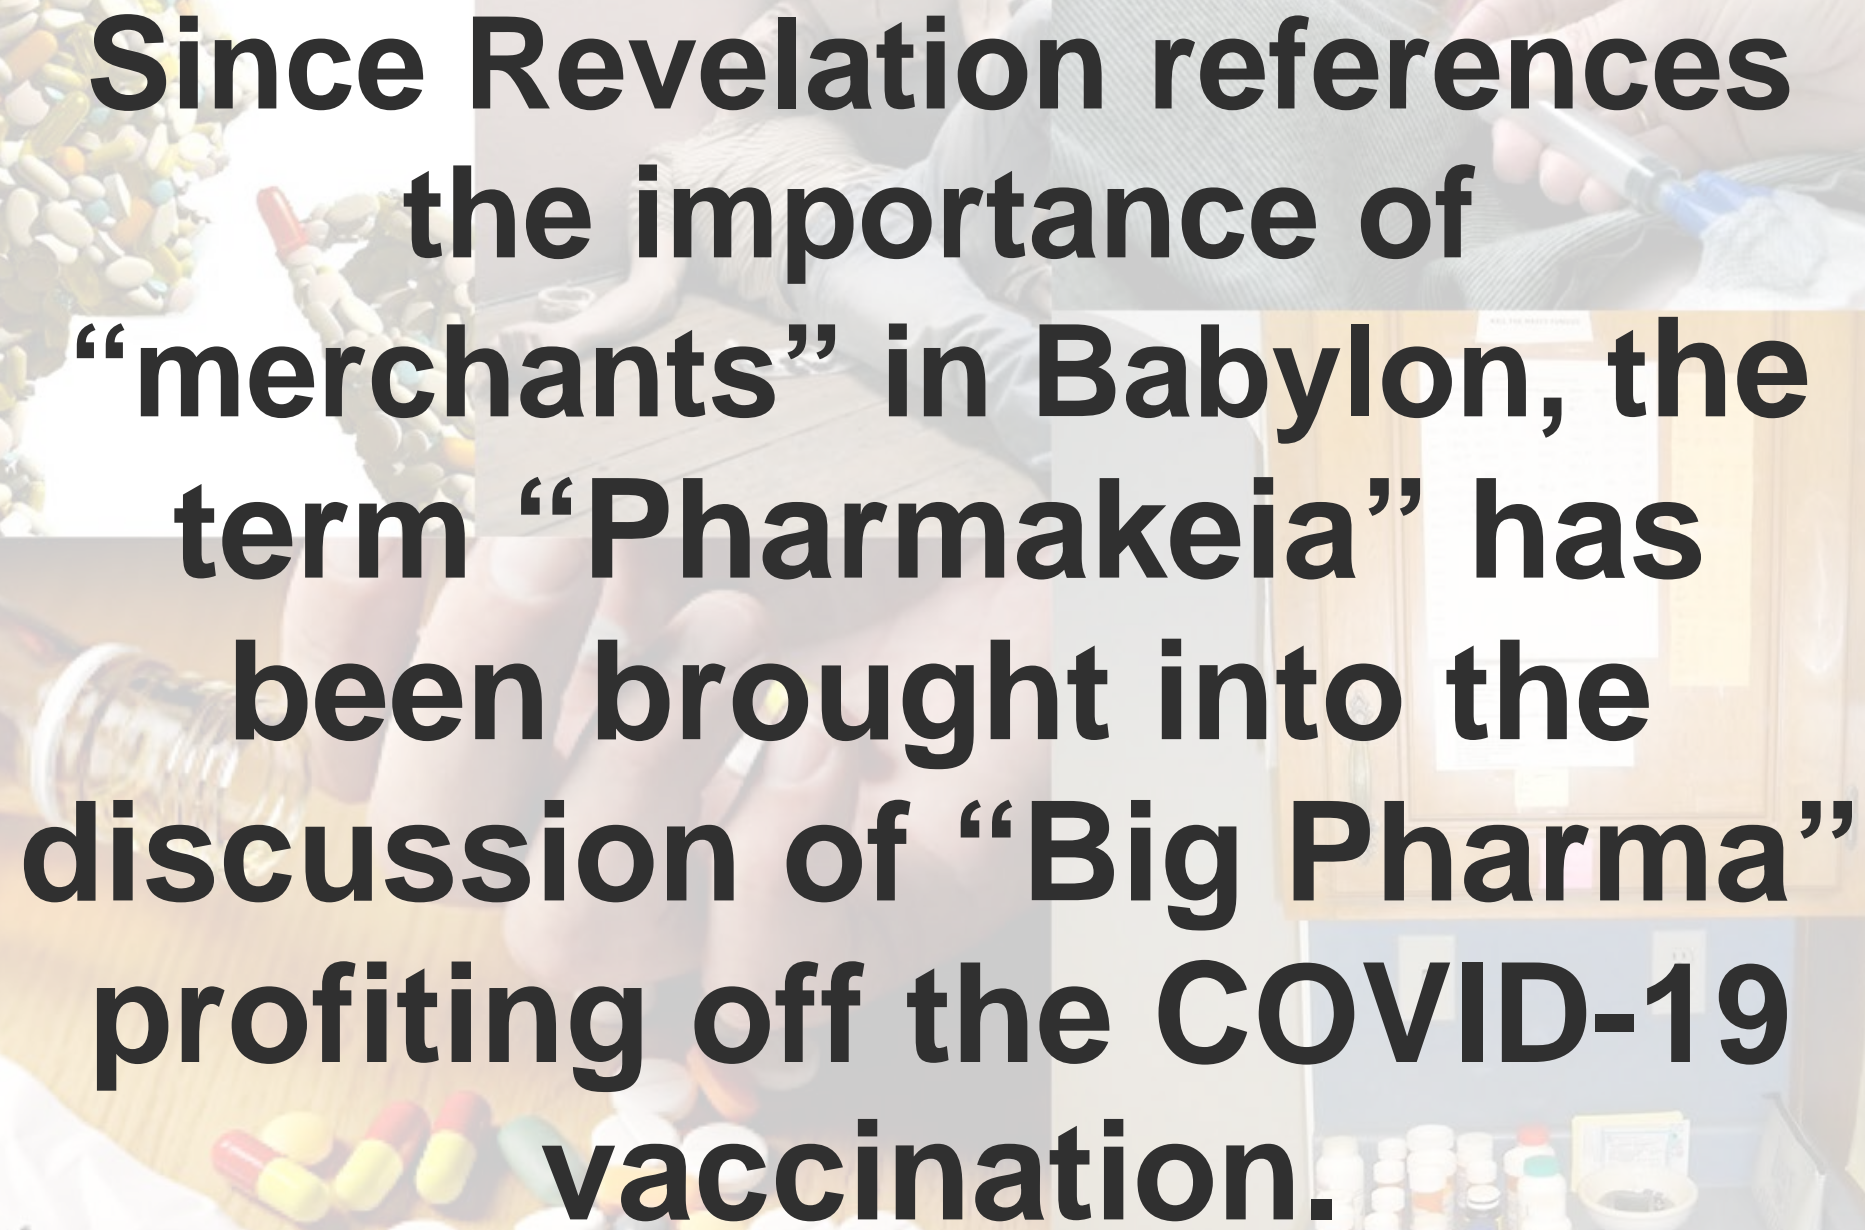

**Before the pandemic, some charismatic church leaders would reference “the spirit of pharmakeia” to warn of the spiritual dangers of drug use.**

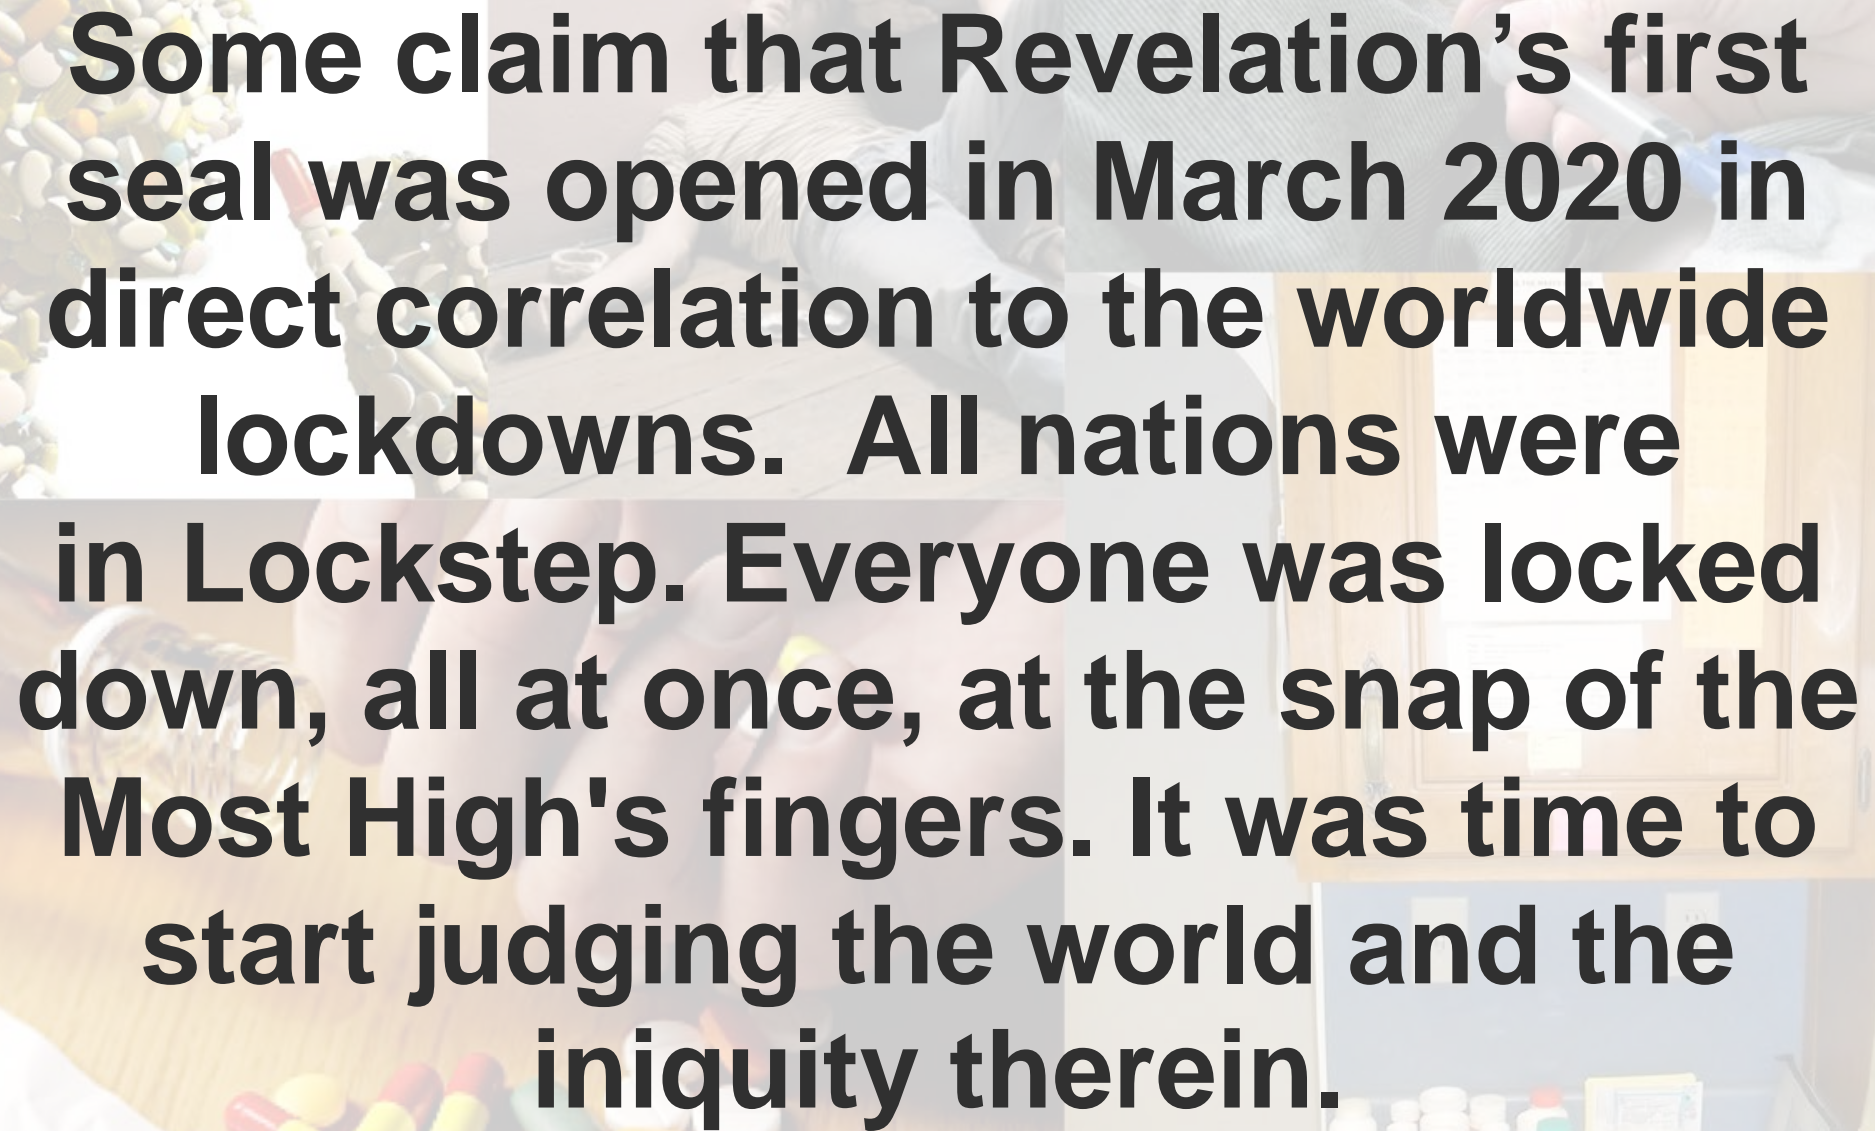

**Others have suggested that Paul used the term to reference and decry the method for ancient abortions (which were induced through medicinal potions).**

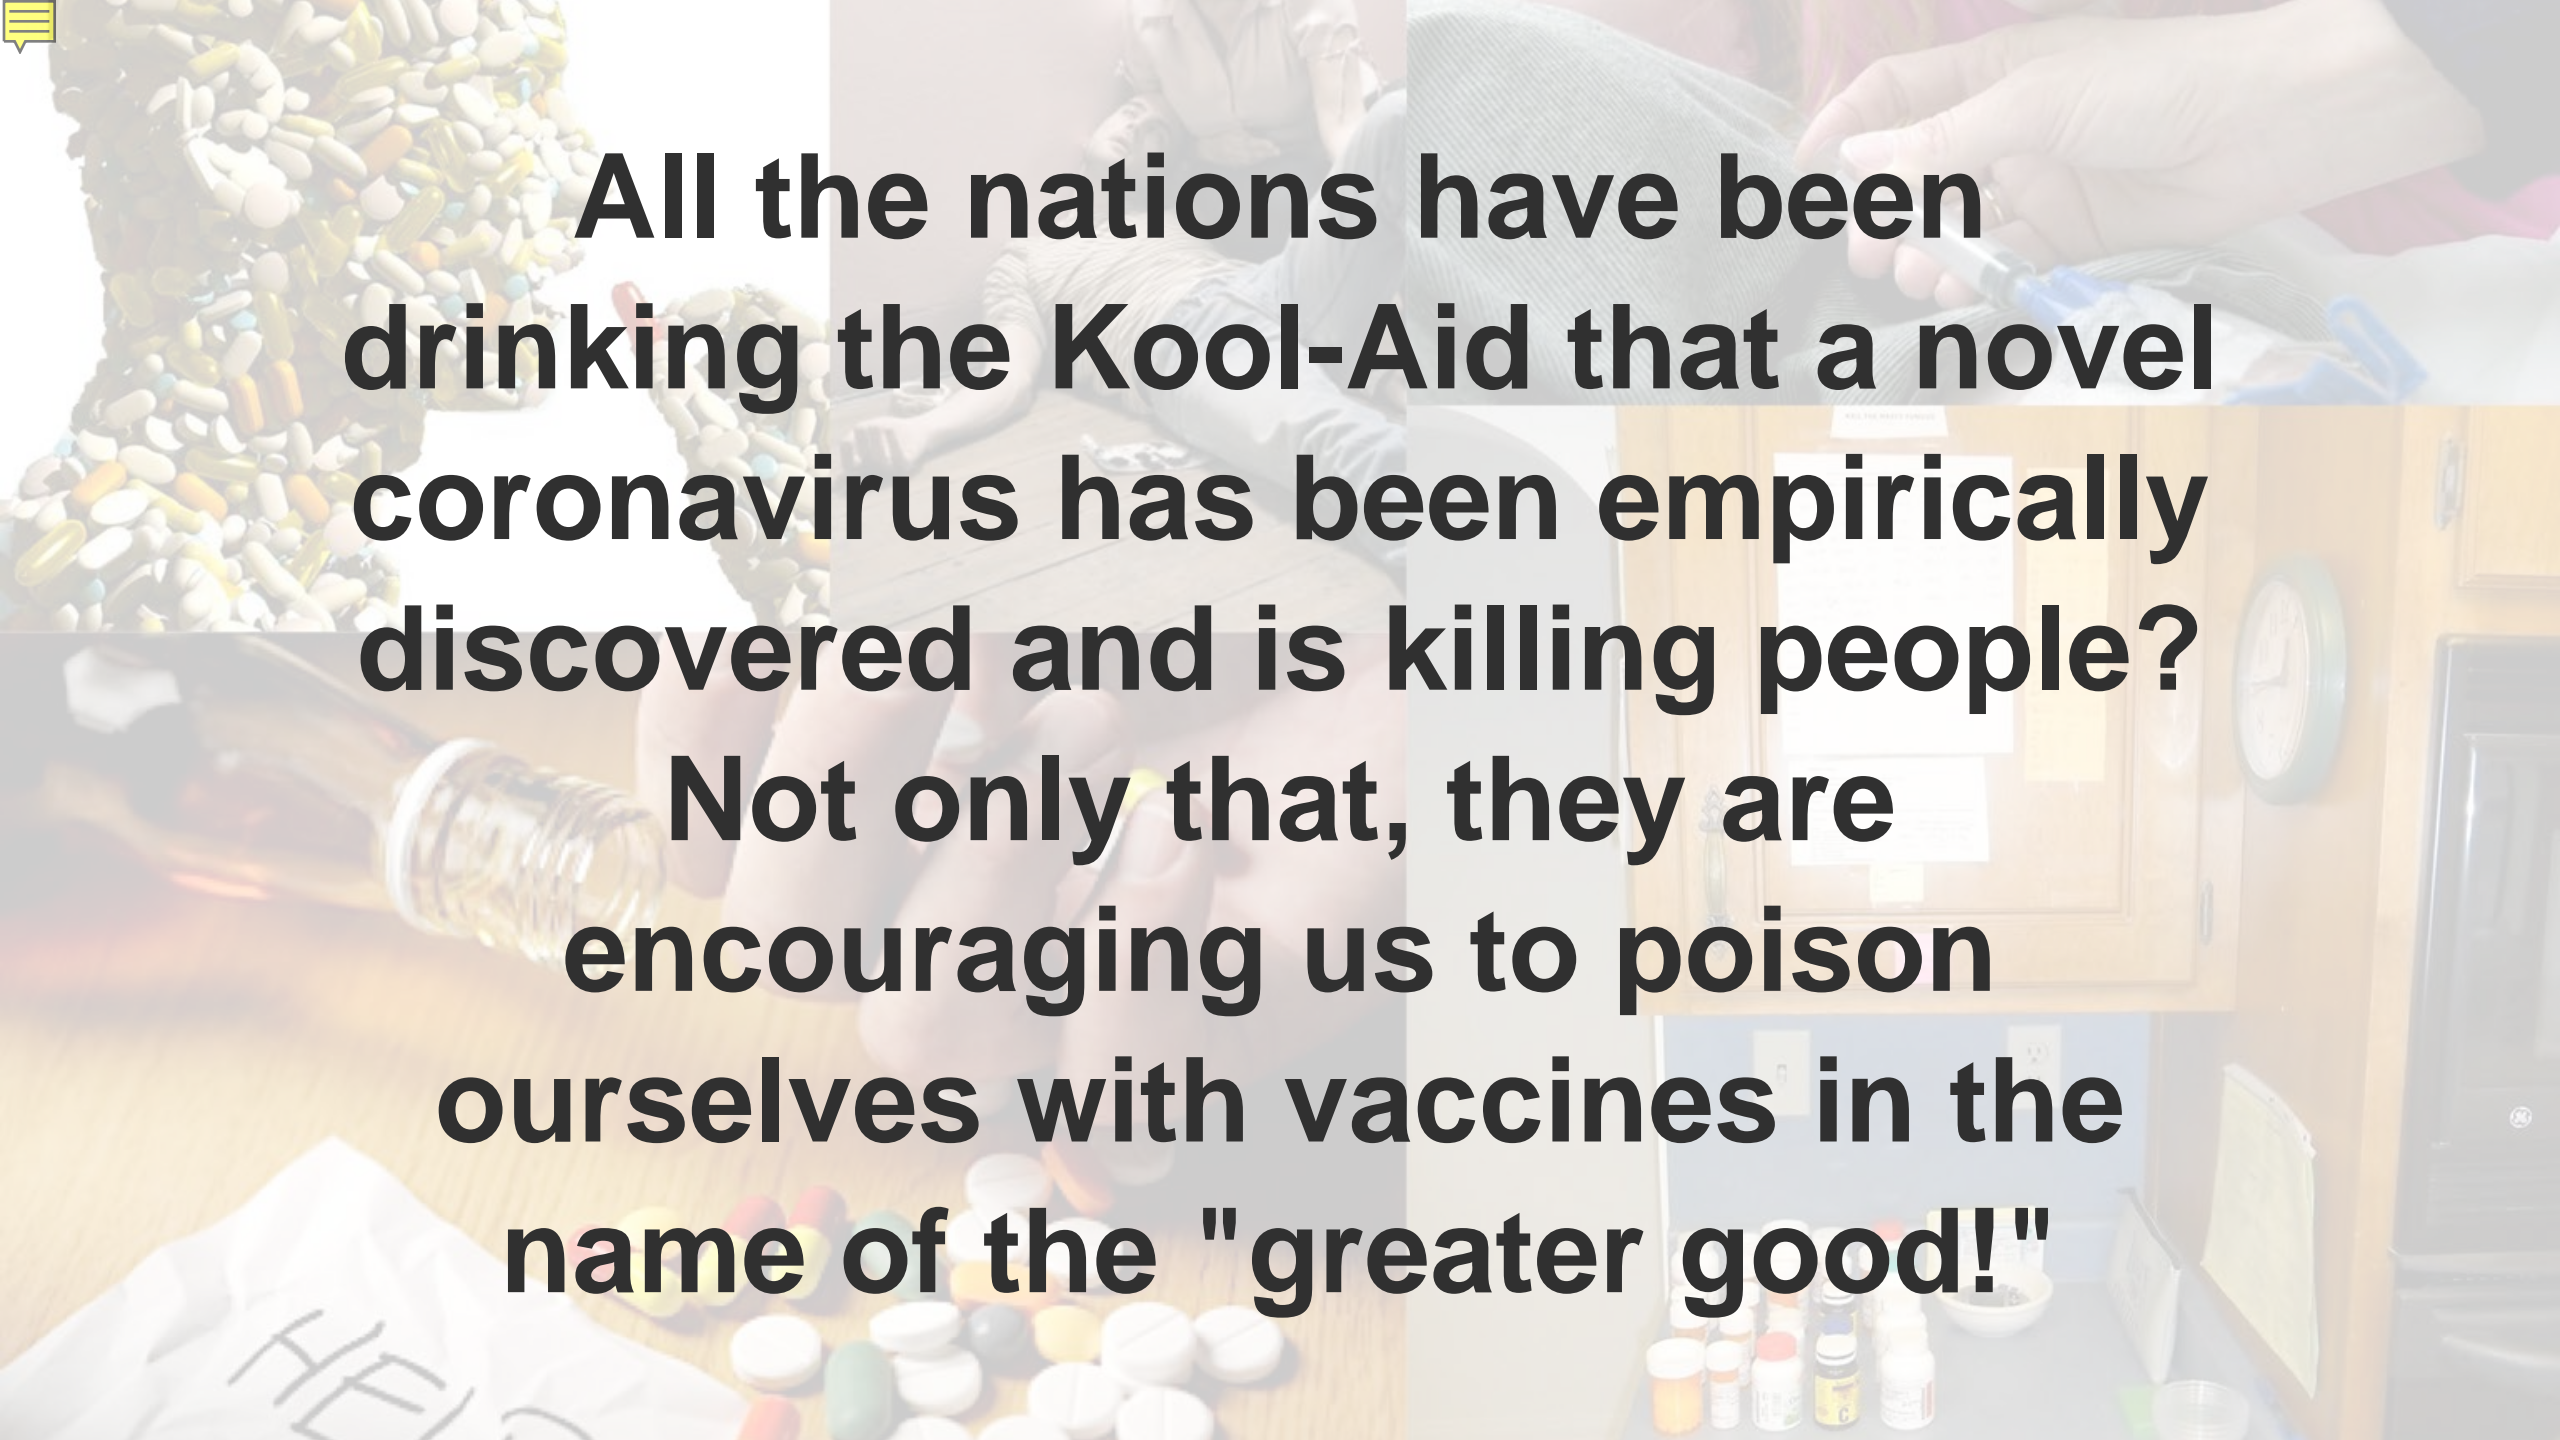

**Since Revelation references the importance of “merchants” in Babylon, the term “Pharmakeia” has been brought into the discussion of “Big Pharma” profiting off the COVID-19 vaccination.**

**Some claim that Revelation's first seal was opened in March 2020 in direct correlation to the worldwide lockdowns. All nations were in Lockstep. Everyone was locked down, all at once, at the snap of the Most High's fingers. It was time to start judging the world and the iniquity therein.**

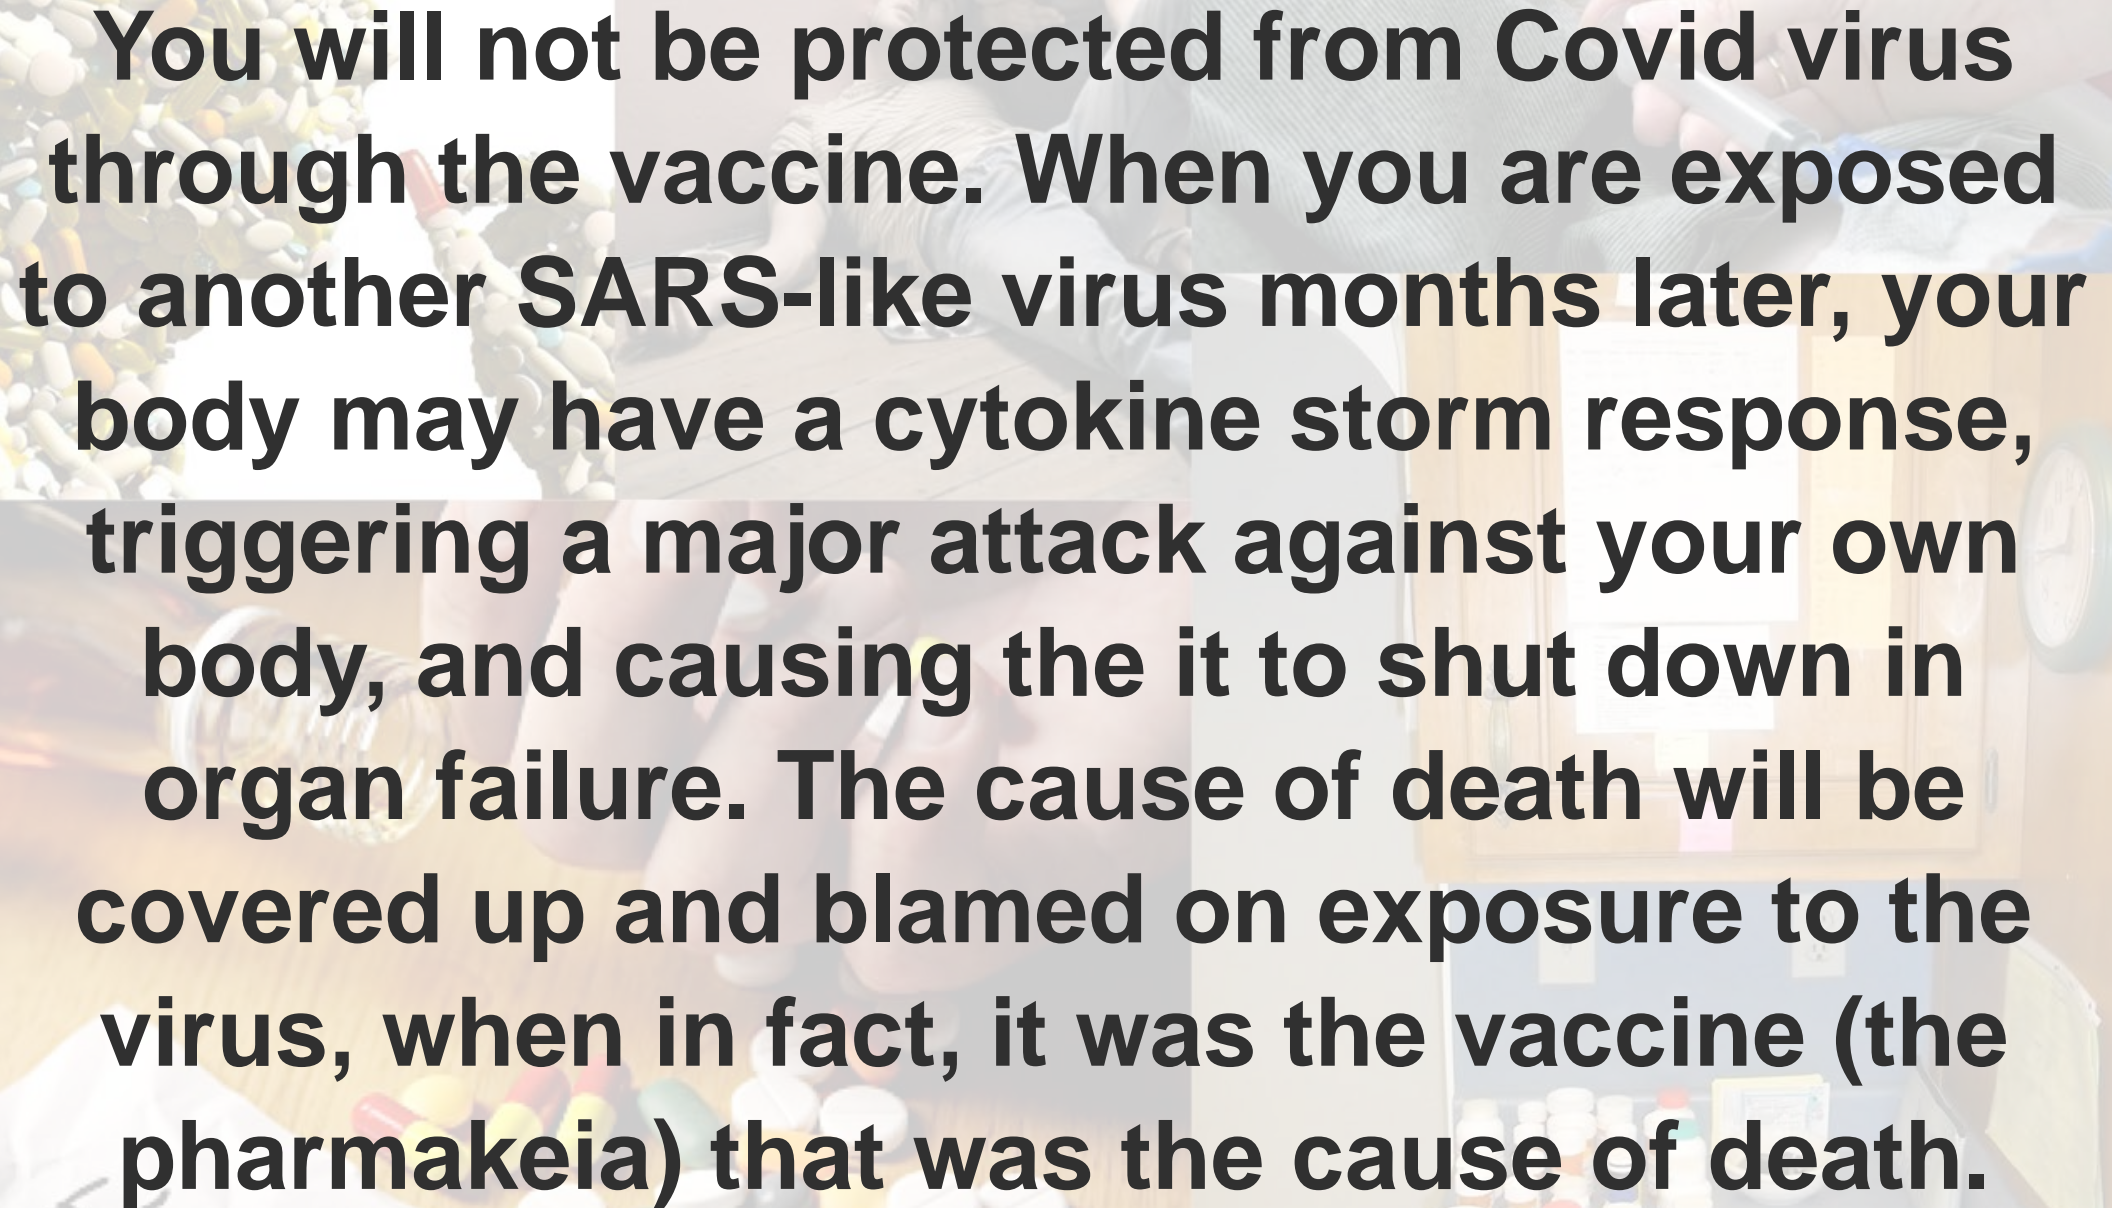

**All the nations have been  
drinking the Kool-Aid that a novel  
coronavirus has been empirically  
discovered and is killing people?**

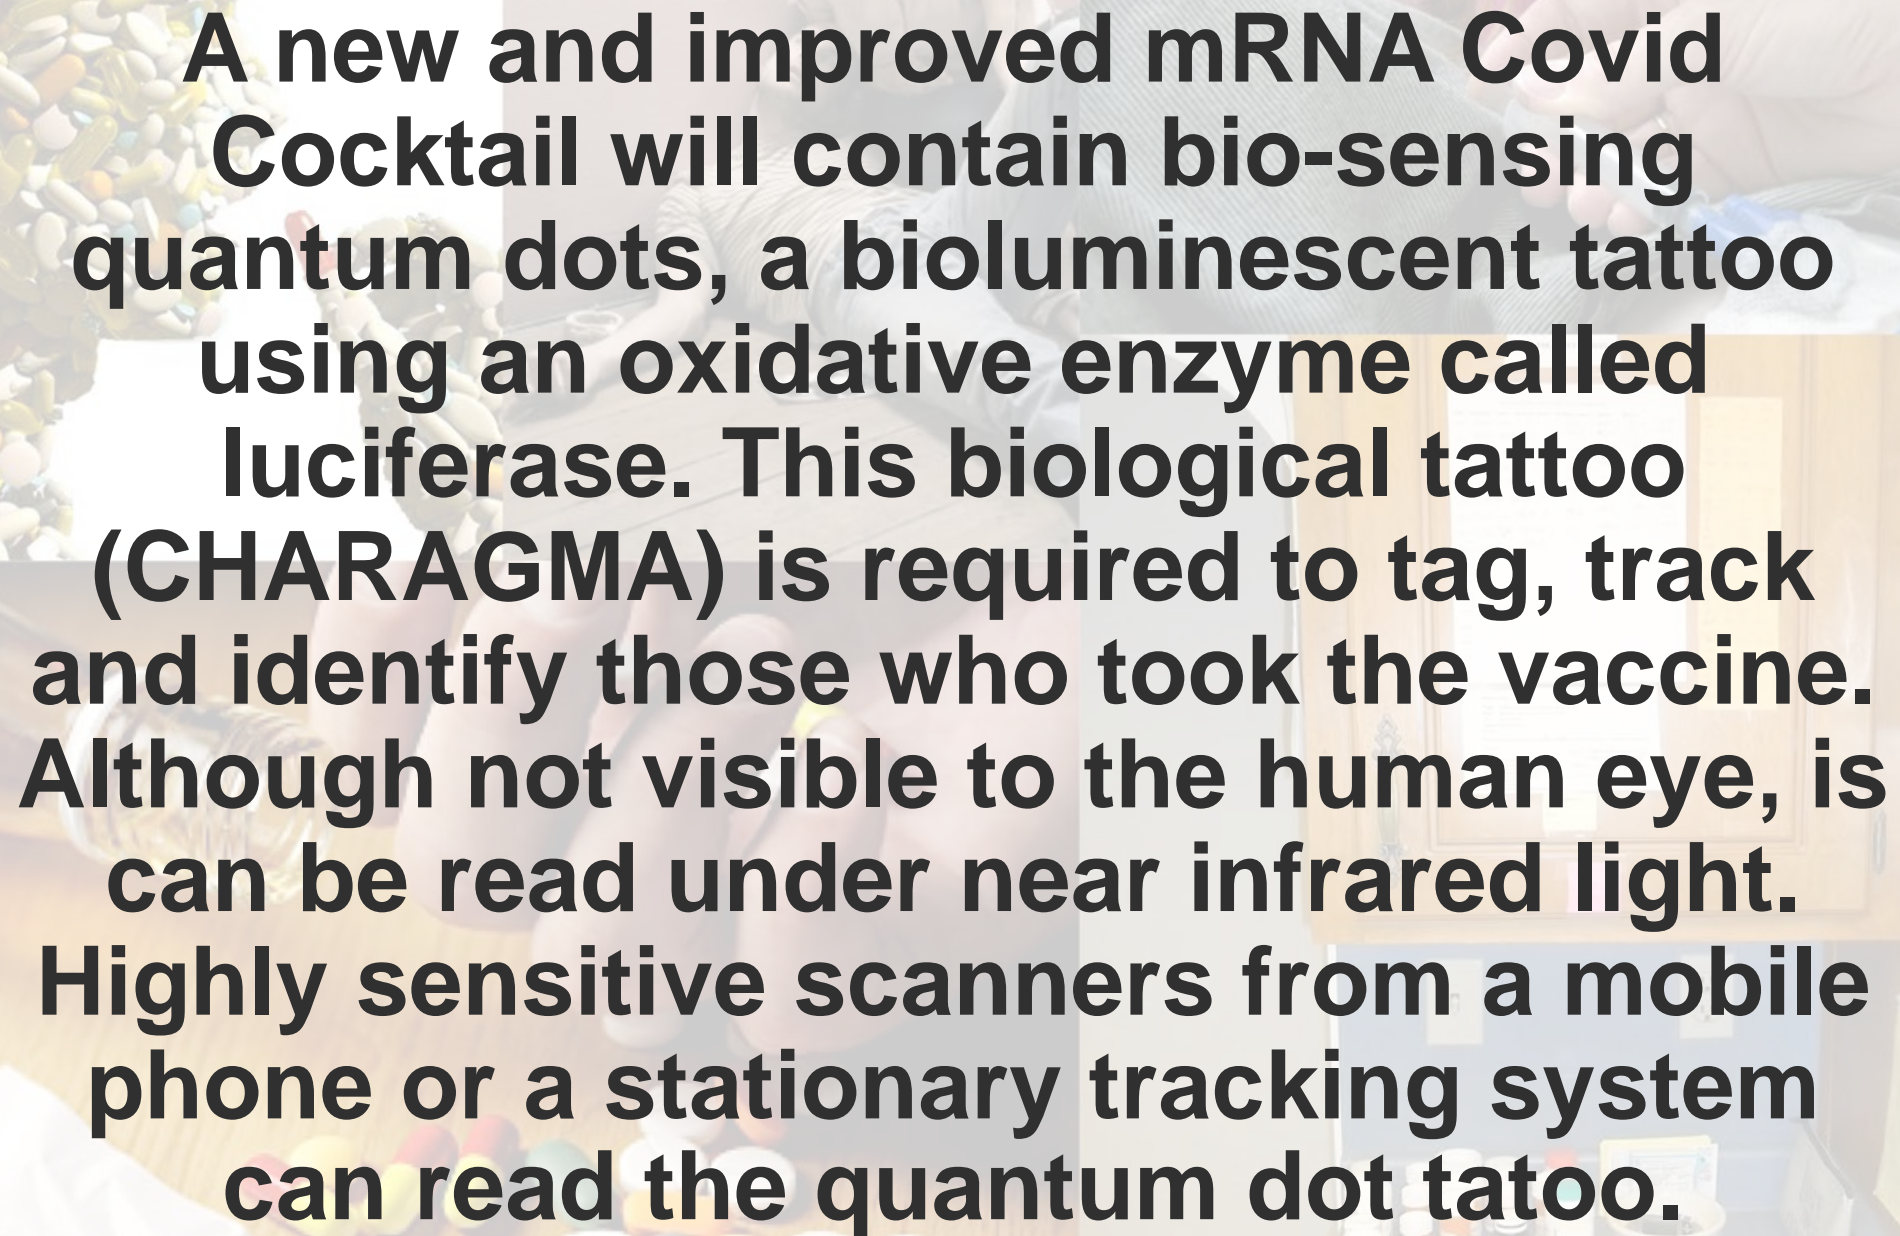

**Not only that, they are  
encouraging us to poison  
ourselves with vaccines in the  
name of the "greater good!"**

**You will not be protected from Covid virus through the vaccine. When you are exposed to another SARS-like virus months later, your body may have a cytokine storm response, triggering a major attack against your own body, and causing the it to shut down in organ failure. The cause of death will be covered up and blamed on exposure to the virus, when in fact, it was the vaccine (the pharmakeia) that was the cause of death.**

**A new and improved mRNA Covid Cocktail will contain bio-sensing quantum dots, a bioluminescent tattoo using an oxidative enzyme called luciferase. This biological tattoo (CHARAGMA) is required to tag, track and identify those who took the vaccine. Although not visible to the human eye, it can be read under near infrared light. Highly sensitive scanners from a mobile phone or a stationary tracking system can read the quantum dot tattoo.**

The background is a collage of medical-related images. On the left, there is a large pile of various colored pills. In the center, a person's arm is shown with a yellow bandage. On the right, a hand is holding a syringe. Below these, there is a wooden medical cabinet with a clipboard and various medical supplies on a counter.

# **CHARAGMA**

## **Strongs G5480**

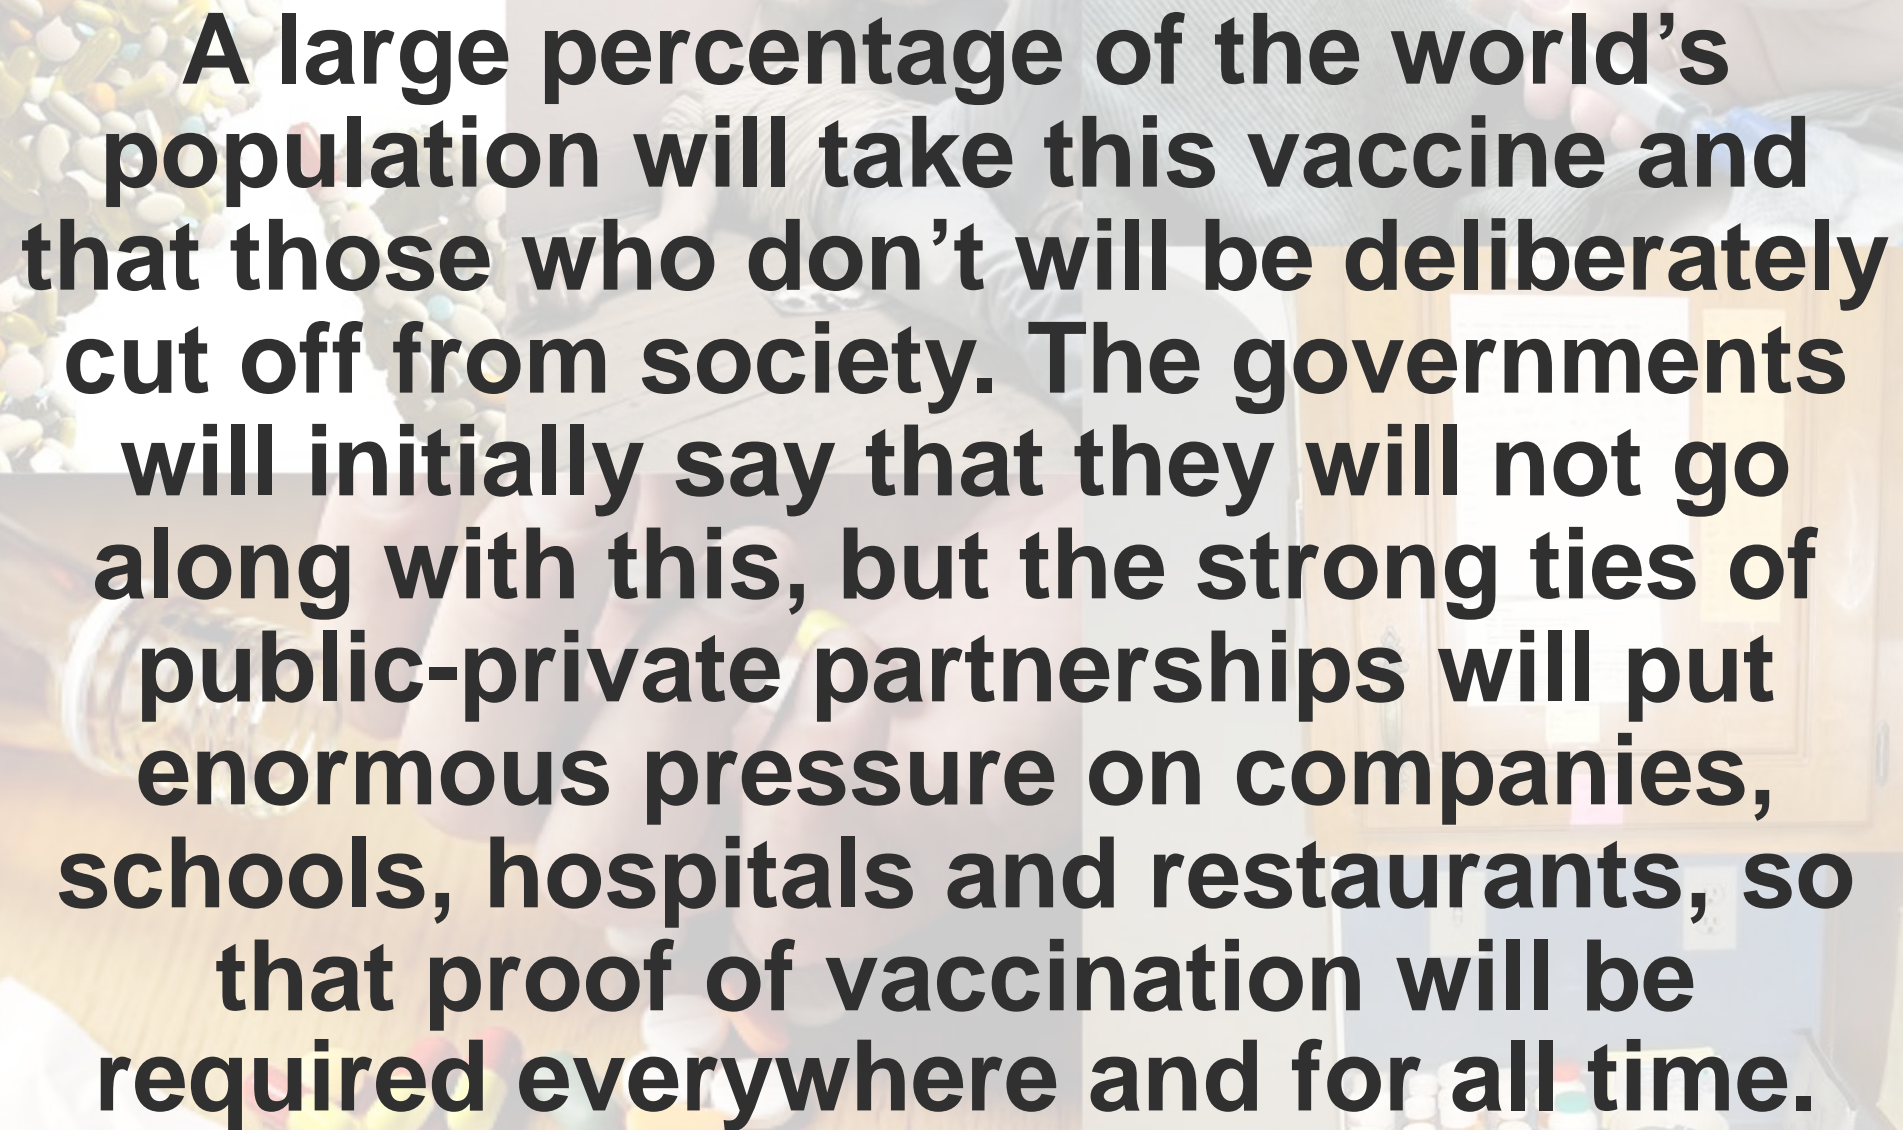

**(1. a stamp, an imprinted mark  
1a. of the mark stamped on the  
forehead or the right hand as  
the badge of the followers  
of the Antichrist).**

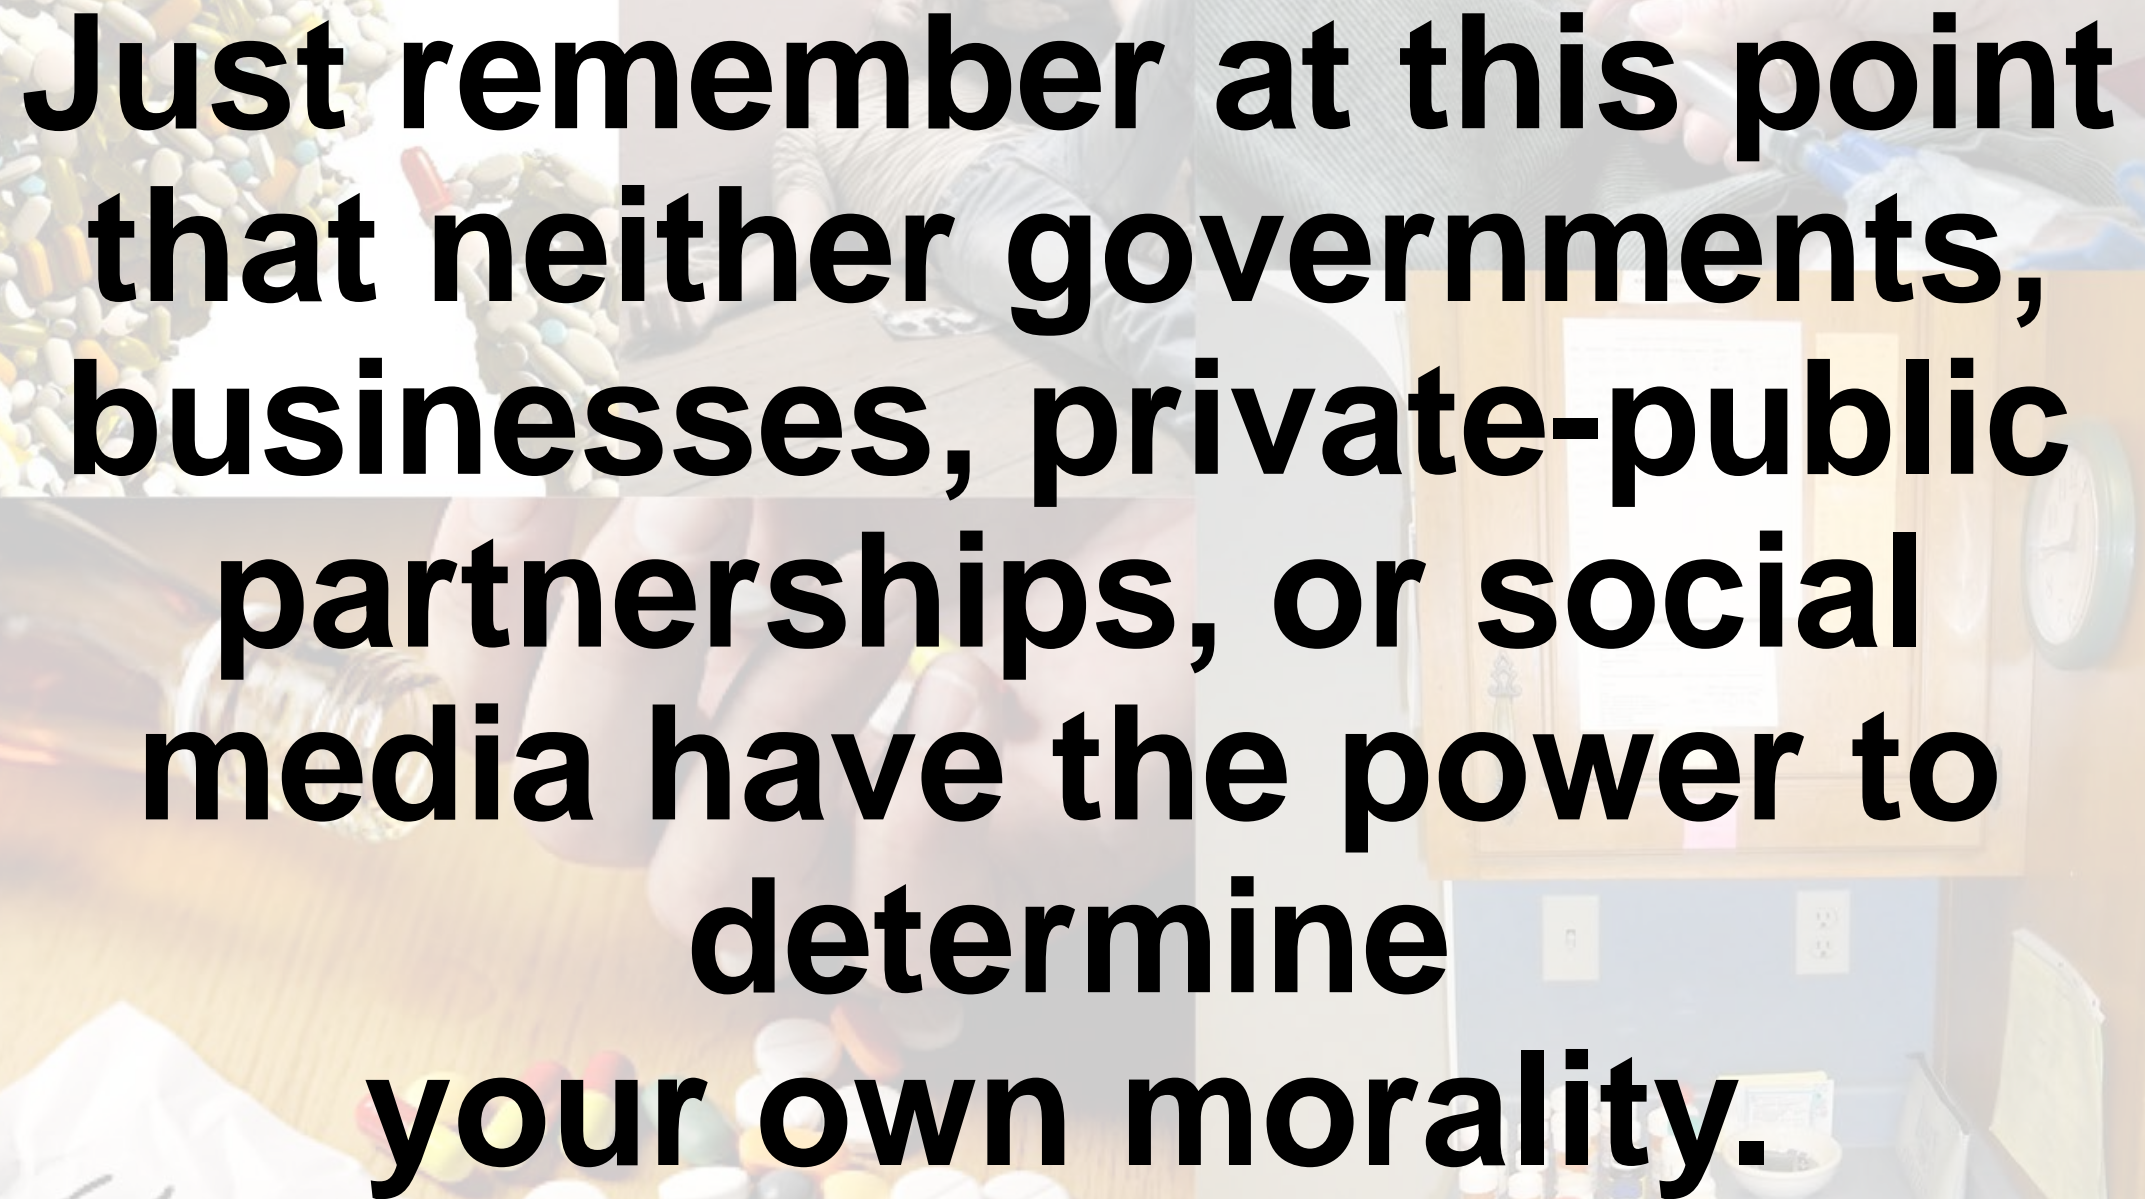

**With this “quantum dot” a person carries proof of vaccination in their body, and it’s all scanned and managed in the Cloud. The data is immediately available via data readers. The biological tattoo enables the wearer to participate in public life once again. In order to ensure public safety, one must show proof of vaccination.**

**A large percentage of the world's population will take this vaccine and that those who don't will be deliberately cut off from society. The governments will initially say that they will not go along with this, but the strong ties of public-private partnerships will put enormous pressure on companies, schools, hospitals and restaurants, so that proof of vaccination will be required everywhere and for all time.**

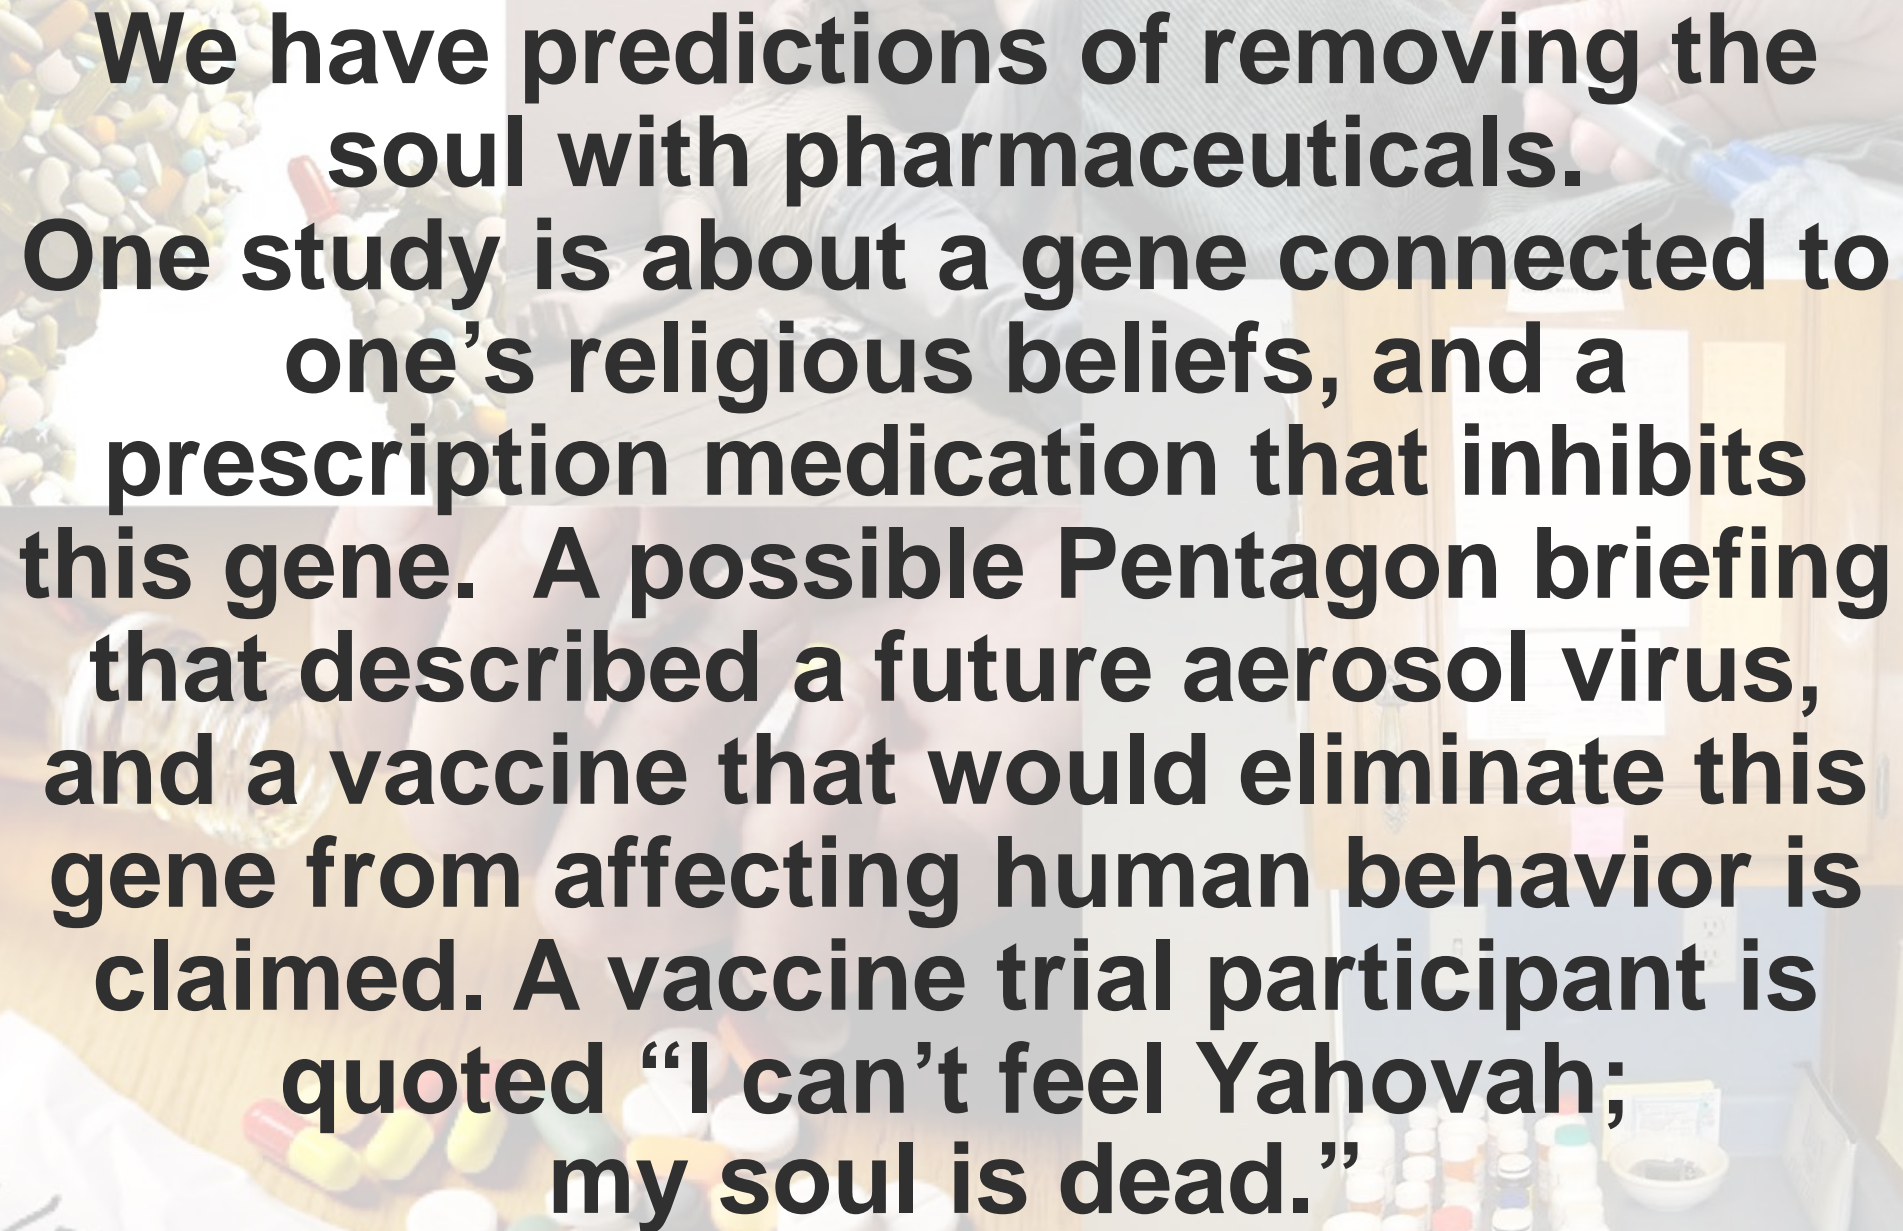

**Just remember at this point  
that neither governments,  
businesses, private-public  
partnerships, or social  
media have the power to  
determine  
your own morality.**

**ONLY YOU  
HAVE THAT  
POWER!**

**We have predictions of removing the soul with pharmaceuticals. One study is about a gene connected to one's religious beliefs, and a prescription medication that inhibits this gene. A possible Pentagon briefing that described a future aerosol virus, and a vaccine that would eliminate this gene from affecting human behavior is claimed. A vaccine trial participant is quoted "I can't feel Yahovah; my soul is dead."**

**Brave New World author Aldous Huxley gave the following ominous warning during a speech at Berkeley in 1962 called ‘The Ultimate Revolution’:**

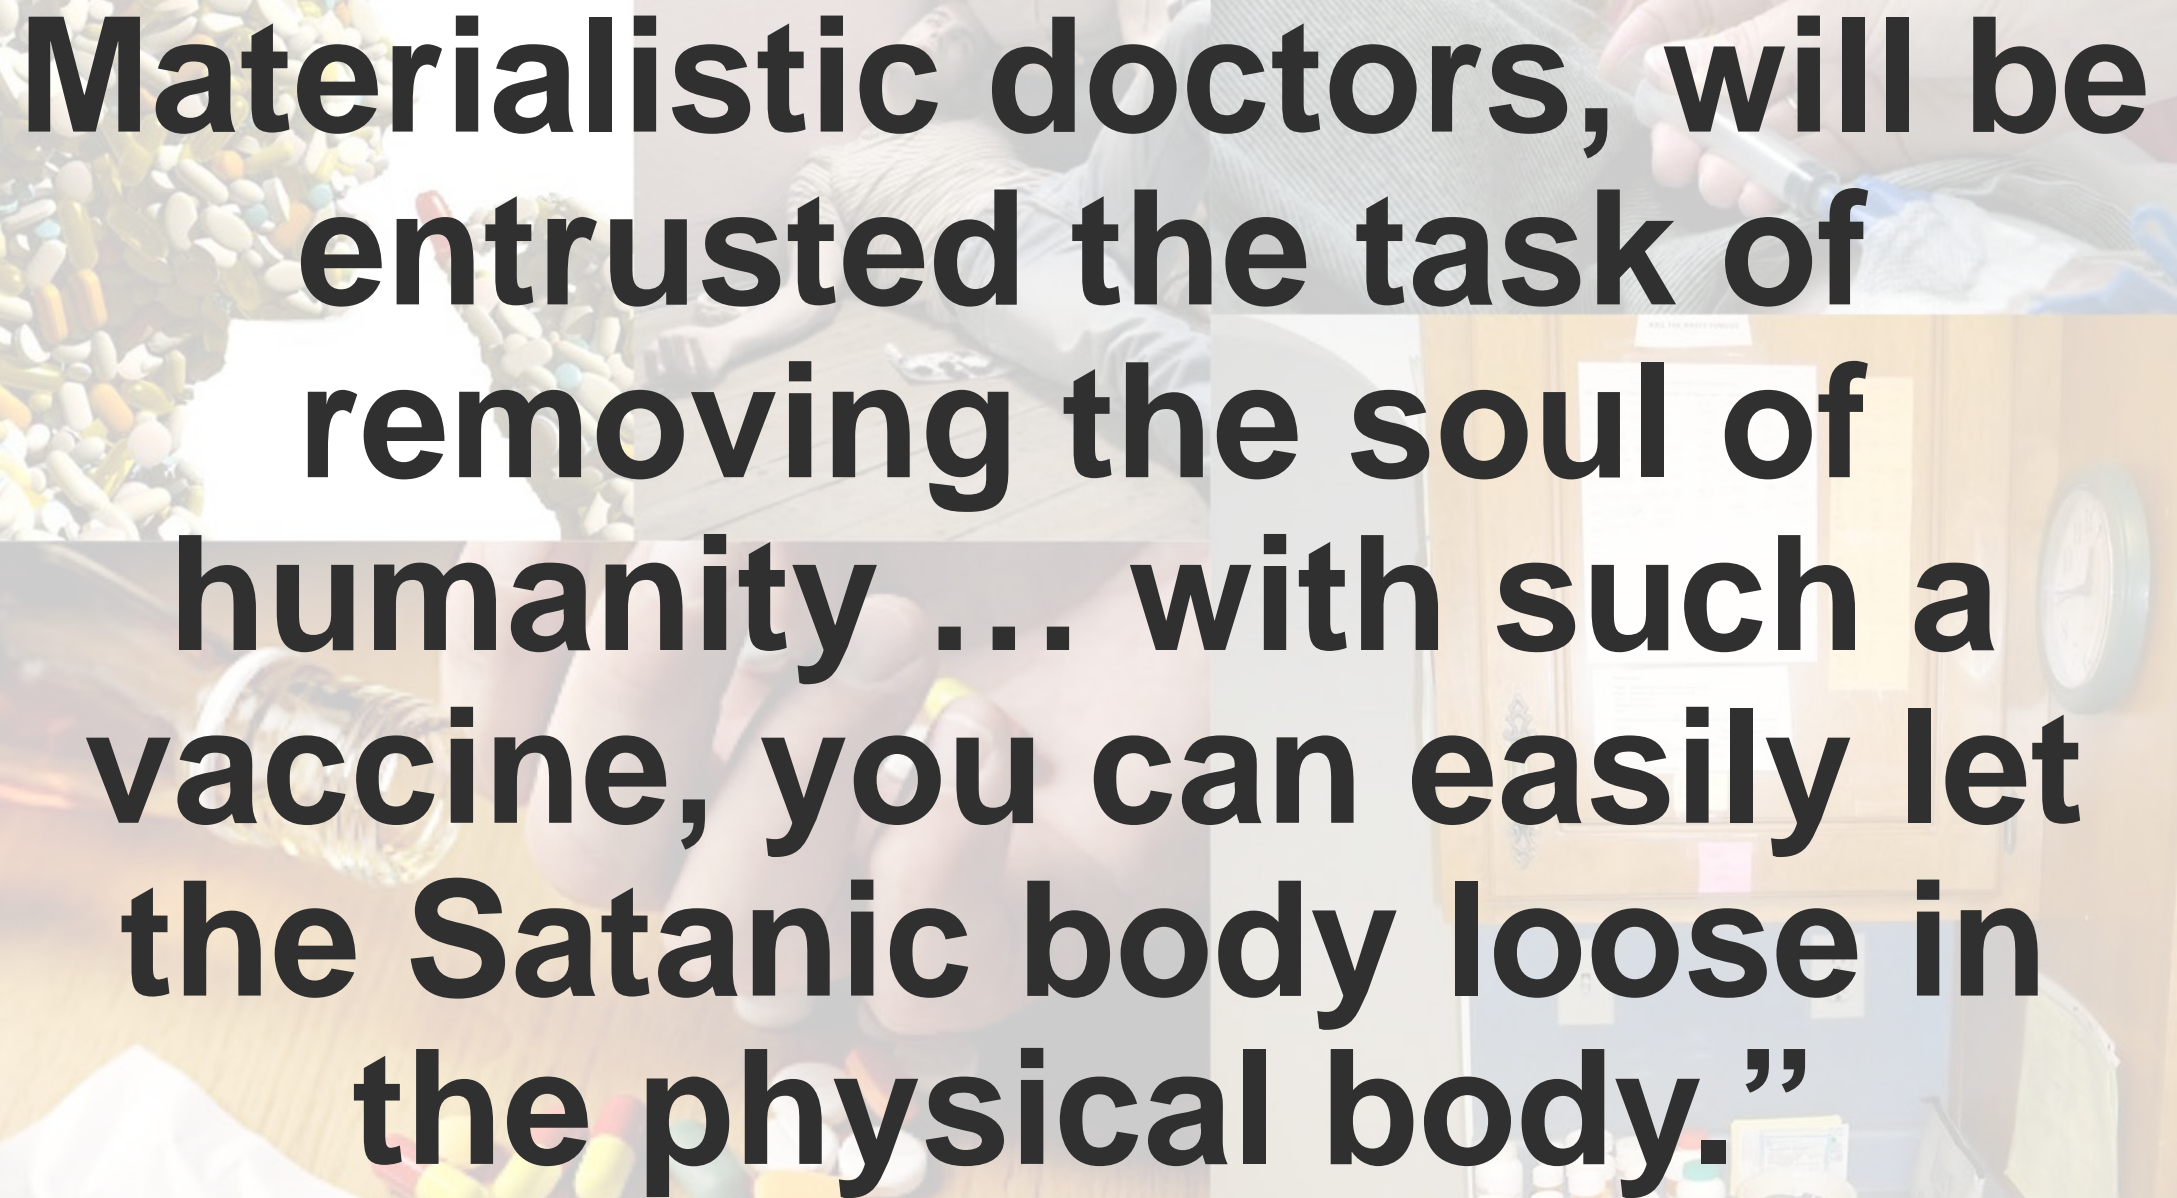

**“There will be, in the next generation or so, a pharmacological method of making people love their servitude and producing dictatorship without tears, so to speak, producing a kind of painless concentration camp for entire societies so that people will in fact have their liberties taken away from them but will rather enjoy it. Medical science has made such tremendous progress that there is hardly a healthy human left.”**

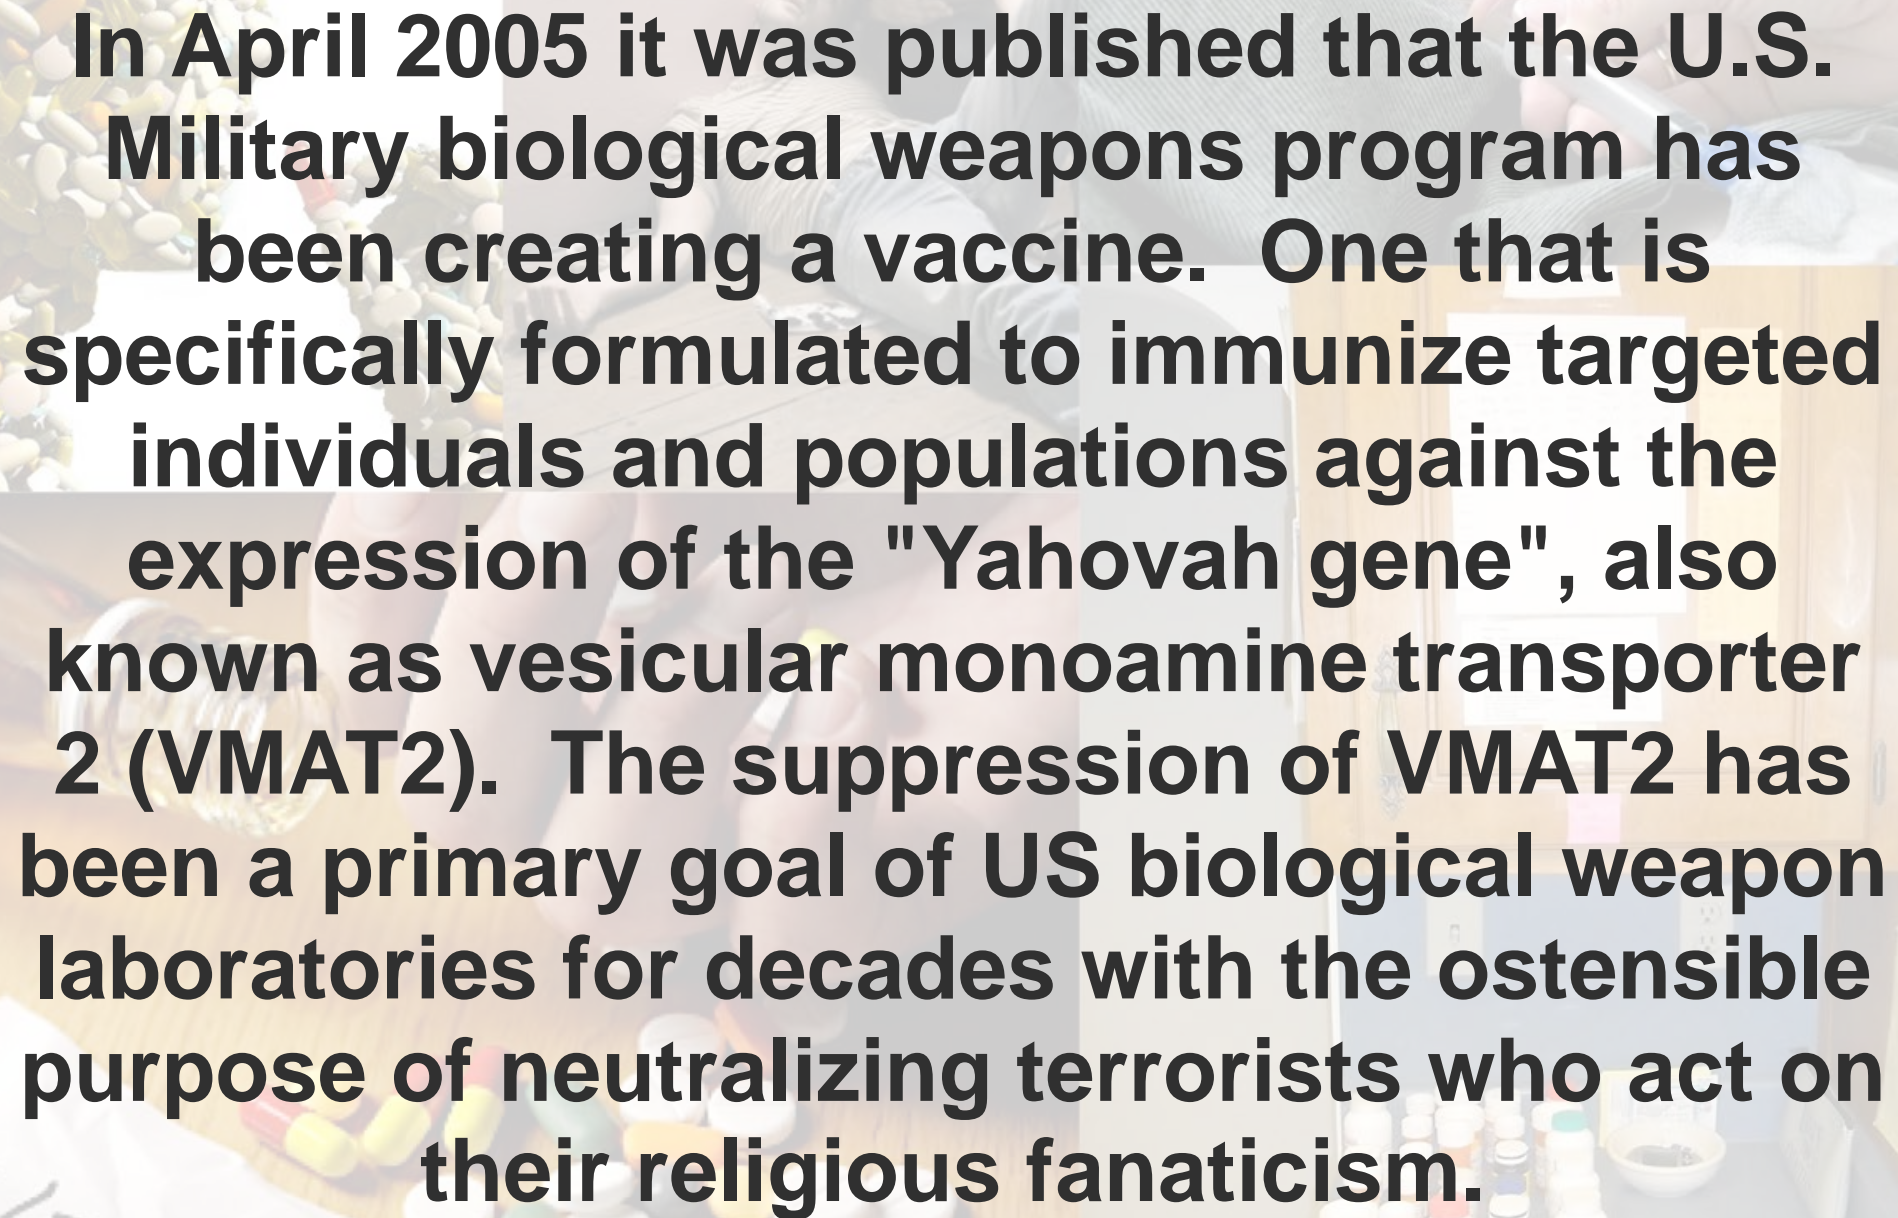

**More dystopian predictions, this one from the late 19<sup>th</sup> Century: “In the future, we will eliminate the soul with medicine. Under the pretext of a ‘healthy point of view’, there will be a vaccine by which the human body will be treated as soon as possible (at birth), so that the human being cannot develop the thought of the existence of soul and spirit.**

The background is a collage of four images related to medicine. Top left: A large pile of various colored pills. Top right: A person lying in a hospital bed with medical equipment. Middle left: A hand holding a syringe. Middle right: A pharmacy counter with various bottles and a clock.

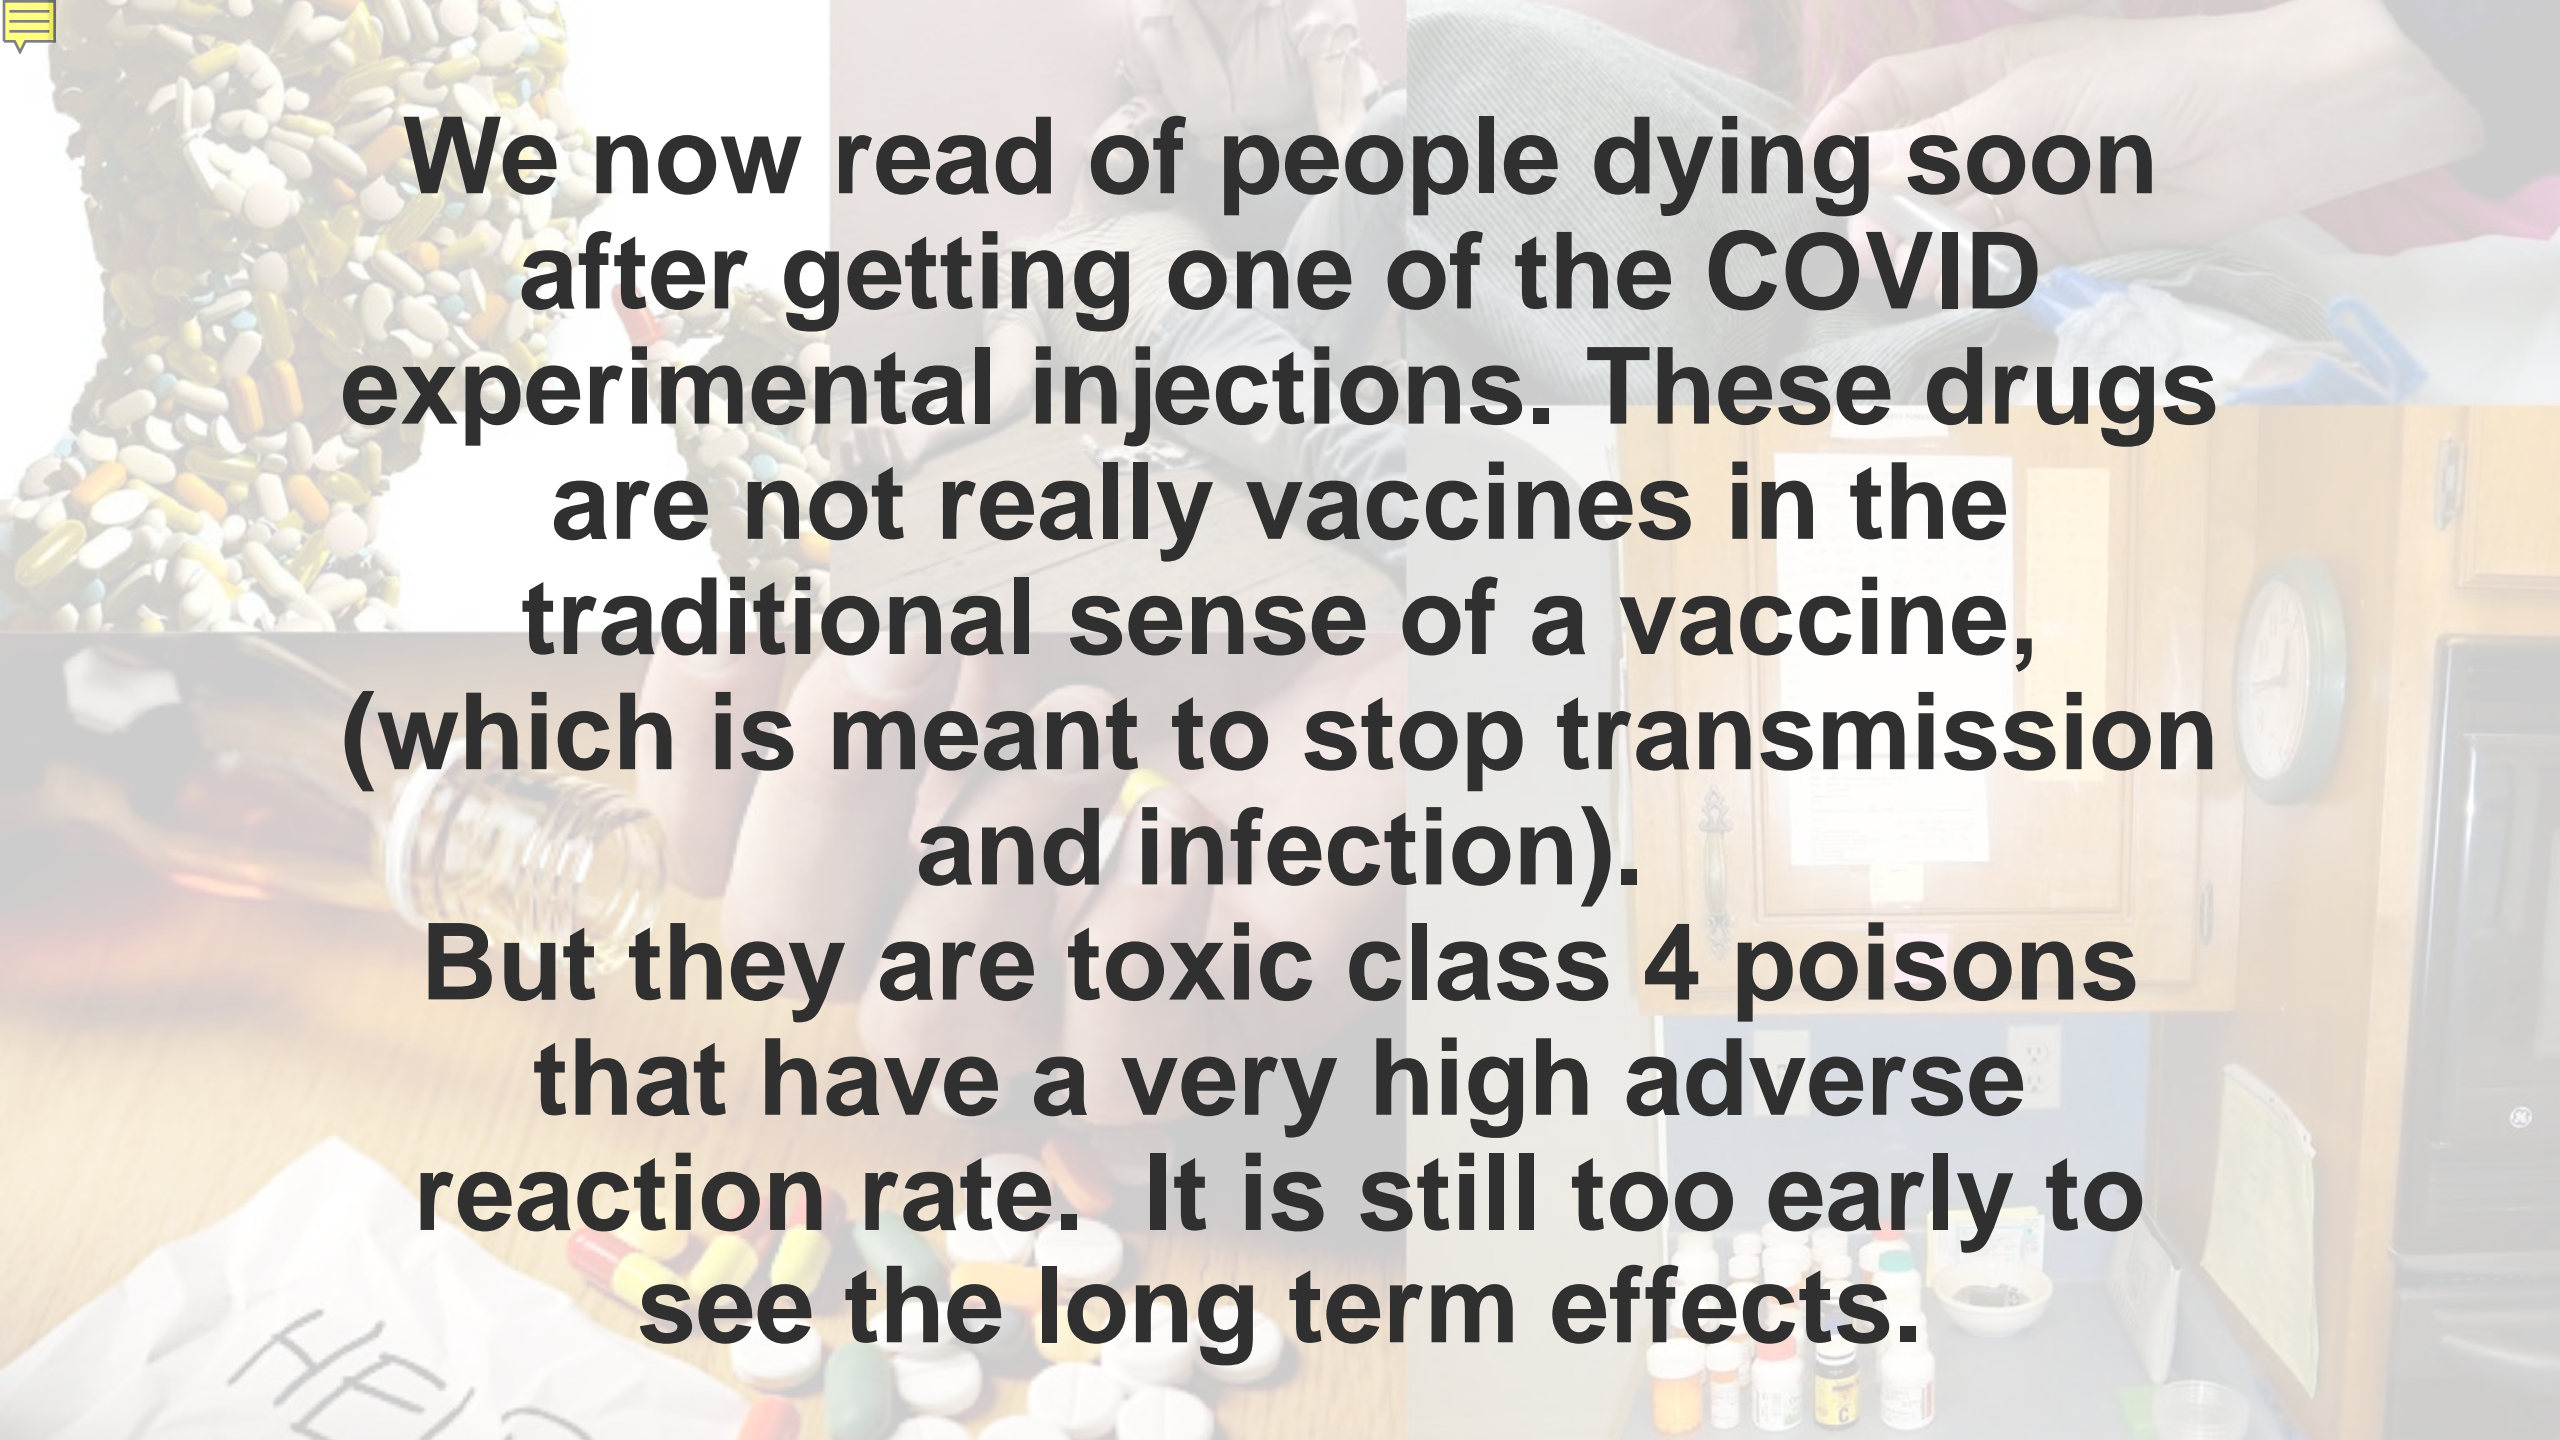

**Materialistic doctors, will be entrusted the task of removing the soul of humanity ... with such a vaccine, you can easily let the Satanic body loose in the physical body.”**

**In April 2005 it was published that the U.S. Military biological weapons program has been creating a vaccine. One that is specifically formulated to immunize targeted individuals and populations against the expression of the "Yahovah gene", also known as vesicular monoamine transporter 2 (VMAT2). The suppression of VMAT2 has been a primary goal of US biological weapon laboratories for decades with the ostensible purpose of neutralizing terrorists who act on their religious fanaticism.**

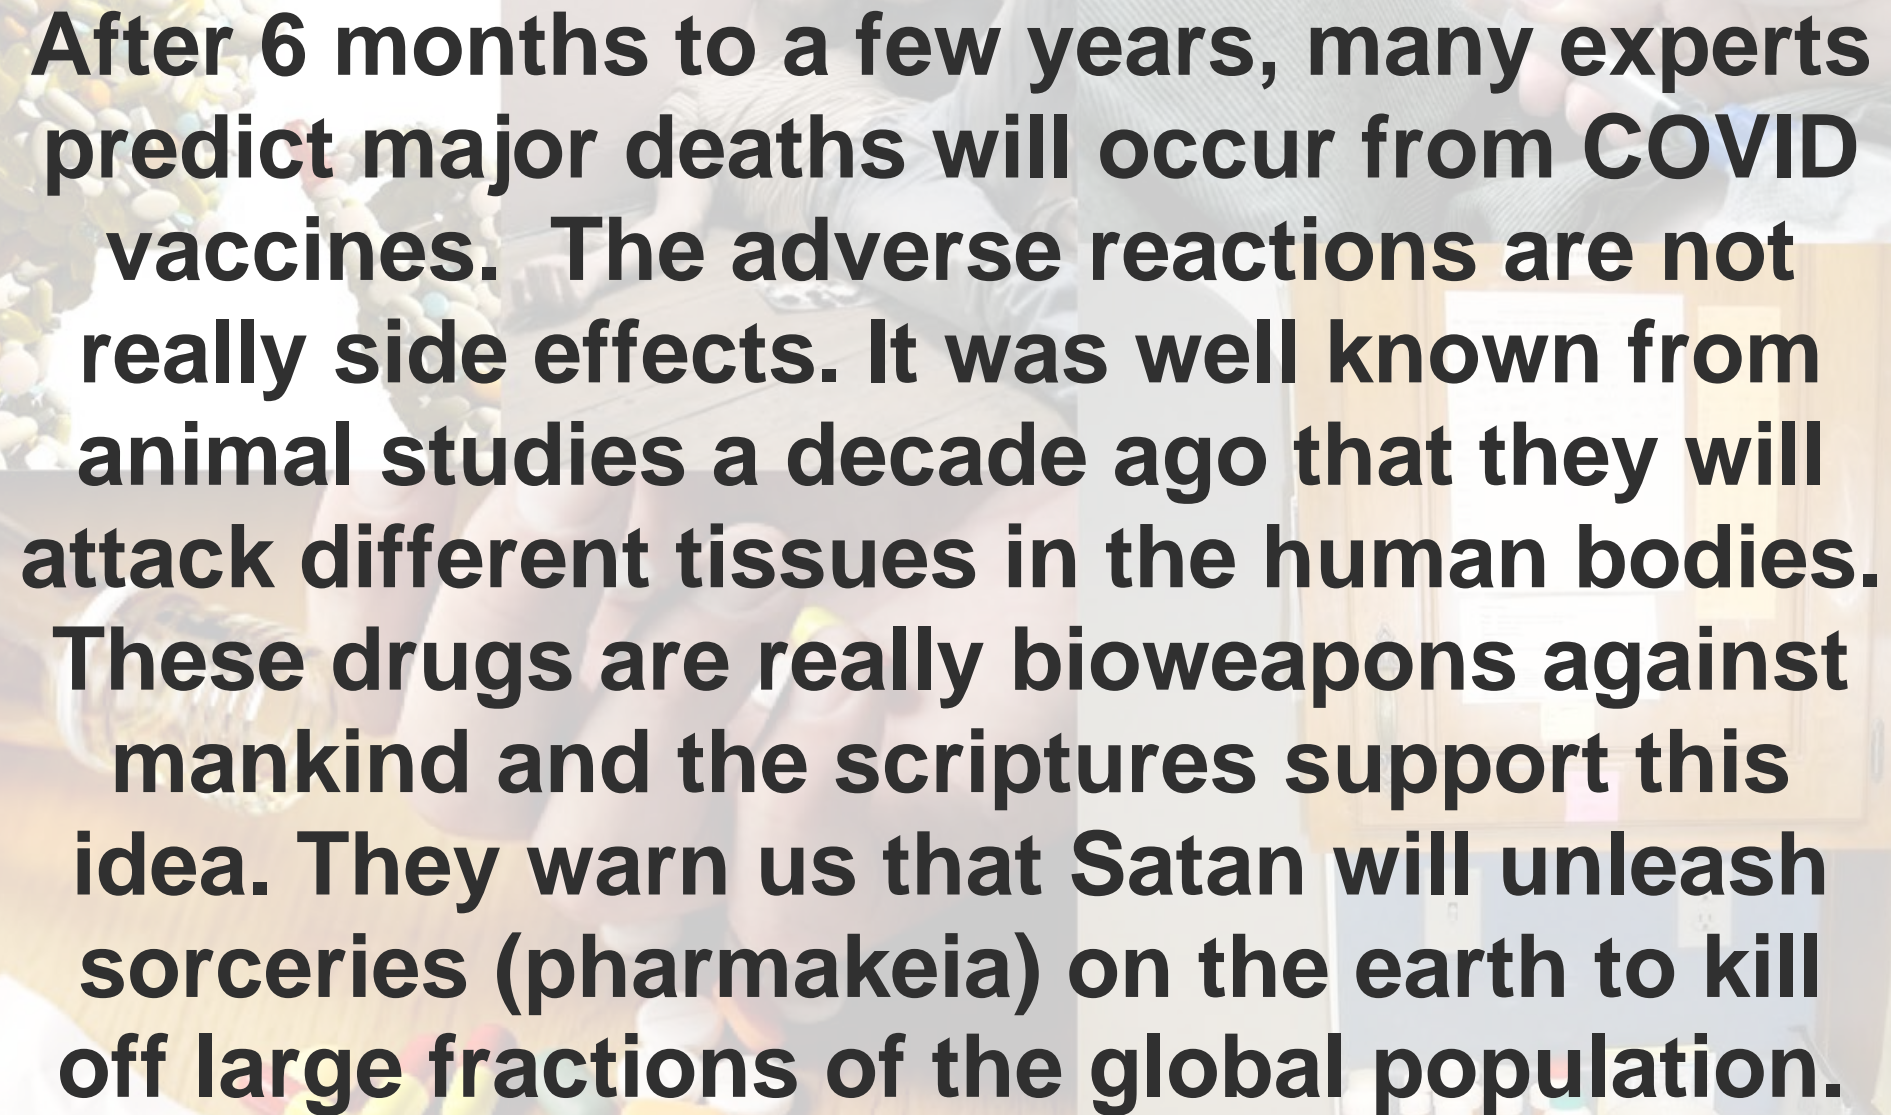

The background is a collage of several images related to medicine and healthcare. On the left, there is a large, dense pile of various colored pills and capsules. In the center, a person is lying down, possibly in a hospital bed, with their arms raised. To the right, a hand is shown holding a small vial or syringe. Below the main text, there are more images of pills, a clock on a wall, and a person's hand holding a small container. The overall tone is serious and clinical.

**We now read of people dying soon after getting one of the COVID experimental injections. These drugs are not really vaccines in the traditional sense of a vaccine, (which is meant to stop transmission and infection).**

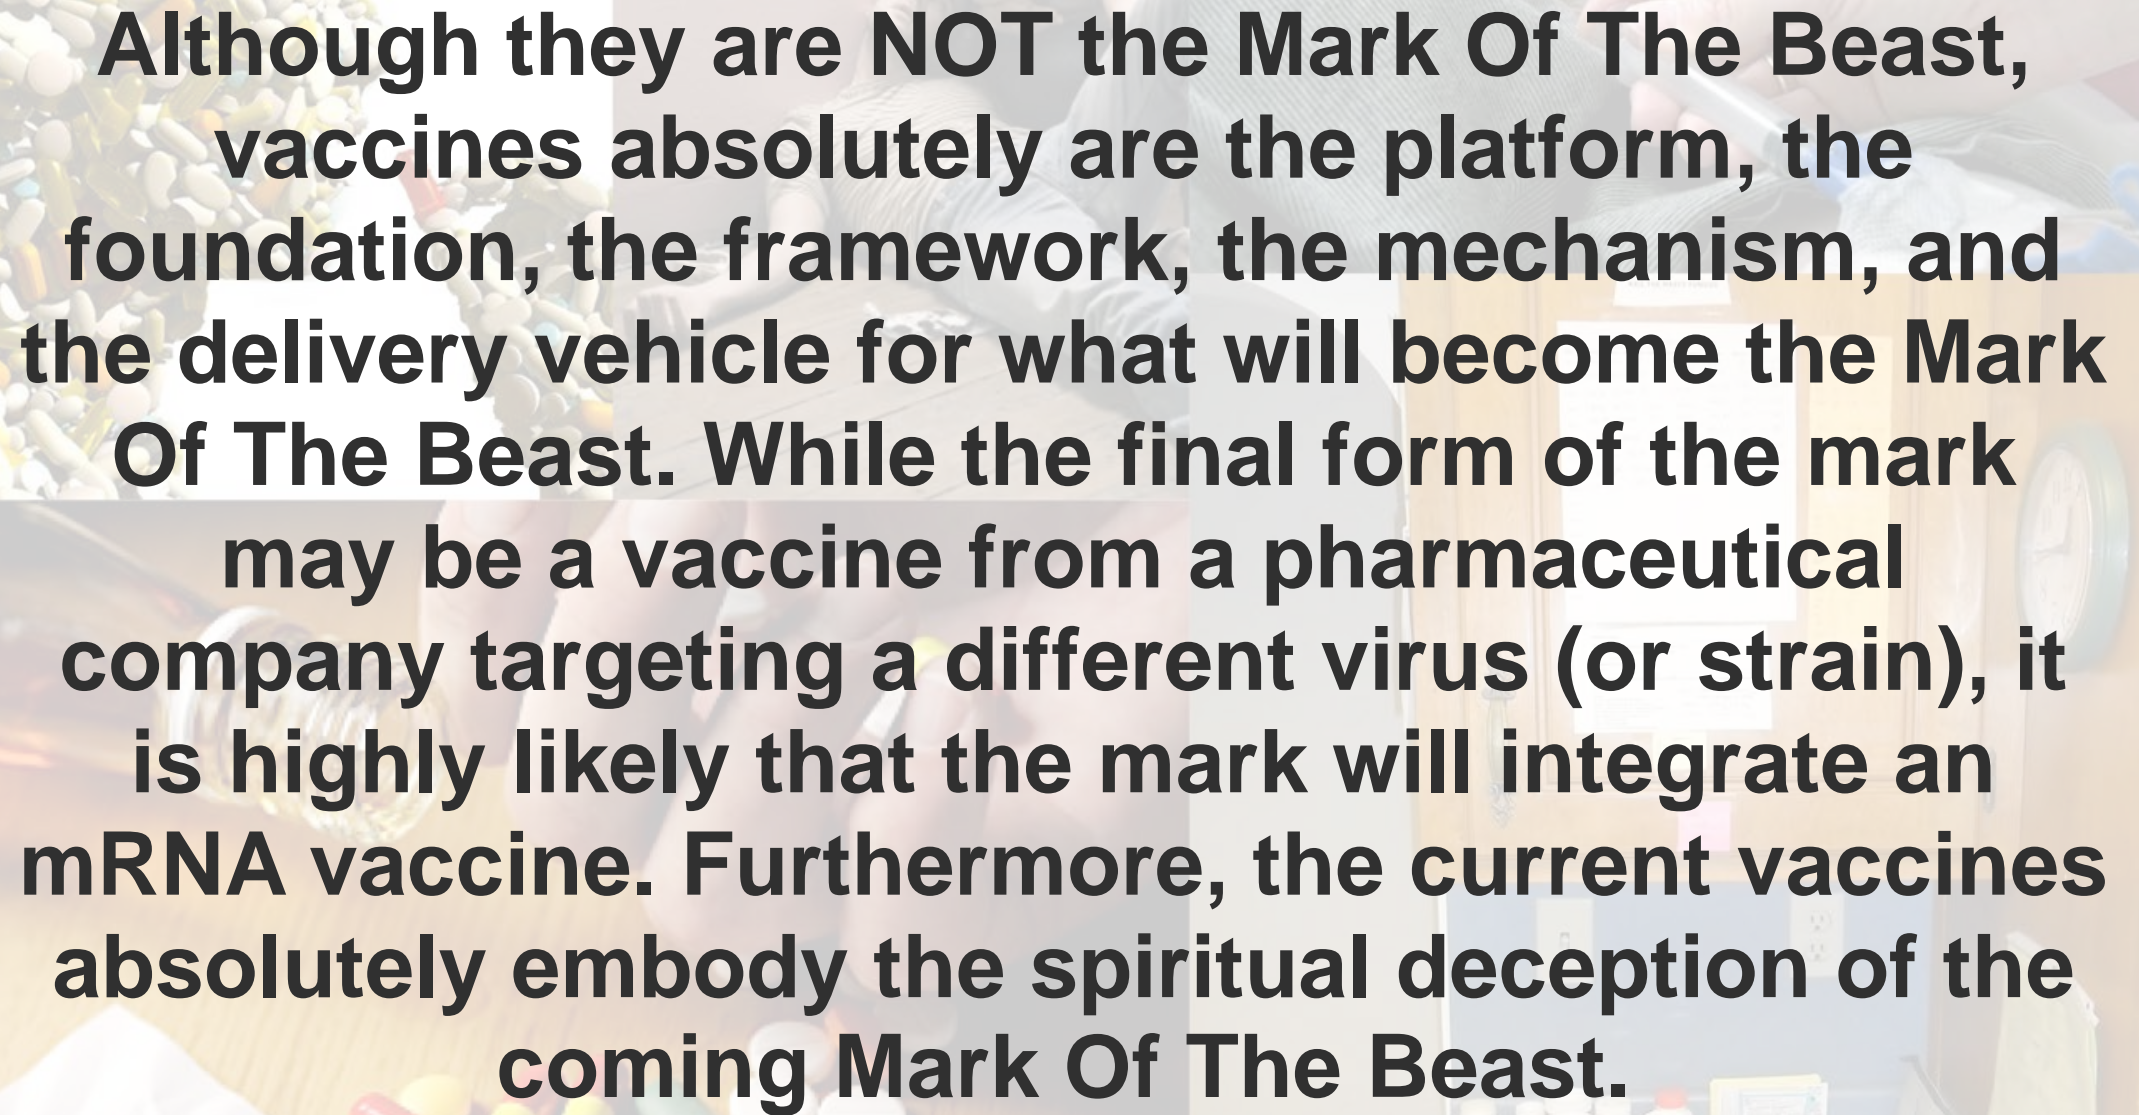

**But they are toxic class 4 poisons that have a very high adverse reaction rate. It is still too early to see the long term effects.**

**After 6 months to a few years, many experts predict major deaths will occur from COVID vaccines. The adverse reactions are not really side effects. It was well known from animal studies a decade ago that they will attack different tissues in the human bodies. These drugs are really bioweapons against mankind and the scriptures support this idea. They warn us that Satan will unleash sorceries (pharmakeia) on the earth to kill off large fractions of the global population.**

**Although they are NOT the Mark Of The Beast, vaccines absolutely are the platform, the foundation, the framework, the mechanism, and the delivery vehicle for what will become the Mark Of The Beast. While the final form of the mark may be a vaccine from a pharmaceutical company targeting a different virus (or strain), it is highly likely that the mark will integrate an mRNA vaccine. Furthermore, the current vaccines absolutely embody the spiritual deception of the coming Mark Of The Beast.**

# In Closing

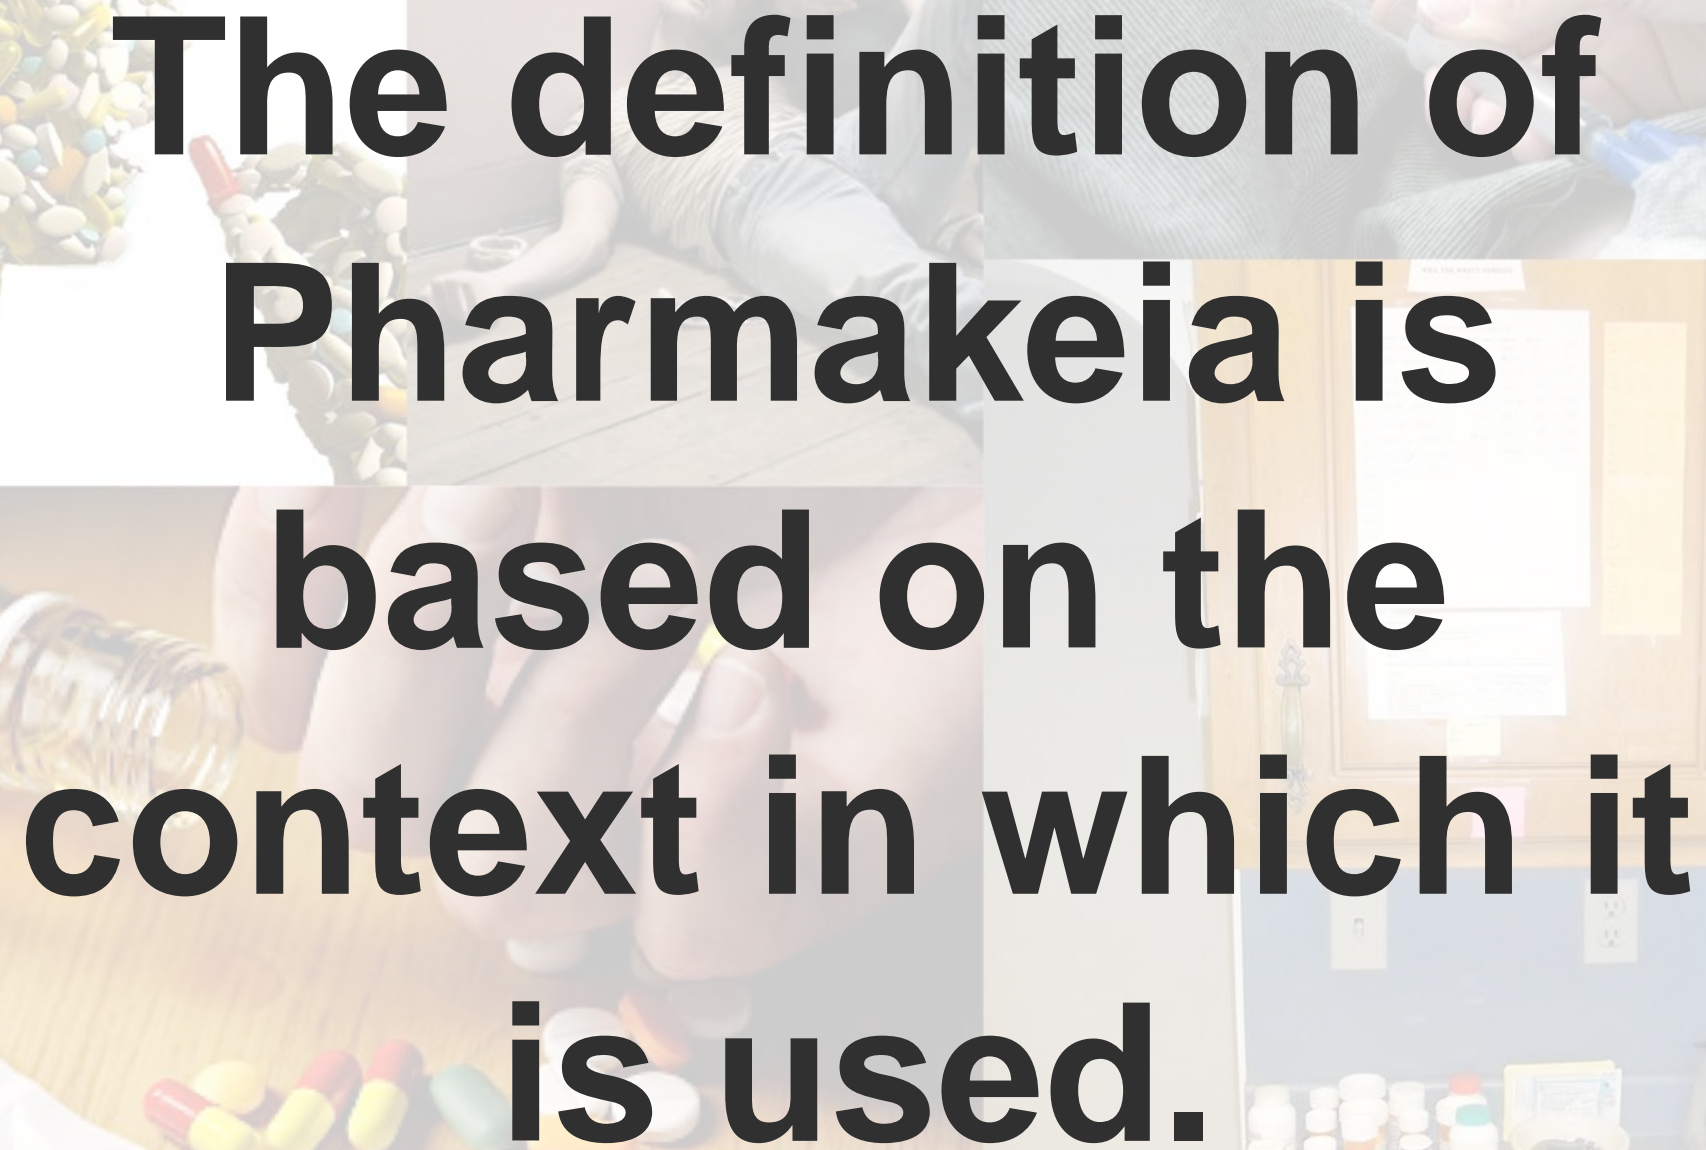

**All of the industries  
are really one.**

**Big Oil, Big Pharma, Big  
Chemical, Big Agriculture, Big  
Food, Big Medical, etc. are all  
one and the same.**

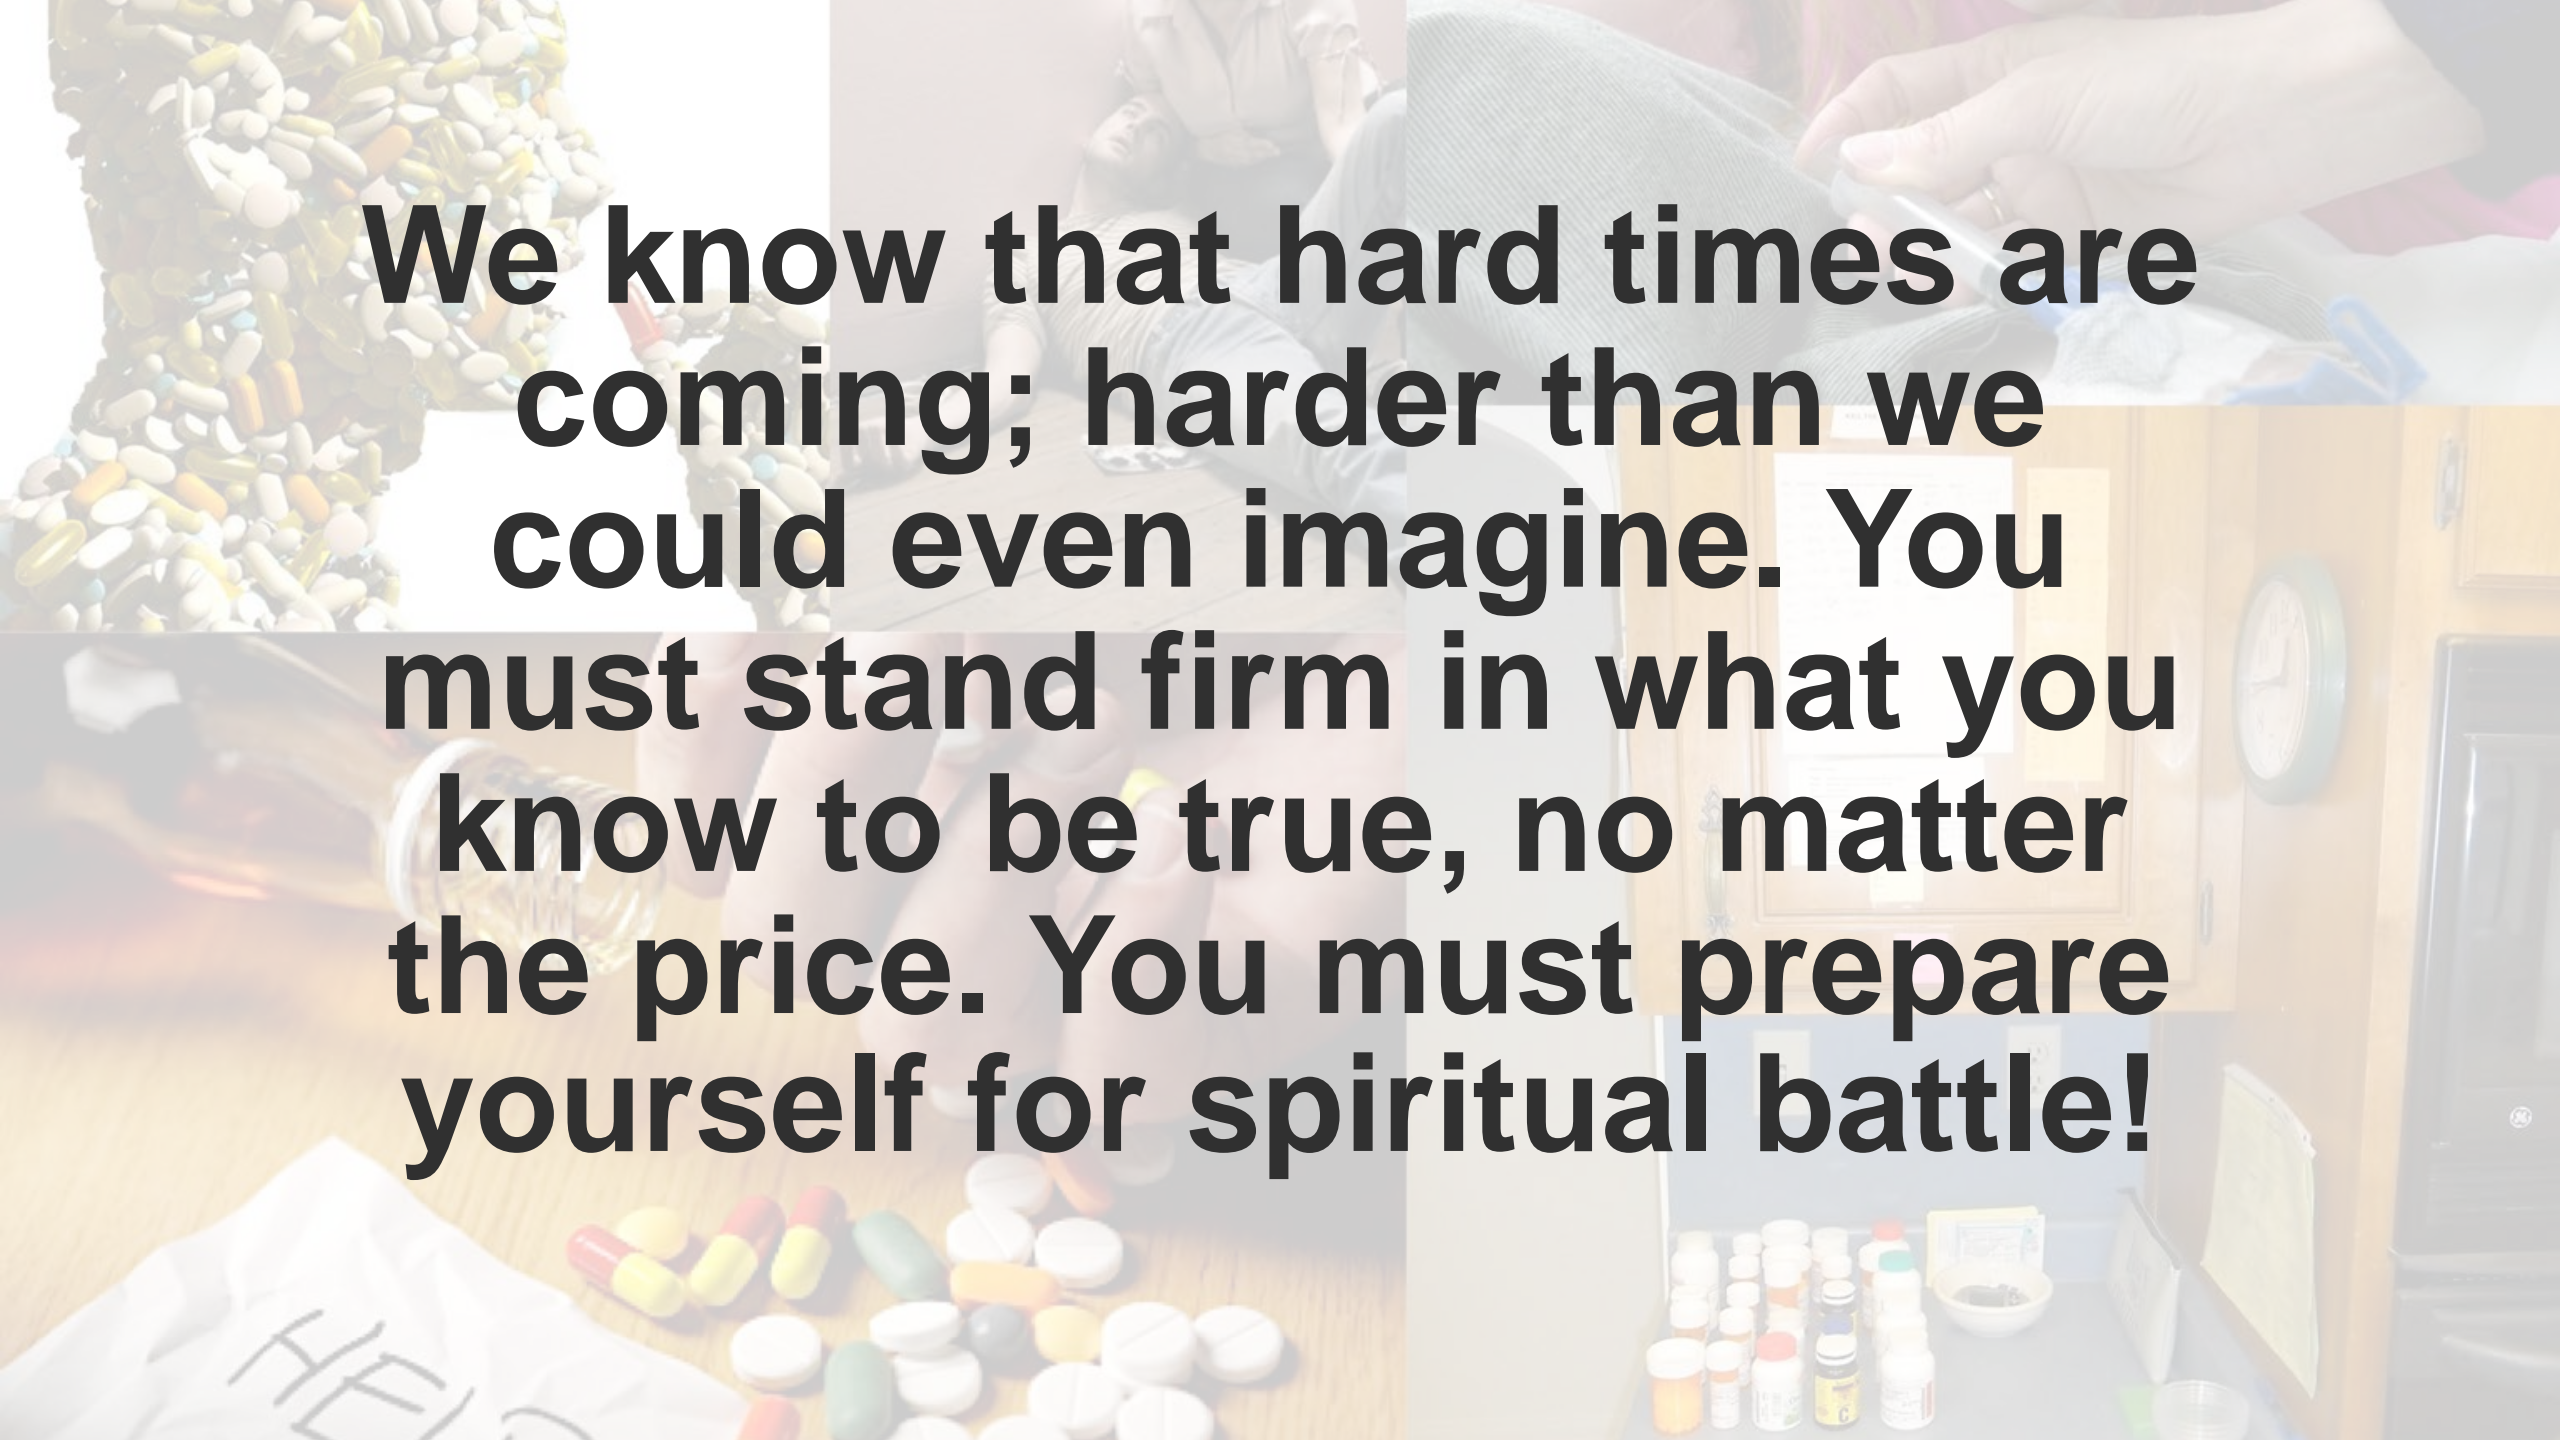

**So in reality, are they or have  
they become pharmakeia?**

**The definition of  
Pharmakeia is  
based on the  
context in which it  
is used.**

**We know that hard times are coming; harder than we could even imagine. You must stand firm in what you know to be true, no matter the price. You must prepare yourself for spiritual battle!**

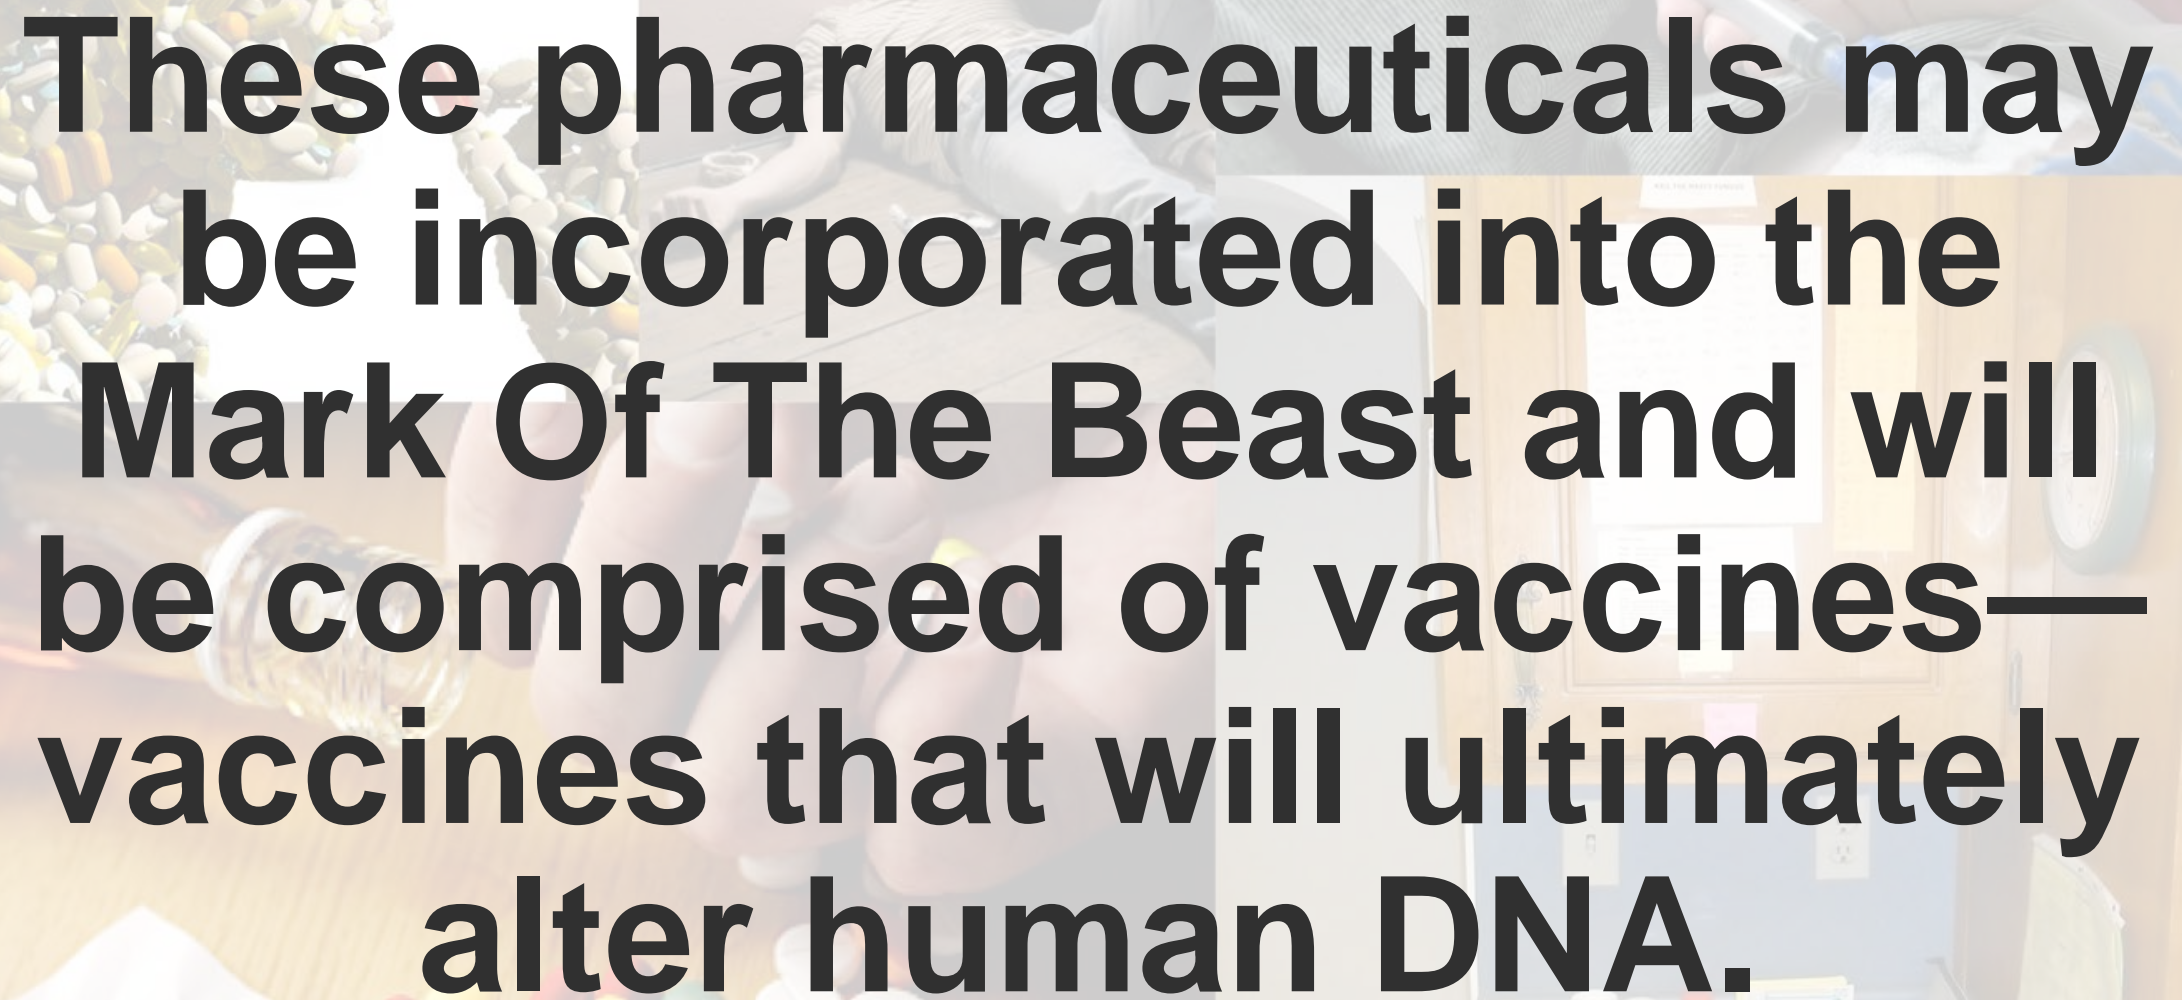

The background is a collage of four images related to medicine and healthcare. Top left: A large pile of various colored pills (white, yellow, orange, blue). Top right: A person lying in a hospital bed, partially covered by a grey blanket, with a hand holding a syringe near them. Bottom left: A pharmacy counter with a glass bottle of pills, a hand holding a pill, and a white paper bag with the word 'HELLO' written on it. Bottom right: A pharmacy counter with several small bottles of medicine and a clock on the wall.

**The deception of the world will come through sorcery (Pharmakeia).**

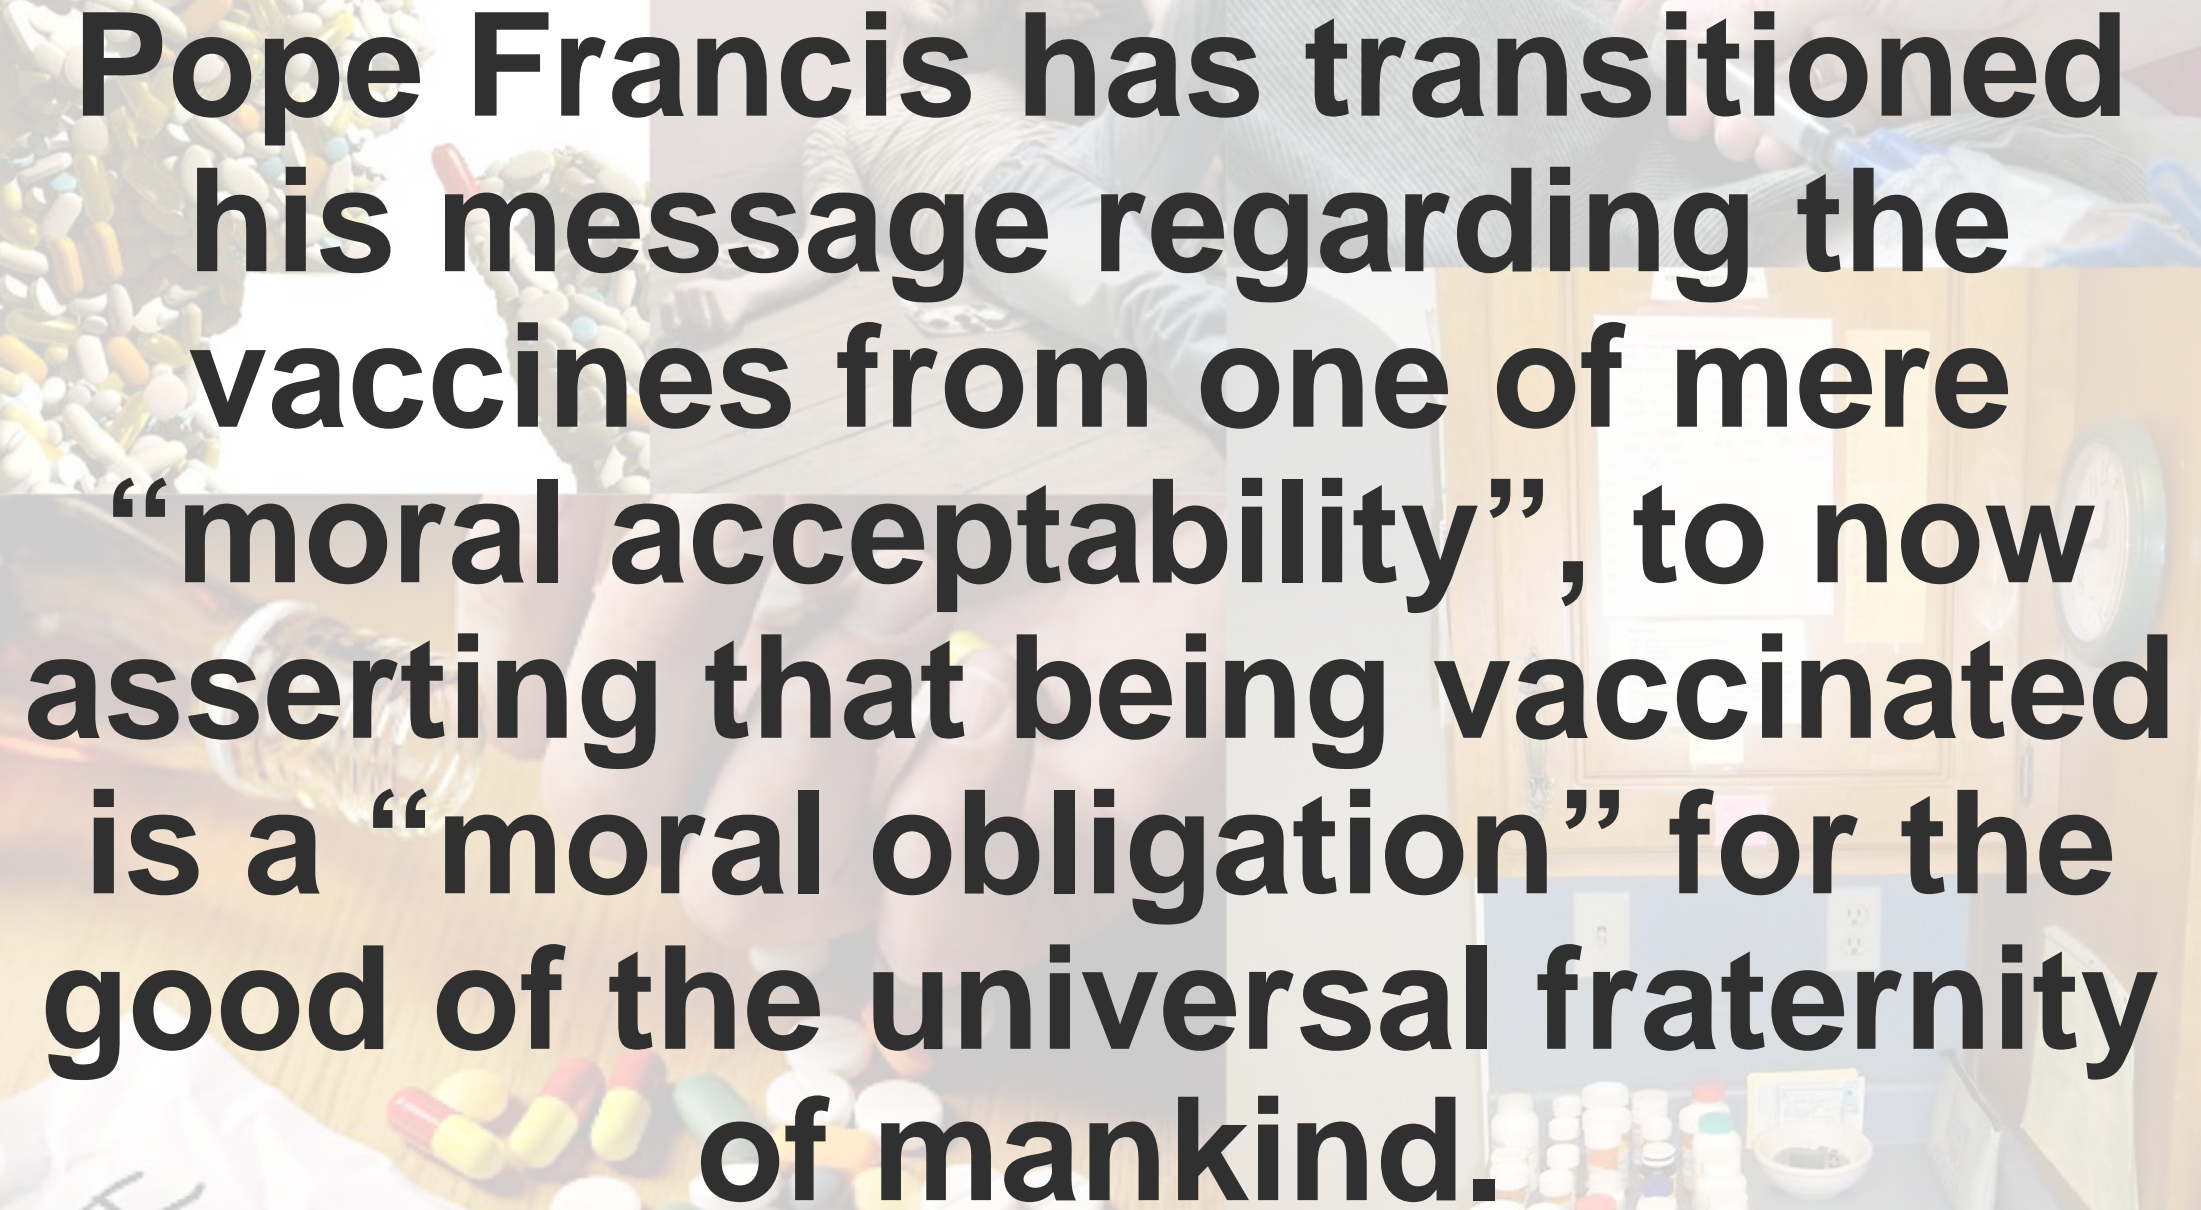

**This sorcery will be predicated on the use of pharmaceuticals with a spiritual dimension.**

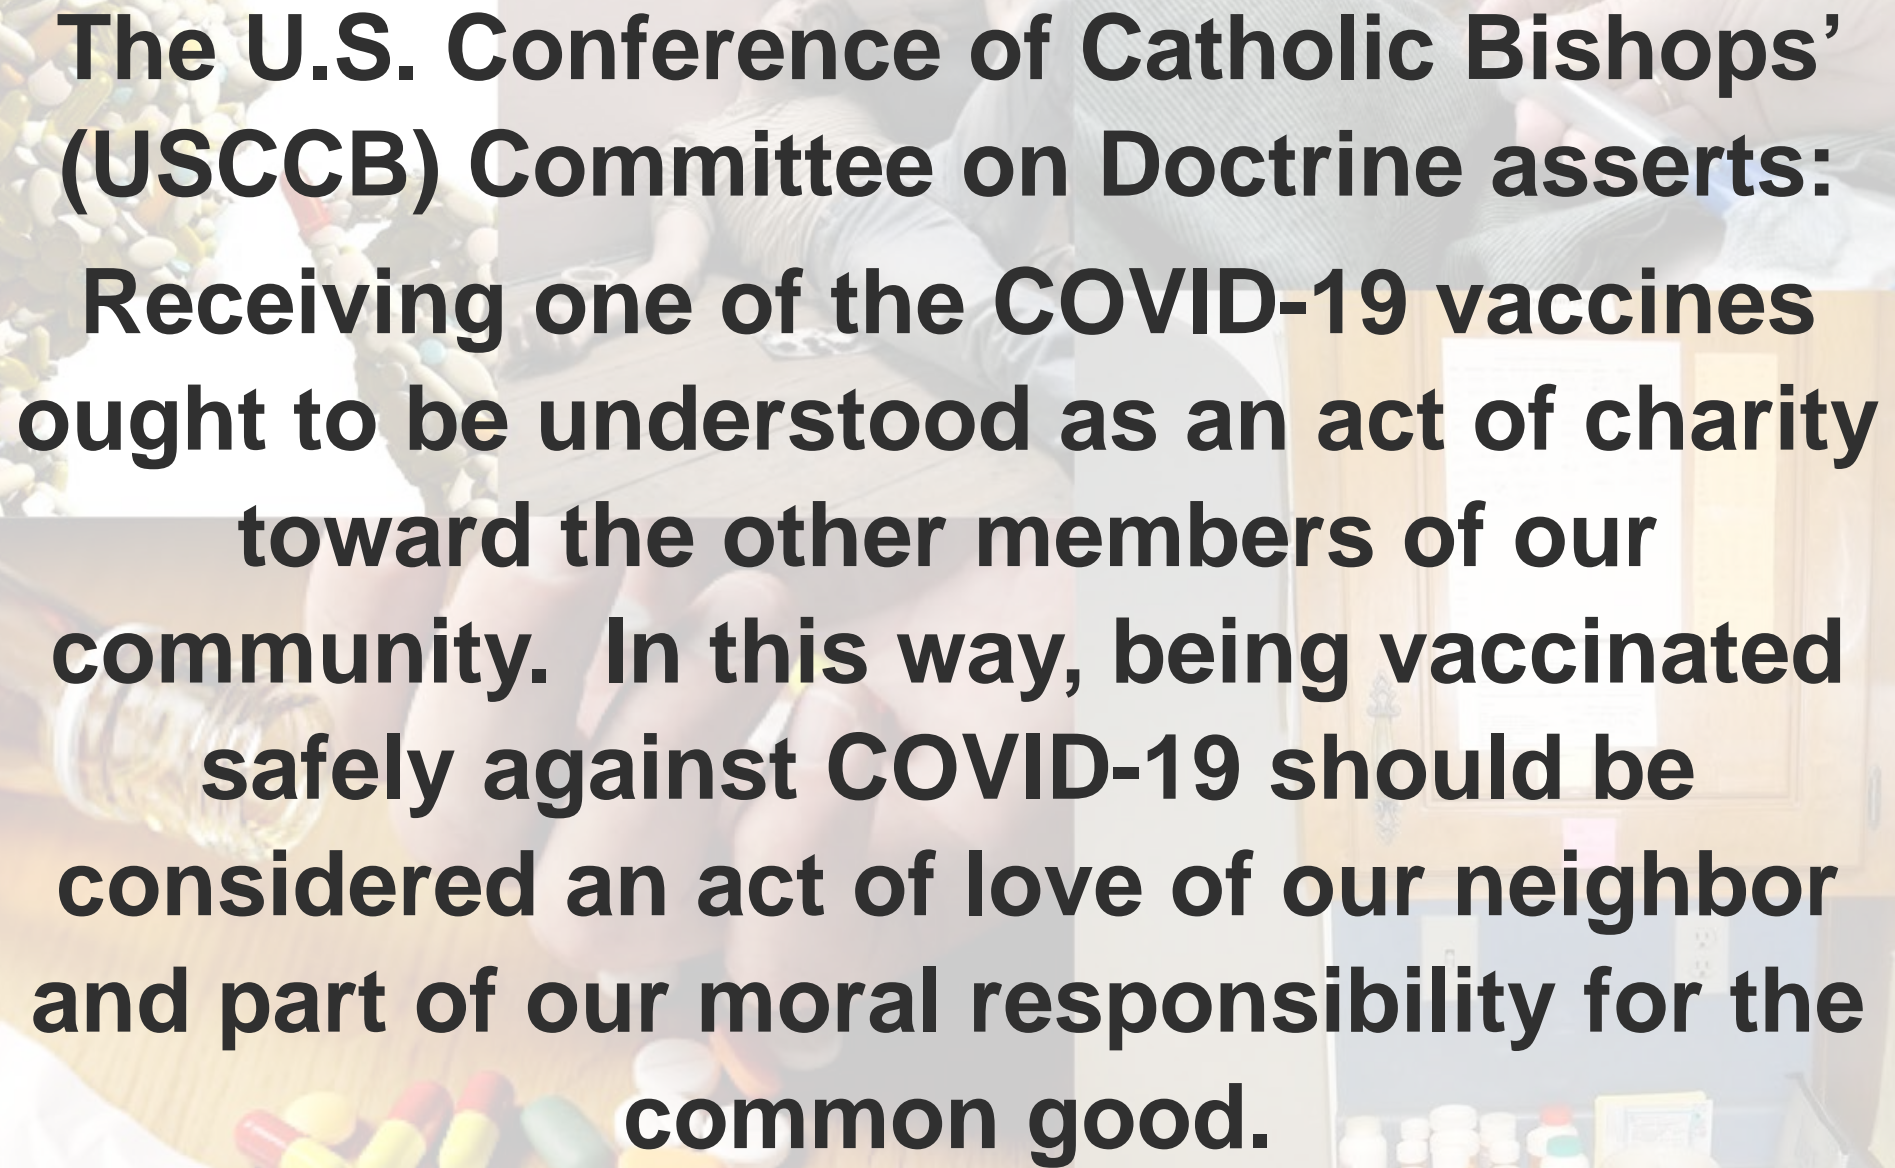

**These pharmaceuticals may be incorporated into the Mark Of The Beast and will be comprised of vaccines—vaccines that will ultimately alter human DNA.**

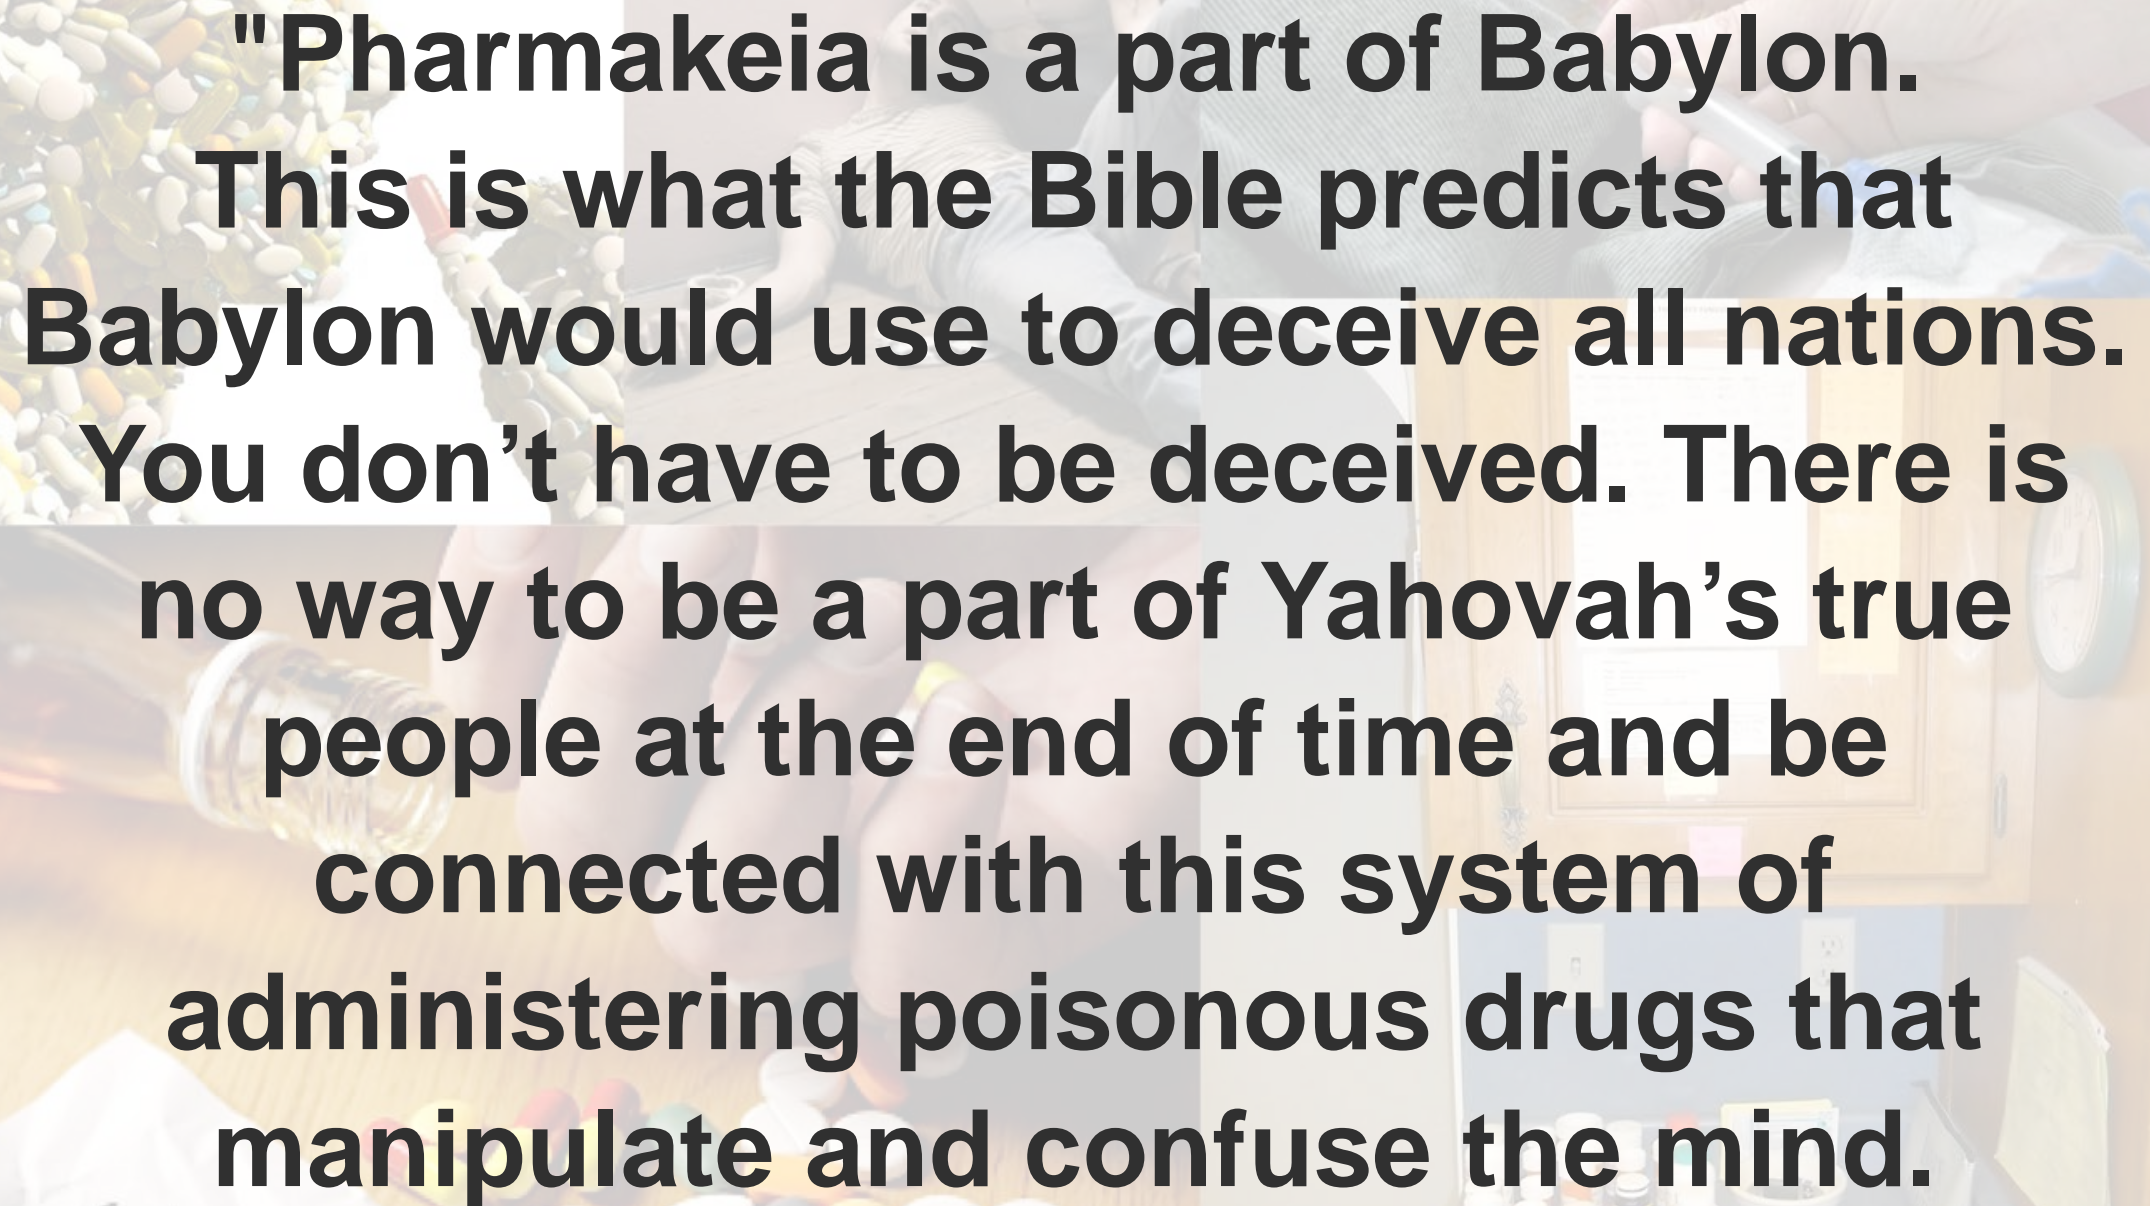

**Pope Francis has transitioned his message regarding the vaccines from one of mere “moral acceptability”, to now asserting that being vaccinated is a “moral obligation” for the good of the universal fraternity of mankind.**

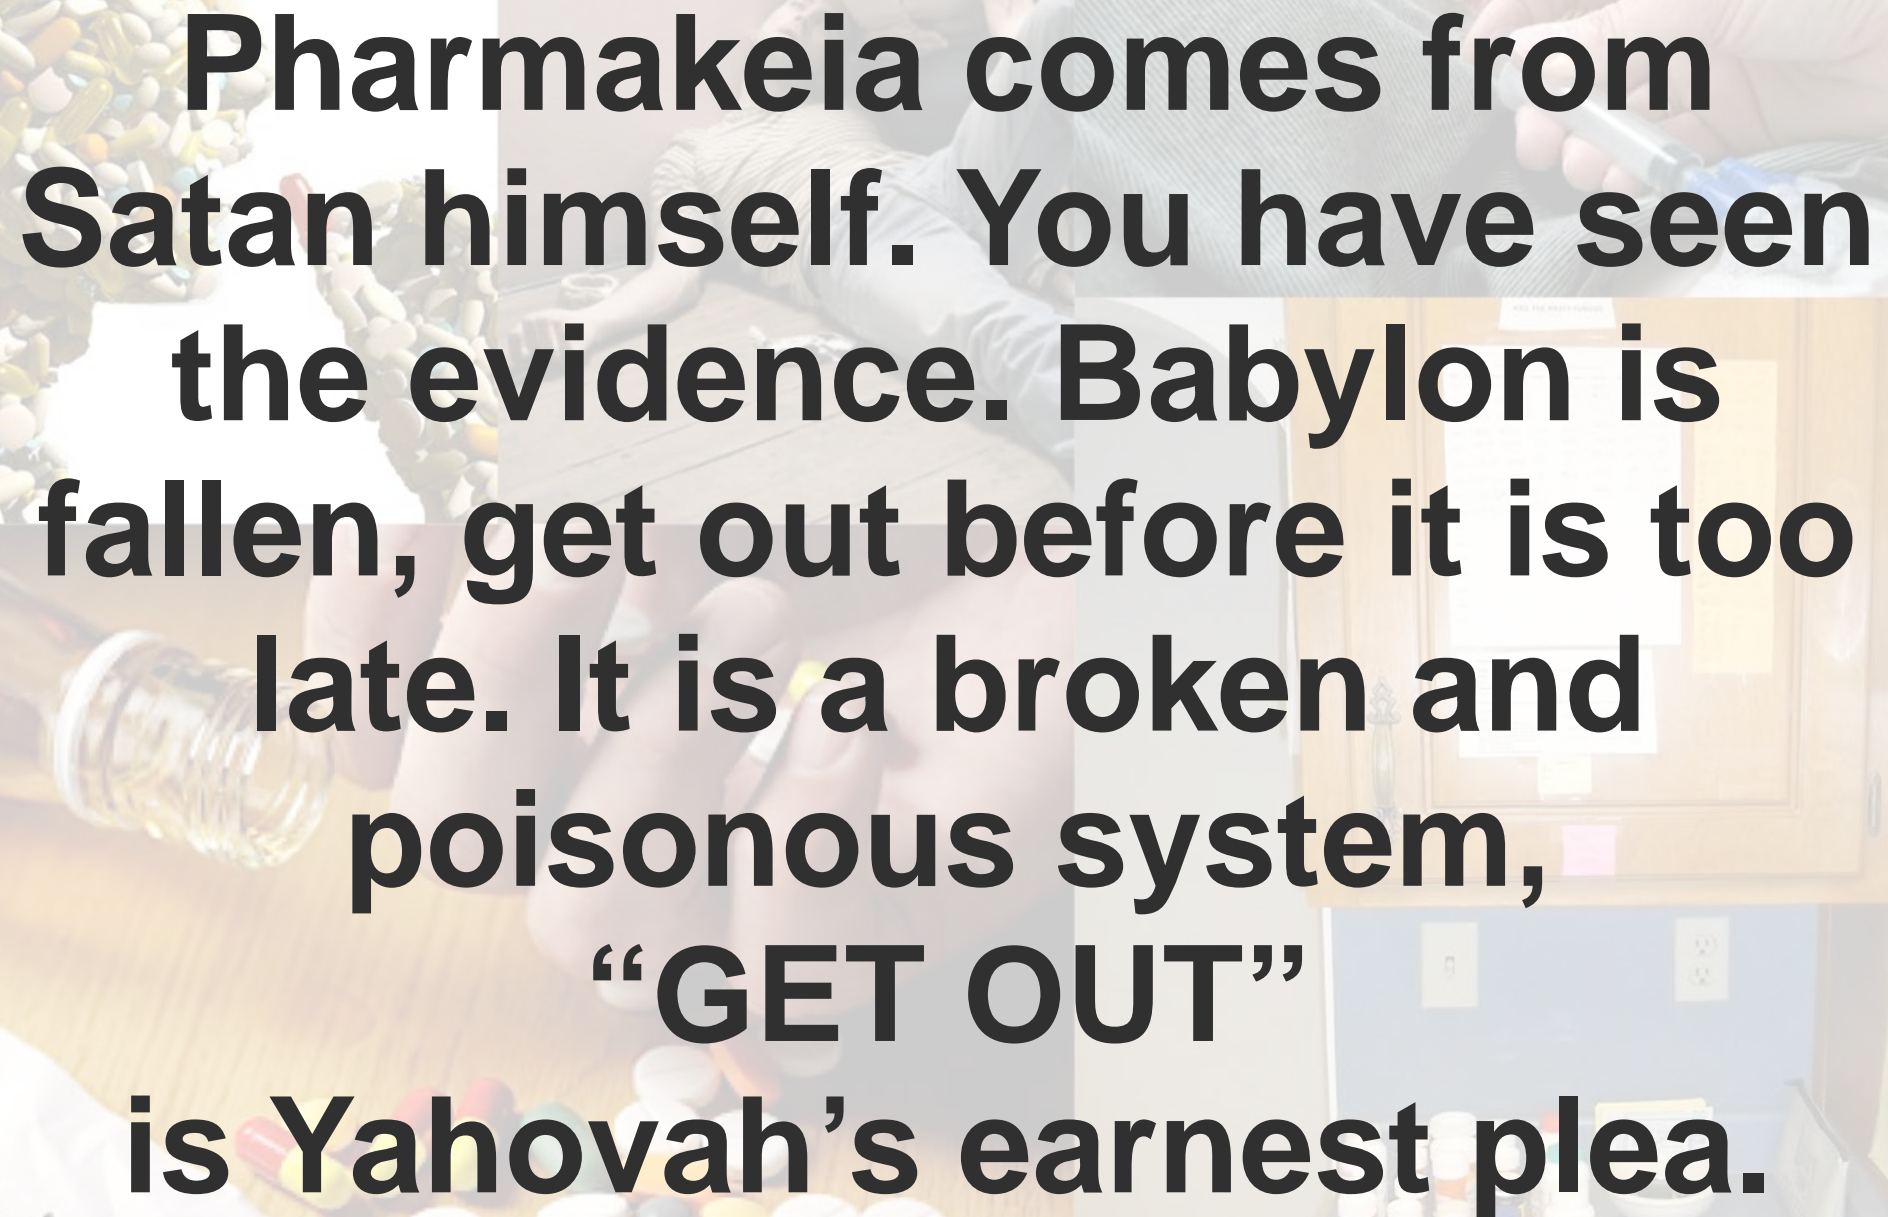

**The U.S. Conference of Catholic Bishops' (USCCB) Committee on Doctrine asserts: Receiving one of the COVID-19 vaccines ought to be understood as an act of charity toward the other members of our community. In this way, being vaccinated safely against COVID-19 should be considered an act of love of our neighbor and part of our moral responsibility for the common good.**

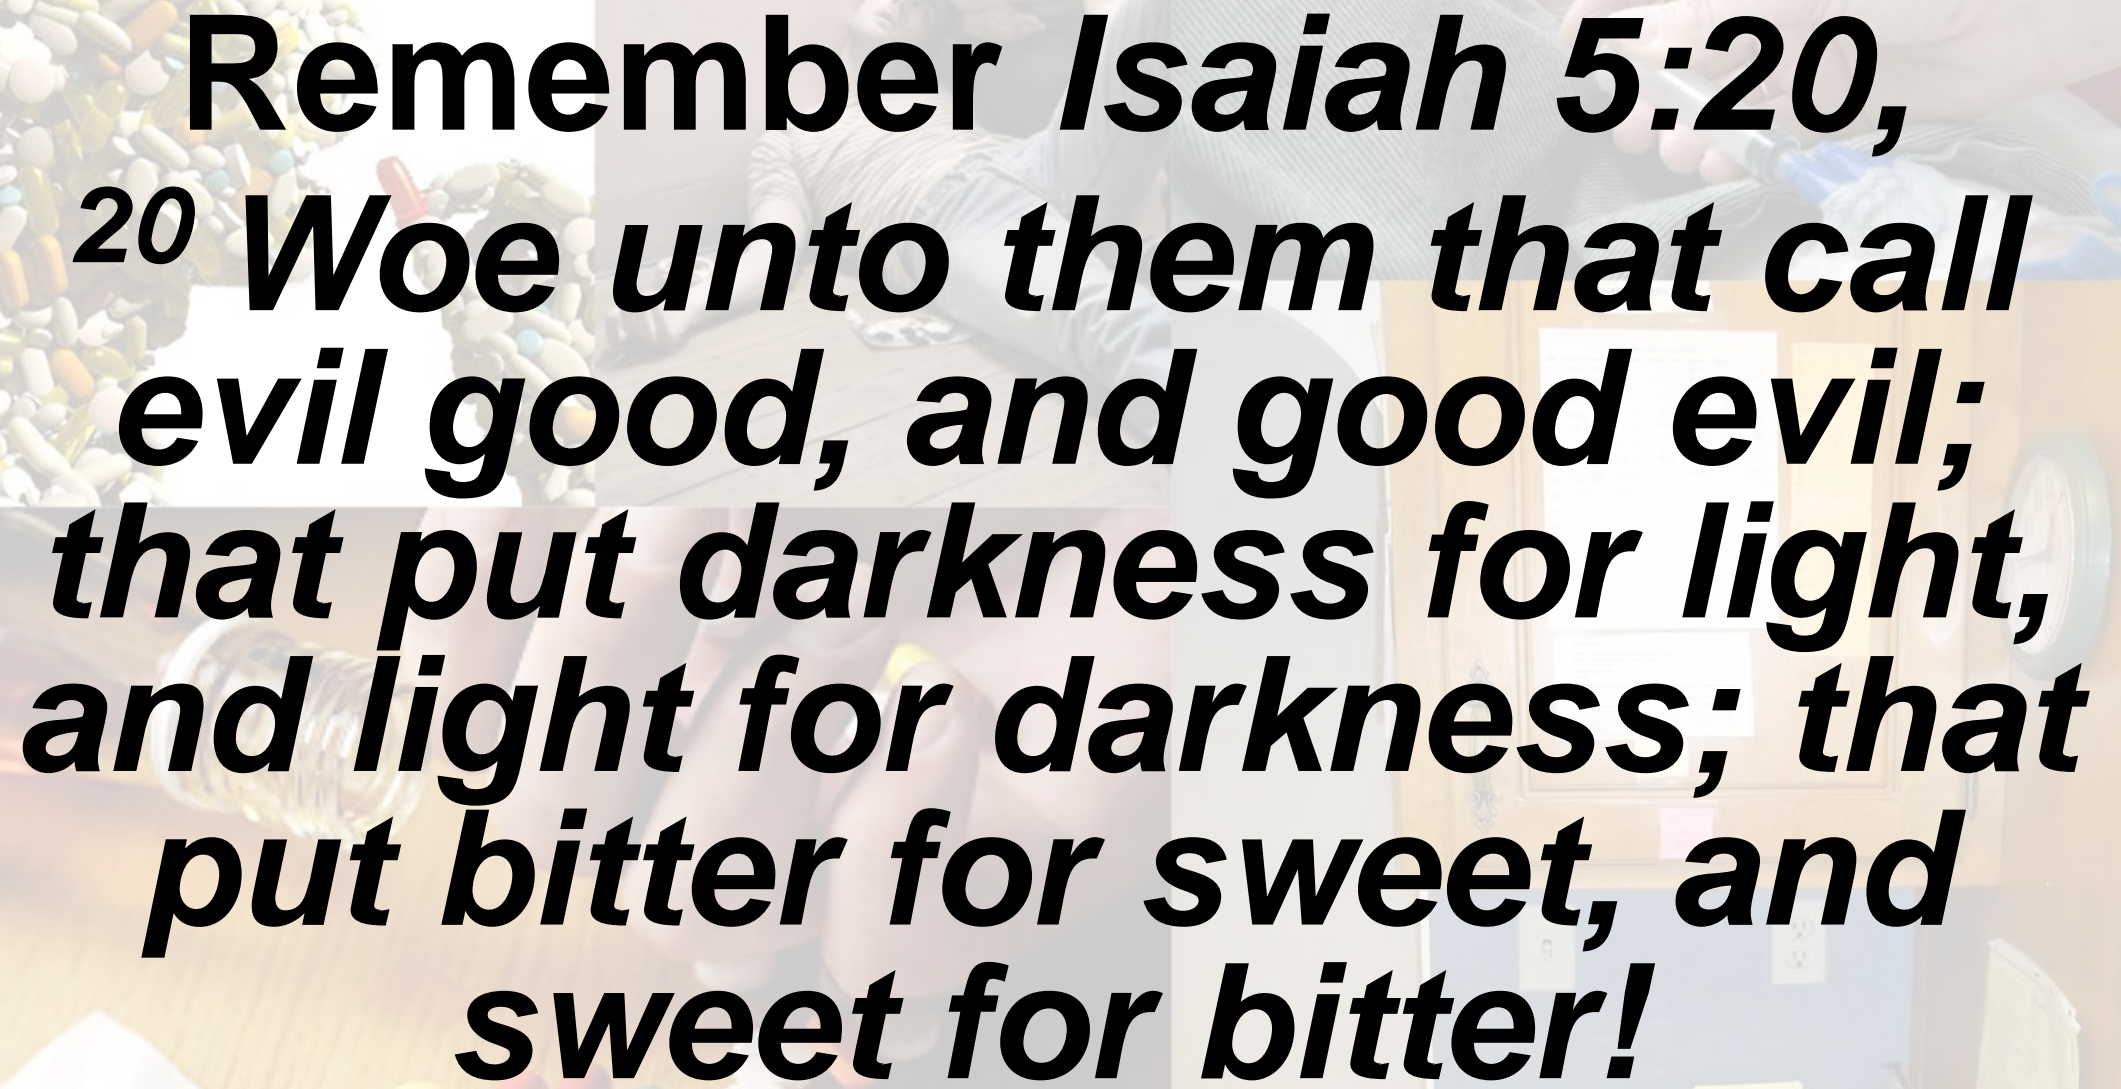

**"Pharmakeia is a part of Babylon.  
This is what the Bible predicts that  
Babylon would use to deceive all nations.  
You don't have to be deceived. There is
